DYSPEPSIA.

There is no disease which experience has so amply proved to be remediable by the

PERUVIAN SYRUP,

(a protected solution of the Protoxide of Iron), as Dyspepsia. The most inveterate forms of this disease have been completely cured by this medicine, as ample testimony of some of our first citizens proves.

From the venerable Archdeacon Scott, D. D.:

Dunham, C. E., "I am an inveterate Dyspeptic of more than 25 years standing. I have been so wonderfully benefitted in the three short weeks during which I have used the Peruvian Syrup, that I can scarcely persuade myself of the reality. Persons who have known me are astonished at the change. I am widely known, and can but recommend to others that which has done so much for me."

Another clergyman writes as follows:—My voyage to Europe has been indefinitely postponed.—I have discovered the "Fountain of Health" on this side of the Atlantic. Three bottles of Peruvian Syrup have rescued me from the fangs of the fiend Dyspepsia.

☞ A pamphlet of 32 pages containing a history of this remarkable remedy, with a treatise on "Iron as a medicine," will be sent free to any address. The genuine has "Peruvian Syrup" blown in the glass.

GREAT POWERS

SO IT IS WITH

PREST & HEPBURN

In the leather war now going on between their opponents on the south side of Wyndham-st.

WE do not believe in bosh and humbug, but deal with facts, and leave the verdict in the hands of the intelligent people of Wellington. We are prepared to prove, and we positively affirm, notwithstanding all the puffing and blowing which has become the order of the day, that PREST & HEPBURN, Wyndham Street, Guelph, manufacture more

BOOTS AND SHOES

And employ double the number of Workmen of any other establishment in the County of Wellington. We invite the public to call and look through our Factory, and they will be convinced that we are telling the truth, and nothing but the truth.

A great deal has been said for and against machine made Boots and Shoes. Now we believe, and we are confident that every well-balanced mind in Wellington will agree with us, that the less machinery used in manufacturing Boots and Shoes the better. All our staple Boots and Shoes are made by hand, which must be admitted is far superior to any machine made goods. We have now on hand the largest and best assortment of Boots and Shoes ever offered to the people of Wellington, which we will sell as cheap as the cheapest.

Remember that our work is warranted, and no second price. Repairs done as usual.
