WAR WILL AID FISH INDUSTRY.

(Special Correspondence.)

HALIFAX, N.S., Sept. 6.—With meat prices soaring skywards, a splendid market is opening for fish of all kinds. The people of Canada are realizing the economical value of fish as a food, and very shortly there is bound to be a great demand, provided there is no increase in the prices, at least in the proportion in which other lines have gone up. Salt and pickled fish will have a rise, as the salt used, being imported from Britain and Italy, has already risen in price, but smoked and canned fish will remain the same as before. A local fish dealer said speaking on this subject: "As long as we have the ready money to pay the fishermen, and as long as the banks will have enough faith in the fish business to back us up, we will not raise the prices of fish, that is fresh, smoked and canned fish, to the consumer. The export business in salt fish will be different. We have to pay more for salt and as we have to depend on Europe, the West Indies and Brazil for our market we have several difficulties to contend with in the way of insuring our cargoes and getting our money. With the competition in European sardines, salt mackerel, herring and other lines practically stopped the Maritime fishermen and dealers have the whole fish business in their own hands. We can get the fish right in our own waters—plenty of them—and the public will not be long realizing that they will have to get more fish to live at all in these days of rapidly advancing food prices."

CAPTURED GERMAN FLAG.

Canadian Press Despatch.

BORDEAUX, via Paris, Sept. 7.—An official announcement says that in a recent combat two soldiers of the 137th Infantry captured the flag of the 28th Regiment of German Infantry, whose colonel was also made prisoner. As a recompense President Poincare has signed a decree conferring the cross of the Legion of Honor on the flag of the 137th Regiment.

SERVIA CAN PROVE VICTORIES.

GENEVA, via Paris, Sept. 7.—Austria having denied the announced Servian successes, Nikola Pachitch, the foreign minister, telegraphed the Servian consul at Geneva Sunday inviting two members of the British press to come to Servia at Servia's expense to verify the victories.

LOWER PRICES AT MONTREAL YARDS

Butchers' Stock Was Freely Supplied—Buying Power Seemed Limited.

MONTREAL, Sept. 7.—At the Montreal Stock Yards west end market a weaker feeling prevailed, and prices were fully 25c per 100 pounds lower than last Monday for butchers' stock, which was attributed to the increased offerings and the somewhat limited demand, as packers in most cases had carried over fair supplies of dressed beef from last week. Trade was rather slow, even at the lower range, and demand was principally for good to choice steers, of which a few loads changed hands at $8.50 to $8.75, and the good stock at $8 to $8.25. Some choice butchers' cows went at $7.25 to $7.50 per 100 pounds. There was also a weaker feeling in the market for canning stock, and prices declined 10c to 25c per 100 pounds. Demand was not so keen, but a fair trade was done at $5.50 to $5.75 for bulls, and cows at $3.75 to $4.25 per 100 pounds.

The market for hogs was unchanged from last week. The prospects are that values will remain firm, owing to the fact that there is a good export trade now doing in Canadian bacon at profitable prices.

The tone of the market for sheep and lambs was easy, but there was no further change to note in prices. Offerings were large, but the demand was only fair.

The trade in calves was fairly active, with sales of choice milk-fed stock at 9c, and of grass-fed at 7c to 8c per pound, live weight.

Butchers' cattle, choice, $8.50 to $8.75; do., medium, $6.75 to $7.75; do., common, $5.50 to $6; canners, $3.75 to $5.50; butchers' cattle, choice cows, $7.25 to $7.50; do., medium, $6.25 to $6.50; do., bulls, $5.75 to $7.50; milkers, choice, each, $80 to $85; do., common and medium, each, $70 to $75; springers, $55 to $65.

Sheep, ewes, $4.75 to $5; bucks and culls, $4.25 to $4.50.

Hogs, off cars, $10.40.

Calves, $5 to $20.

AGED GERMANS CALLED TO WAR

Apparently Every Man Able to Carry a Rifle Has Been Summoned

Canadian Press Despatch.

LONDON, Sept. 7.—A despatch to The Times from Ostend reports that arrivals from Brussels state that many of the landsturm troops, drilling daily, are men with white hair, which, the correspondent says, shows that Germany has called up every man able to bear a rifle. Similar statements are made by those who have seen German soldiers proceeding north to Antwerp.

