Lawson's Rheumatic Liniment.

THIS invaluable Liniment has the extraordinary property of affording immediate relief in all cases of Rheumatic and other pains, and suffering from Felons, Salt Rheum, &c., and a faithful trial will result in permanent cure.

The following are a few TESTIMONIALS proving the great efficacy of this Liniment:—

ST. JOHN, N. B., June 2nd, 1873.

Mr. A. Lawson: Dear Sir,—I have used your Liniment with a good deal of benefit, and feel pleasure in recommending it to others for the use for which it is intended. Yours, &c.,

REV. J. PRINCE.

ST. JOHN, June 4, 1873.

To Abiel Lawson, Esq.: Dear Sir,—I have been much troubled with Rheumatism, and could get no relief till I procured a bottle of your Liniment. A few applications made a perfect cure. I take much pleasure in recommending it to those similarly afflicted. GEO. M. BUSTIN.

Mr. A. Lawson: Dear Sir,—It affords me great pleasure to state that your Liniment was the means of curing a severe attack of rheumatism, two or three applications having removed the soreness completely. I am therefore enabled to speak highly of its merits. Yours truly,

LEVI H. YOUNG.

Having proved the efficacy of your medicine while suffering from Bronchitis, in April last, I am only too glad to append my sincere appreciation of your Liniment as a family medicine.

Yours, &c.,
ROBERT J. ANDREWS.

June 6, '73.

Abiel Lawson, Esq.: Dear Sir,—For a number of months I had been much troubled with Rheumatism, and tried many of the cures recommended, but could find no relief, till I got a bottle of your Liniment. A few applications have made a perfect cure. SAMUEL NEAVES.

ST. JOHN, N. B., June 2d, 1873.

For some time I have had Ague in the face, and could get no relief until I used Lawson's Rheumatic Liniment, which made a perfect cure. I would not be without it. H. CROSBY.

"Dear Sir.—I have for years suffered with periodical Neuralgia, and have tried nearly all of the remedies in use for this disease but without any lasting effect. About three months since I tried your Liniment, gaining immediate relief; and I am rejoiced to say that I have not since felt the touch of my old complaint. Your medicine deserves its success, and for general purposes I use no other, believing it the best in existence.

Yours truly, JOHN F. LAWSON.

St. John, N. B., June 6, 1873.

ST. JOHN, N. B., June 6th, 1873.

Mr. Abiel Lawson: Sir,—In May, 1872, I was so severely afflicted with acute Rheumatism as to be unable to use my right leg. Being advised to use your Liniment, I procured a bottle, and made *one* application, which had the effect of removing all pain and soreness in one night. I have not since been troubled with Rheumatism, and I consider your medicine superior to anything extant for cases of this kind.

Truly yours, GEO. R. RIGBY.

N. B.—I had previously used three or four different kinds of Liniment, neither of which gave any relief. G. R. R.

ST. JOHN, N. B., June 9th, 1874.

Mr. Abiel Lawson: Dear Sir,—Having just recovered from a most severe attack of Rheumatism, (from which I suffered for four weeks,) I feel bound to testify to the very gratifying effect of your Liniment, which has had the effect of removing the stress altogether. I may, therefore, say, that I fully believe your mixture the best remedy in use for similar cases.

I am, dear Sir, yours, very truly,

JAMES SWEENY.

ST. JOHN, N. B., June 9, '73.

Mr. A. Lawson: Sir,—Having experienced much distress from a strain which I received some time ago, I procured a bottle of your Liniment. I made four or five applications, which have entirely removed the soreness. My breast is now entirely well. Yours truly,

MOSES BELYEA.

Your Liniment has proved of great benefit to me, when applied for Rheumatism, and always gives satisfaction. FRANCIS QUIGLEY.

Abiel Lawson, Esq.: Dear Sir,—Having been troubled for some time Rheumatism, I was advised to try your Liniment. I soon found it to be all it was recommended. I advise all who are troubled in this way to try your Liniment.

