UP TO CLOSE AT WOODBINE

3 FAVORITES ON FRIDAY

Reticent, 8—5, Little Woods, 8—5, Chatelaine, 6—5, Benckart, 7—10, The Don, 5—1, Justice, 8—5.

The twelfth day at Woodbine Park found ideal weather and a fine Friday attendance, the regulars of both sexes being augmented by many that had been kept away by the recent rains. The track was still muddy, but the fields averaged up a good size.

Three favorites, Reticent, Chatelaine and Benckart, two strongly played second choices, Little Woods and Justice, and The Don, at 5 to 1, were the winners. The beaten choices were Lerida and Dr. Gurnsey, each finishing fourth, and Malakoff second to Justice in the closing event. It was the only day of the meeting without a steeplechase on the card.

Business in the ring was brisk on every race, and as all the winners were well backed the public must have had its best day of the meeting.

Wonderly was the winning jockey, landing the first and third events on the favorites.

In only the third race was the finish close, Alpaca forcing The Don to the limit. Gold Cockade beat the strongly played Dr. Gurnsey for the show. Ohnet, that looked full of hops, and was backed three ways, ran away four times round before the race, which was the run his backers had for their money.

Play Ball and Little Boy, scratched in the fourth, that was a gallop for Benckart, tho Burdette showed the way for three-quarters. The bulk of the play was on the winner, the other three receiving principally place support. Finnegan claimed a foul on J. Walsh for crowding, but it was not allowed.

Reticent, Bath Beach and Loch Goil were backed as they finished in the opening event.

Lerida and Golden Monk, trained by H. F. Meyer, were coupled in the betting and started favorite in the second race, but the early pace killed the best. Little Woods, that was judiciously played, won easily. The long shoots, Sans Coeur and Gig Lamps, ran second and third.

Chatelaine was never troubled in the third, being always in front and finishing with a lot to spare, again two long shots finishing inside the money. Conspiracy, Nesto and Violent had considerable support.

Now it is up to closing day, with fine weather promised and a splendidly fielded card of seven races, including three features, the Dominion and Waterloo Handicaps and the Street Railway Steeplechase.

Travis Won Golf Championship.

London, June 3.—The American golf champion, Walter J. Travis, to-day acquired the title of amateur champion of Great Britain, on the links at Sandwich, where he defeated E. D. Blackwell, a representative of the Royal and Ancient Club, by four up and three to play.

The sky was overcast, with occasional flurries of rain and a stiff, raw wind from the northwest, which, however, appeared to have little effect on Travis' driving, while his approach work and putting maintained the wonderful accuracy which characterized his game thruout the tournament.

Altho the sympathies of the gallery of 500 persons were with Blackwell, they could not refrain from applause at Travis' brilliant game, and the American's superiority over the Scotchman was admitted. The best feeling was manifested on both sides and the winner was heartily cheered. The only breach of the highest sportsmanship occurred during the afternoon, when a few spectators applauded Travis' failure in putting at the third hole. This offence was instantly hissed by the majority of those present. As a general thing the American's brilliant game elicited bursts of applause at almost every hole.

Blackwell, after the match, said to a representative of the Associated Press: "Travis is a great golfer. He deserved to win. I was a trifle off my game during the morning and lost several holes I ought to have won. The strain told on me."

Travis must defend the championship on this side next year. The Prestwick, Ayrshire, green has been selected for the contest.
