Coffee, which nutritious gifts bestow,
And sees thro' all things with his half shut eyes.

THE VALUABLE PROPERTIES OF COFFEE.—*Lord Bacon says,* "It comforteth the brain, and helpeth the digestion." Many other writers, both French and English, describe its valuable properties. They say it relieves headache; and Doctor *Parrot*, in his Lectures on Botany, says, "Those persons who regularly drink Coffee, can never be subject to putrid fevers; in fact, a cup of Good COFFEE exhilirates the mental and bodily faculties, and nothing can be more refreshing to the man who studies, or the laborious mechanic."

Admitting that the important qualities described in the above quotations are contained in *Good Coffee*, it is then of paramount importance to the public of Canada to know where they can obtain the article in the most pure and best prepared state, and as there can be no doubt that to procure the ESSENCE of COFFEE in the highest state of perfection, the Berry must be carefully roasted and ground. SAMUEL CUCHLAN begs to direct the attention of the Public to the process adopted by him for the Roasting and Grinding of Coffee.

S. C. ROASTS his Coffee by STEAM, by which is acquired a deliciousness which before was much needed by the COFFEE-DRINKER. No taint from smoke; a perfect evenness of roast; a peculiar cleanliness in the operation; and, what constitutes the complete success of this process, the entire preservation of the AROMA, in which the strength, fragrance, and flavour of the Berry are concentrated. Prices 1s., 1s. 3d., and 1s. 6d. per lb.

Also, TEAS in all varieties, in quality and prices, a few of which are subjoined, which must meet the views of the most economical housekeeper:—

To enumerate nearly fifty varieties would be needless, or to insist upon the superiority of these Teas over ALL others in this market, would be only to repeat a fact long since universally admitted; the importer will, therefore, rest satisfied with the proved eminence to which public opinion has raised him, and trusts his high position thus honorably attained will be considered the best guarantee for the continued superiority of those articles.

## GREAT ENGLISH REMEDY!!!—THE MOST VALUABLE SPRING AND SUMMER MEDICINE IN THE WORLD!

HALSEY'S FOREST WINE!

*Patronized by the Nobility and Medical Faculty of England, and extended the most extraordinary Medicine of the Age.*

MEDICINES containing Mercury or Liquorice, like the boasted Sarsaparillas, require many large bottles to produce the slightest change in health. The *Forest Wine* is altogether a different article. It contains no Syrups to give it consistency, but requires the excellent flavor and powerful medicinal qualities from the vegetable plants of which it is composed. The *Forest Wine* combines the virtues of the

WILD CHERRY, DANDELION, YELLOW DOCK, and SARSAPARILLA

With other valuable Plants whose properties are still more powerful.

Its high concentration renders it one of the most efficient Medicines now in use. Less than a single bottle restores the lingering Patient from weakness, debility, and sickness, to strong and vigorous health. Every dose shows its good effects on the constitution, and improves the state of the health. The *Forest Wine* is recommended, in the strongest terms, for all complaints of the

## SAVED FROM DEATH!!

*Testimony of Mr. NATHAN MATHEWS, a highly respectable and wealthy citizen of Newark, N. J.*

DR. G. W. HALSEY:—I believe your Forest Wine and Pills have been the means of saving my life. When I commenced taking them, I laid at the point of death, with Dropsy, Piles, and Asthma. My Physicians had given me over as past cure, and my family had lost all hope of my recovery. While in this dreadful situation, your Forest Wine and Pills were procured for me, and before I has finished the first bottle of the Wine, and box of Pills, I experienced great relief; my body and limbs, which were greatly swollen, became sensibly reduced. Hopes of my recovery began now to revive, and after continuing the use of your medicines for about a month, the Piles and Asthma were completely cured. The Dropsy, with which my life was placed in such great danger, was also nearly gone. I have continued the use of your Medicines until the present time, and I now enjoy as perfect health as ever I [illegible] my life, although I am more than sixty years of age.

I ascribe my recovery entirely to the use of your excellent Medicines. Several of my neighbors have also used them with similar success in obstinate complaints, and I can cheerfully recommend them to the public.

Yours, respectfully,
Newark, Dec. 19, 1847. N. MATHEWS.

## GREAT CURE OF LIVER COMPLAINT OF TEN YEARS STANDING!!

NEW YORK, Jan. 9, 1848.