Yours truly, THOS. TRUEMAN.

To A. Lawson: This is to certify that I have used Lawson's Liniment for different purposes, and consider it the best article in use of the kind, and can cheerfully recommend it to the public

A BACHELOR'S CONSOLATION.

A Romance of the Needle.

BY ROCKAFELLOW.

I.

In a snug little cot, not a thousand miles off,
Lived a lonely, contented old "bach,"
Who cooked his own grub and dined by himself,
And had no one to sew on a patch.

II.

With his cat, and his dog, and his little pet mouse,
Our hero, 'twas said, wanted nothing;
But needles were sharp, and would frequently stick,
So he oft went with holes in his clothing.

III

There no doubt were misses and maids quite near
Who would fly to relieve his distresses,
But he oft had declared he could never abide
The appearance of hoopskirts and dresses.

IV.

Now, this lucky old bachelor heard by a friend,
Or read in his morning journal,
Of the wonderful stitching of sewing machines,
And considered the matter nocturnal.

V.

Having fully determined to get a machine,
He spent a whole day in inspection,
For an hour or so would never suffice
To select from so large a collection.

VI.

For some thought the "Wheeler & Wilson" the best,
And others the "Wilcox & Gibbs,"
While others affirmed that the agents of both
Were too much inclined to tell fibs.

VII.

And a few for the "Florence" were ready to fight,
While most liked the "New Family Singer;"
Another one swore the "Osborne" was best,
The last one, I think, was a *shaker*.

VIII.

So first to the "Wheeler & Wilson" he went,
Where he found them making a shirt,
At the end of each seam they used needle and thread,
And by experience he knew they would hurt.

IX.

Then down to the agent of "Florence" he went,
And told him the part that was slack,
So the "Florence" a certain advantage had gained
By the feed that could make it sew back.

X.

But our Bachelor friend was dissatisfied still,
For the "Florence" so complicate seemed,
He feared the minutiæ might "get out of fix,"
And could never be wholly redeemed.

XI.

Then they told him another advantage they had
Over other machines in the West,
That *four different* stitches with it they could make,
And from *four* he might sure get the *best*.

XII.

Our hero replied, "What's the use of the *our!*
None of the stitches is *best*,
Why *that* is the right one to use *all the time*,
And what will you do with the rest?"

XII.

The "Howe" and the "Wilson" both vainly he tried,
The "Demestic" and "Osborne" as well,
But the "Howe" was too heavy, the "Wilson" too rash,
And the "Osborne" broke down on a fell.

XIV.

The "Finkle & Lyon" or "Victor" he tried,
The "Atna," "Blees," "Leavitt" and "Weed,"
Till worried and vexed with his fruitless research,
He scarce hoped in the end to succeed.

XV.

After trying in vain many other Machines,
Without any better success,
He called where the "Singer New Family" was kept,
And they quickly relieved his distress.

XVI.

For here half a dozen machines were engaged
In stitching of different sorts,
Which they did so complete, and with so little noise
He acknowledged the truth of reports.]

XVII.

In lightness of running, in stillness and speed,
In construction so simple, yet strong,
Sure none but the "New Family Singer" would vie,
Though he'd searched through the infinite throng.

XVIII.

Then the stitch was so neat, so elastic, so strong
That he vainly endeavored to break it,
And so many advantages in it combined
That he quickly decided to take it.

Election Cards.

To the Electors of King's County

GENTLEMEN:

The General Assembly having been dissolved you will shortly be called to elect representatives to serve you for another term in the Legislature.

The Convention which was lately held in this County to elect a Ticket favorable to the maintenance of a system of Free-non-sectarian Education, have chosen me as one of the Candidates. I have accepted the nomination and confidently rely upon the Ticket so selected, receiving your hearty approval.