The Germans have placed siege guns around Brussels. These are of heavy calibre and are sunk in concrete.

"I learn from a sure source," The Times' Ostend correspondent continues, "that Emperor William was at Brussels Wednesday evening, staying at the Hotel Bellevue the same night. He appointed Gen. Von Luttwitz governor of Belgium.

"Crown Prince Frederick William gave a banquet at the royal palace at Laeken Wednesday evening."

RUSSIANS SURROUND A FORTIFIED TOWN

Canadian Press Despatch.

ROME, via Paris, Sept. 7.—A Russian official report received here says that their troops are gradually surrounding Przemzyl, a strong fortified town in Galicia, 51 miles from Lemberg, and that it will soon be surrounded or taken by storm. Unofficial news which has reached here states that the Austrians still continue their fight southwest of Lemberg.

HEAVY GUNS SECURED FOR DEFENCE OF PARIS

Canadian Press Despatch.

LONDON, Sept. 7.—(8.20 a.m.)—The correspondent of The Daily News in Paris, in a despatch under Saturday's date, says he understands heavy guns from Calais, Boulogne and Cherbourg have been brought up to reinforce the defence of Paris.

Twenty-five thousand marine fusiliers, he states, marched thru the city in the small hours yesterday morning.

AUSTRIANS SHOOT ITALIANS.

LONDON, Sept. 7, 2.33 p.m.—In a despatch from Rome the correspondent of The London Standard says that several Italians have been arrested and shot just over the frontier in the Austrian Province of Istria. They were accused of trying to foment rebellion among the Italian inhabitants of that province against Austria, and they were executed without trial.

OFFERINGS QUITE FREE

Best Steers and Heifers Quickly Bought—Top Price Nine Dollars

Receipts of live stock at the Union Stock Yards yesterday were 140 cars—2249 cattle, 1936 hogs, 851 sheep and lambs and 396 calves.

It will be seen by the sales given that there were a few cattle sold at $9; but, as usual lately, the bulk of those on sale were of common and medium quality.

Trade was quite active, considering that it was a holiday and prices were steady, but firm.

There was one buyer from Montreal, but he said prices were too high for him to do any business.

In all the different classes of live stock there was little change in prices, excepting for hogs, which were 25c per cwt. lower than at the close of last week.

Butchers' Cattle.

Choice heavy steers by the load sold at $8.60 to $9; loads of good, $8.25 to $8.50; medium to good, $7.75 to $8.15; medium, $7.50 to $7.75; common to medium, $7.25 to $7.50; inferior heifers, $6.50 to $7; choice cows, $6.75 to $7; good cows, $6.25 to $6.50; medium cows, $5.75 to $6; common cows, $3 to $4.50; choice bulls, $6.75 to $7.50; common bulls, $5 to $6.25.

Stockers and Feeders.

Choice steers, 800 to 900 lbs., are selling at $7.50 to $7.75; good steers, 600 to 700 lbs., at $6.75 to $7.25; stockers, $5.50 to $6.50.

Milkers and Springers.

A few milkers and springers were offered. Prices for them were unchanged at from $50 to $90 each, the bulk going at $65 to $75.

Veal Calves.

Receipts moderate and values practically unchanged. Choice veal calves, $10 to $10.50; good, $8.50 to $9.50; medium, $7.50 to $8.50; common, $6.50 to $7.50; inferior at $5.50 to $6.50.

Sheep and Lambs.

Sheep, ewes, sold at $5.50 to $6.25; yearlings, $6.50 to $7; heavy ewes and rams, $4 to $5; lambs, $8 to $8.25, with a few choice at $8.50, the bulk going at $8.25; culls, $6.50 to $7.50.

Hogs.

There were 1936 hogs reported, but out of these there were 1200 shipped direct to the Swift Canadian Company, from the northwest. Prices were lower, and should there be many more come from the northwest provinces prices will likely go lower still. Selects fed and watered, sold at $9.75, and $9.40 f.o.b. cars, and $10 weighed off cars.