DR. HALSEY—DEAR SIR:—Having taken your Forest Wine and Pills to remove a disease of the Liver, from which I have suffered severely for upwards of ten years; and, having adhered closely to the directions which accompany the Medicines, I truly recovered my health, notwithstanding all who knew me thought my case incurable. Previous to taking the Wine and Pills, I had recourse to the best medical treatment, but continued to grow worse to an alarming degree. Some of my friends spoke despairingly of my case, and tried to persuade me from making use of any advertised remedies; and, I doubt not, but that there are hundreds who are deluded from taking your excellent Medicines, in consequence of the deception and inefficiency of many advertised remedies put forth by unprincipled men, in flaming advertisements. But, what a pity it is that the deception used by others should be the means of disuading many laboring under disease, from making trial and being cured by your excellent remedies. Humanly speaking, they have saved my life; when I commenced making use of them, I was in a wretched condition, but began to experience their good effects in less than three days; and, in six weeks from the time I purchased the Medicines, to the great surprise of all my friends, I was entirely well, and had increased fifteen pounds in weight, having taken one box of the Pills and two bottles of the Wine. Would to God that every poor sufferer would avail himself of the same remedies!

Yours, &c., JAMES WILSON.

Dr. David Marvin, celebrated Practitioner of New York, declared publicly, that one bottle of Halsey's Forest Wine contained more virtues than fifty of the large bottles of Sarsaparilla. Messrs. S. S. Lampman & Co., the largest and most respectable Druggists in Syracuse, in a letter, says:—"From what they have heard and seen of Halsey's Forest Wine, it is an excellent and good Medicine, and will, undoubtedly, become the leading Medicine of the day." Dr. Mott, of New York, also subscribes to the virtues of Halsey's Forest Wine, by recommending it to many of his Patients.

## Still the Forest is the Best Medical School!!

*That prolific source which exposes the human frame to the infection and virulence of all diseases, proceeds directly or indirectly from a disordered state of the System caused by Impure Blood, Bilious and Morbid condition of the Stomach and Bowels.*

## DR. HALSEY'S GUM-COATED FOREST PILLS,

*(A Sarsaparilla preparation of unexampled efficacy.)*

These Pills are prepared from the best Sarsaparilla, combined with other Vegetable properties of the highest Medicinal virtue. They are warranted not to contain any Mercury or Mineral whatever. They purge without griping, nauseating, or weakening; can be taken at any time without hinderance from business, change of diet or danger of taking cold. They neither have the taste or smell of medicine, and are five times more effectual in the cure of diseases than any Pills in use.

But a short time has elapsed since these great and good Pills were first made known to the Public, yet thousands have already experienced their good effects. Invalids given over by their Physicians to linger, have found relief, and been restored to sound and vigorous health from their use.

TO FATHERS OF FAMILIES.

Bile and foul state of the stomach occasions more sickness and deaths in families than all other causes of disease put together. Sometimes whole families are taken down by malignant Fevers, Fever and Ague, and other dangerous disorders, all proceeding from a bilious and foul state of the stomach. No parent can in ignorance excuse to have the great danger attending from biliousness—no parent would be guilty of causing the

DEATH OF THEIR OWN CHILDREN!!!

Yet thousands of children and adults die every year through neglect of parents to attend to the early symptoms of bile and foul stomach.

Superfluity of bile may always be known by some unfavorable symptom which it produces, such as sick stomach, headache, loss of appetite, bitter taste in the mouth, yellow tint of the skin, languidness, costiveness, or other symptoms of a similar nature. Almost every person are at times bilious, the neglect of which is sure to bring on some dangerous disorder, frequently terminating in death. A single 25 cent box of Dr. Halsey's Gum-coated Forest Pills, are sufficient to keep a whole family from bilious attacks and sickness from six months to a year. A single dose, from 1 to 3 of these mild and excellent Pills for a child; from 3 to 4 for an adult, and from 5 to 6 for a grown person, carry off all bilious and morbid matter, and restore the stomach and bowels, curing and preventing all manner of bilious attacks, and many other disorders.

SALTS AND CASTOR OIL.