Should I have the honor of being re-elected I shall again, as I have constantly done in the past, strive to perform satisfactorily the duties devolving upon your Representative.

Respectfully soliciting your support,

I remain,
Yours very truly,
J. H. CRAWFORD.

Hampton, King's County, May 20th, 1874.
(may 22 dtf w t elec)

To the Electors of the County of Kent.

GENTLEMEN:—

At the approaching election for the Local Assembly, I shall be a Candidate for your suffrages, and respectfully solicit your votes. In doing so, it is incumbent upon me to state my views upon the great questions which now agitate the public mind. Paramount among these is the question of provision by the State for the Free Non-Sectarian Education of the youth of our country. My principles are strictly EQUAL RIGHTS AND EQUAL PRIVILEGES TO ALL.

Believing, as I do, that the federal system, as applicable to the Lower Provinces, is both too expensive and too cumbersome, I shall, if elected, favor a Legislative Union of the Provinces of New Brunswick, Nova Scotia and Prince Edward Island. Could that be accomplished, as I believe it can, our constitutional rights would no longer be endangered. Pending the discussion of this question, which I venture to predict will largely occupy the attention of the new Assembly, I should advocate the immediate abolition of that effete institution—the Legislative Council, a branch of the Legislature which, in my opinion, while largely increasing the expenses of Legislation, secures to us in return no adequate benefits or advantages.

This, together with reform and economy in the administration of the departments, will be the platform in support of which I respectfully solicit your votes.

Assuring you that my best endeavors in all questions (if elected) will be to advance the best interests of our common country,

I am, gentlemen,
Yours, most respectfully,
C. RICHARDSON.

VINEGAR BITTERS

VEGETABLE — FREE FROM ALCOHOL

PURELY — DR. WALKER'S — CALIFORNIA

EUREKA

VINEGAR BITTERS

Dr. J. Walker's California Vinegar Bitters are a purely vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of VINEGAR BITTERS?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of VINEGAR BITTERS in healing the sick of every disease man is heir to. They are a gentle Purgative as well as a Tonic, relieving Congestion or Inflammation of the Liver and Visceral Organs, in Bilious Diseases.

The properties of DR. WALKER'S VINEGAR BITTERS are Aperient, Diaphoretic, Carminative, Nutritious, Laxative, Diuretic, Sedative, Counter-Irritant, Sudorific, Alterative, and Anti-Bilious.

Grateful Thousands proclaim VINEGAR BITTERS the most wonderful Invigorant that ever sustained the sinking system.

No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and vital organs wasted beyond repair.

Bilious, Remittent and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to DR. J. WALKER'S VINEGAR BITTERS, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Fortify the body against disease by purifying all its fluids with VINEGAR BITTERS. No epidemic can take hold of a system thus fore-armed.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia. One bottle will prove a better guarantee of its merits than a lengthy advertisement.

Scrofula, or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled Neck, Goitre, Scrofulous Inflammations, Indolent Inflammations, Mercurial Affections, Old Sores, Eruptions of the Skin, Sore Eyes, etc. In these, as in all other constitutional Diseases, WALKER'S VINEGAR BITTERS have shown their great curative powers in the most obstinate and intractable cases.

For Inflammatory and Chronic Rheumatism, Gout, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have no equal. Such Diseases are caused by Vitiated Blood.

Mechanical Diseases.—Persons engaged in Paints and Minerals, such as Plumbers, Type-setters, Gold-beaters, and Miners, as they advance in life, are subject to paralysis of the Bowels. To guard against this, take a dose of WALKER'S VINEGAR BITTERS occasionally.

For Skin Diseases, Eruptions, Tetter, Salt-Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-worms, Scald-head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters.

Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. No system of medicine, no vermifuges, no anthelmintics will free the system from worms like these Bitters.

For Female Complaints, in young or old, married or single, at the dawn of womanhood, or the turn of life, these Tonic Bitters display so decided an influence that improvement is soon perceptible.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.