No reliance can be placed on Salts or Castor Oil. These, as well as all common purgatives, pass off without touching the bile, leaving the bowels costive, and the stomach in as bad condition as before. Dr. Halsey's Forest Pills act on the gall ducts, and carry all morbid bilious matter from the stomach and bowels, leaving the system strong and buoyant, and clear, producing permanent good health.

Dr. Halsey's Forest Pills are unlike all others. They act directly on those vital organs of the Stomach, Liver, Kidneys, &c., which secrete the fluids of the body, and separate the impurities from the blood. While they purge all bil ous and morbid matter from the stomach and bowels, they do not weaken the blood, but destroy the seeds of disease. The Forest Pills do not weaken, but give strength and animation to both body and mind. They seldom cause griping or any inconvenience whatever, and the patient is better able to attend to business while under their influence than before taking them. They are mild in operation, yet powerful in restoring health.

The great amount of good these Pills have done for the sick and afflicted, have induced thousands to commend them to their friends and the public. Individuals of worth and integrity in almost every part of the country, have testified to the world in favor of their great efficacy in curing disease.

Never has any remedy had more real skin and stronger proofs of its good qualities than Dr. Halsey's Forest Pills.

Testimonial after testimonial, showing their great powers of curing in almost every class of disease, have been tendered to us by individuals of undoubted character and respectability. The following testimony is from a respectable and wealthy farmer residing near Utica, New York:—

UTICA, November 9, 1848.

DR. G. W. HALSEY,—

Every Fall, for several years back, I have had much sickness in my family of bilious disorders, and Ague and Fever. In the Fall of 1848, two of my sons were taken at the same time with bilious fever. In former seasons, when sickness occurred in my family, I had always employed a physician; but at this time having two boxes of your Forest Pills in the house, I concluded to try them. I gave to each of them six Pills, and four hours after I gave them three Pills more. They soon operated, bringing away much black and green matter. On the following day, the fever had left them, and they both recovered without any more medicine. Since that time, I have always kept your Pills at hand, and in all cases of sickness we have used them with the most happy results.

(Signed,) IRA S. GOODHOE.

NOTICE TO THE PUBLIC.

In 1845, Dr. Halsey's Pills were first made known to the public, under the denomination of "Halsey's Sugar Coated Pills." Their excellent qualities soon gained for them a high reputation, and the sale of many thousand boxes. This great success excited the avarice of designing men, who commenced the manufacture of common Pills, which they coated with Sugar, to give them the outward appearance of Dr. Halsey's, in order to sell them under the good will Dr. Halsey's Pills had gained by curing thousands of diseases.

The public are now most respectfully notified that Dr. Halsey's genuine Pills will henceforth be coated with

GUM ARABIC.

An article which, in every respect, supercedes Sugar both on account of its healing virtues, and its durability of a superiority of this improvement is thus given. For the invention of which, Dr. Halsey has been awarded the only patent ever granted on Pills by the Government of the United States of America.

The Gum-Coated Forest Pills present a beautiful, transparent, glossy appearance. The mild healing, wholesome qualities of pure Gum Arabic with which they are coated, renders them still better than Dr. Halsey's Sugar-Coated Pills. The Gum-Coated Pills are never liable to injury from dampness, but remain the same, retaining all their virtues to an indefinite period of time, and are perfectly free from the disagreeable and nauseating taste of Medicine. In order to avoid all impositions, and to obtain Dr. Halsey's true and genuine Pills, see that the label of each box bears the signature of G. W. HALSEY.

READER!!! If you wish to be cure of a Medicine which does not contain that lurking poison, Calomel or Mercury, purchase Halsey's Gum-Coated Forest Pills, and avoid all others.

If you desire a mild and gentle purgative, which neither nauseates or gives rise to griping, seek for Halsey's Pills.

If you would have the most concentrated, as well as the best compound SARSAPARILLA EXTRACT in the world for purifying the blood, obtain Dr. Halsey's Pills.

If you do not wish to fall a victim to a dangerous illness, and be subject to a Physician's bill of 30 or 50 dollars, take a dose of Dr. Halsey's Pills as soon as unfavorable symptoms are experienced.

If you would have a Medicine which does not leave the bowels costive, but gives strength instead of weakness, procure Halsey's Pills, and avoid Salts and Castor Oil, and all common purgatives.

Parents, if you wish your families to continue in good health, keep a box of Halsey's Pills in your house.

Ladies, Dr Halsey's Pills are mild and perfectly harmless, and well adapted to the peculiar delicacy of your constitution. Procure them.

Travellers and Mariners, before undertaking long voyages, provide yourselves with Dr. Halsey's Pills, as a safeguard against sickness.

## Plantagenet Water.

The following testimonials have been handed to us for publication:—

MONTREAL, February 12, 1850.

SIR,—It is now nearly ten months since I commenced using the Plantagenet Waters in my practice, and I have now to state, that the high expectations I then formed of them, from the publication of Hunt's Analysis, have been fully confirmed by my experience of their beneficial effects.

I have found them a most agreeable and efficacious mild laxative, and their continued use seems to answer the purposes of a tonic, by improving the digestive powers and increasing the appetite.

I remain, Sir, your obedient servant,
GEORGE W. CAMPBELL, M. D.,
Lecturer of Surgery, McGill College, Montreal.

To Mr. Larocque.

MONTREAL, March 20, 1850.

I have recommended the "Plantagenet Water" to a great number of my patients, and have found it to act as a gentle aperient—a small quantity producing that effect in many constitutions, and this I consider a very great advantage.

H. L. MACDONNELL, M. D.,
Lecturer on Clinical Medicine, McGill College.

I, the Mayor of the City of Montreal, in Canada, certify and attest, as being within my own knowledge, the facts hereinafter mentioned:—

1. The physicians who have given certificates setting forth the virtues of the Plantagenet Waters are well known to me, as eminent in large practice, and occupying a distinguished rank among the members of the Profession.

2. On my own behalf, I may say that I have used the Plantagenet Water, and found it to be a delicious beverage during the intense summer heats. I have often preferred this natural fluid to the Soda Waters and refreshing Syrups commonly used in hot climates.

I think myself fortunate in being able to add my testimonial to that of the physicians of this city, and confidently recommend to the public the use of the Plantagenet Mineral Waters. In doing so, I believe that I fulfil a duty imposed on all good citizens, that of assisting in the maintenance of the public health.

## ANALYSIS OF THE ST. LEON WATER.

I HAVE submitted to analysis the Water from the Source of St. Leon, and find it to be strongly saline. It contains chloride of sodium in large quantity, with magnesia and lime, partly as carbonates, dissolved by excess of carbonic acid, and partly as chloride. Like most of the other saline waters of the country, it contains bromine and iodine; in addition to which, I have detected, in small quantities, salts of baryte and strontia which had hitherto been met with only in the Waters of Varennes. In its general characters, it is allied to the Source of Caxton, Plantagenet, and the Intermittent of Caledonia.

The contents of one pound of 7000 grains, as calculated from my analysis, are as follows:—

URQUHART'S
*CONCENTRATED COMPOUND DECOCTION,*
OR FLUID EXTRACT OF
JAMAICA SARSAPARILLA,
As ordered by the
*Pharmacopœa of London College of Physicians.*
PREPARED BY
ALEXANDER URQUHART,
AT THE
Medical Hall, 7, Great St. James' Street.

THIS Valuable Preparation has been before the public for many years, during which time it has been extensively used, and has proved eminently successful in all those diseases in which this medicine is prescribed. It is considered by Physicians of the present day the very best medicine for re-establishing the constitution after it has undergone the effects of Mercury. In Chronic Rheumatism, the most marked effects have been produced by the use of Sarsaparilla; and its continued use is often attended with improvement of appetite and digestion, increase of strength, the production of a more healthy state of mind, and the palliation, or, in some cases, complete disappearance of various morbid symptoms, as Eruptions, Ulcerations, pains of a Rheumatic character, &c., &c.

Dr. McCulloch, Campbell, McDonell, and Fraser, who have extensively used it in their practice, have kindly recommended the Proprietor with the following Certificates:—

ALEX. URQUHART, Esq.:—DEAR SIR,—I have much pleasure in bearing testimony to the faithful manner in which you prepare your Fluid Extract of the Compound Decoction of Sarsaparilla. This I am enabled to do, on account of several of my patients having derived the greatest benefit from its use.

For Constitutional Syphilis and Chronic Rheumatism, I have prescribed it with the most marked effects, I can, therefore, without the least hesitation, recommend your Fluid Extract of the Compound Decoction of Sarsaparilla, as the Compound Decoction, while it is at the same time more palatable, and less liable to weaken the Stomach.

Your most obedient servant,
W. FRASER, M. D.
Lecturer on Medical Jurisprudence, McGill College.

Montreal, 9th February, 1847.

MONTREAL, February 10th, 1847.

I beg to certify, that I have employed very extensively the "Fluid Extract of Sarsaparilla," made by Mr. URQUHART, in all those diseases in which that Medicine is usually prescribed, and that I have found it a most valuable preparation. Long, moreover, state, from personal investigation, that the proprietor employs none but the purest ingredients, and bestows the greatest care and attention upon the mode of preparing this remedy.

BARRY MACDONELL, M. D.
Lecturer Institutes of Medicine, McGill College,
Physician to the Montreal General Hospital.

Mr. URQUHART's Sarsaparilla is the only preparation of this valuable Medicine that I can, with entire confidence, recommend to my patients.

H. McCULLOCH, M. D.

Montreal, 10th February, 1847.

DEAR SIR,—I have frequently prescribed your Fluid Extract of Sarsaparilla, and I have no hesitation in recommending it as a very elegant and convenient form for administering that Medicine.

Yours very truly,
GEO. W. CAMPBELL.

PROFESSOR BARRY'S TRICOPHEROUS OR MEDICATED COMPOUND—Infallible for renewing, invigorating, and beautifying the Hair, removing Scurf, Dandruff, and all affections of the Scalp, and curing Irritations on the Skin, Diseases of the Glands, Muscles and Ligaments, and relieving Stings, Cuts, Bruises, Sprains, &c., &c. With this preparation "there is no such word as fail." The first journals in America, medical men of the highest eminence, prominent citizens of all professions, and ladies who have used it for years in their dressing-rooms and nurseries, admit, with one accord, that for imparting vigor, giving tone, nourishment, and curl to the hair, eradicating scurf and dandruff, healing wounds, curing contusions, sprains, stings, &c., and relieving diseases of the skin, the glands and the muscles, it has no equal among the multitude of compounds advertised in the public prints, or used in private practice. Its cheapness as well as efficacy, BARRY'S TRICOPHEROUS is universalized. The immense sale of the article have enabled the inventor to supply it at retail at twenty-five cents per bottle, which is from fifty to one hundred per cent less than the price of any other preparation for the same purpose. The scientific treatise on the Hair and the Skin, (embracing valuable directions for the culture and preservation of Nature's choicest ornament,) in which each bottle is enclosed, is alone worth the money.

The space between the membranes which constitute the skin, and the hair which draws its sustenance from underneath the effects of Barry's Tricopherous, is so minute, the most marked effects have been produced by the use of Sarsaparilla; and its continued use is often attended with improvement of appetite and digestion, increase of strength, the production of a more healthy state of mind, and the palliation, or, in some cases, complete disappearance of various morbid symptoms, as Eruptions, Ulcerations, pains of a Rheumatic character, &c., &c.

Dr. McCulloch, Campbell, McDonell, and Fraser, who have extensively used it in their practice, have kindly recommended the Proprietor with the following Certificates:—

ALEX. URQUHART, Esq.:—DEAR SIR,—I have much pleasure in bearing testimony to the faithful manner in which you prepare your Fluid Extract of the Compound Decoction of Sarsaparilla. This I am enabled to do, on account of several of my patients having derived the greatest benefit from its use.

For Constitutional Syphilis and Chronic Rheumatism, I have prescribed it with the most marked effects, I can, therefore, without the least hesitation, recommend your Fluid Extract of the Compound Decoction of Sarsaparilla, as the Compound Decoction, while it is at the same time more palatable, and less liable to weaken the Stomach.

Your most obedient servant,
W. FRASER, M. D.
Lecturer on Medical Jurisprudence, McGill College.

MONTREAL, February 10th, 1847.

I beg to certify, that I have employed very extensively the "Fluid Extract of Sarsaparilla," made by Mr. URQUHART, in all those diseases in which that Medicine is usually prescribed, and that I have found it a most valuable preparation. Long, moreover, state, from personal investigation, that the proprietor employs none but the purest ingredients, and bestows the greatest care and attention upon the mode of preparing this remedy.
