GOSSIP OF THE BALL PLAYERS.

Baltimore Secures Outfielders Hall of New York and Bates of Boston.

Baltimore, April 10.—Outfielder Hall arrived in town this morning for a heart-to-heart talk with Manager Hugh Jennings. He is not exactly satisfied with the terms offered by Baltimore, but it is expected that things will be all right when Manager Jennings talks to him.

Outfielder Hall may soon be Infielder Hall, for Manager Hugh is seriously disposed to place him in the Oriole infield. Hall played several infield positions—third, second and short—for New York, and is considered as much at home in any one of those positions as in the outfield. In fact, he is a first-rate general utility man.

The reason for considering the sudden switch is that Manager Tenny of the Boston Nationals offered Manager Jennings on Saturday the use of Bates of the Beaneaters, and Bates is a corking good outfielder. Bates will be dropped over here as the Beaneaters go thru without stopping, on account of the rain. He is said to be a fine left-handed batter, a fast outfielder and base-runner. He is so good that Tenny does not want to lose sight of him, and he will only be allowed to stay here thru this season. Hall is also a left-handed batter.

It was decided that all postponed games should be played after the conclusion of the regular schedule. The league is open to receive applications for the position of umpire. Communicate with the secretary, J. S. Gagan, 28 Sully-crescent.

Elora Baseball Club.

Elora, March 10.—At a large and enthusiastic meeting to-night the Elora Baseball Club was organized. A lot of new players have recently been installed, and the club should make a good showing during the coming season. Following officers were appointed: Hon. presidents, U. Richards and Dr. Robertson; president, John McGowan, jr.; vice-president, Chas. Sachs; captain, Dr. J. R. McGregor; secretary-treasurer, J. F. Mutrie; managing committee, J. L. Potter, J. F. Mutrie, A. M. Vallery, J. R. McGregor, N. MacMurchy.

Baseball Brevities.

At a meeting held in London it was decided to form a British baseball association. Altho the initiative was taken by professional football clubs, stress was laid on the desirability of fostering the amateur side of the game. It was suggested that the protection of the American National League be sought to prevent the importation of American professionals.

The Philadelphia American League Club and the St. Paul American Association Club have been fined $250 each by the National Baseball Commission for "covering up" Phil Geier, outfielder, contrary to the rules of the national agreement. It appears that both clubs notified the commission last fall that Geier had been transferred from St. Paul to Philadelphia for "cash in hand paid." Recent development indicated that no cash was exchanged and that the player was returned to St. Paul.

The Tri-State League seems to have it in for the New York State League for some unknown reason. Now comes the report that the outlaw league next year, if not this coming season, will establish clubs in Scranton and Wilkes-Barre. There is considerable talk of locating the Shamokin team in Wilkes-Barre this season.

Howdy Earl pays a great tribute to Charley Malay, who has been turned over to Columbus by Brooklyn. He has told Billy Clymer that Malay is a great one.

The report of the National Association of Baseball Clubs states that 4200 contracts were promulgated by J. H. Farrell. There were 491 players released by purchase from one club to another in the association.

Freddie Parent of the Boston Americans was never put out of a game.

The crack infield of the famous Beaneaters of the '90's is still playing baseball, altho Link Lowe and Herman Long are in the minor leagues, the latter with Toronto.

Association Football.

The Eureka Football Club will play two games on Good Friday morning. The Juniors will meet the Little Yorks at Little York, while the Intermediates will try conclusions with the Stanley Barracks (champions), on the fort grounds. Both teams will have strong line-ups and should put in a good practice.

The Toronto Thistle senior football team will play Niagara Falls Good Friday. All players and supporters are requested to be at the Union Station not later than half-past eight, Good Friday morning.

Circuit Races for Detroit.

Detroit, April 10.—A Grand Circuit harness meeting was last night assured for Detroit, at a meeting at which a new trotting organization was formed, the purpose of which is to take over the annual blue-ribbon meeting, in past years conducted by D. J. Campau, at the Grosse Pointe track. The new organization will lease the state fair track and will on Saturday announce the conditions for a Merchants' and Manufacturers' and a Chamber of Commerce Stake, for 2,15 trotters and 2,12 pacers, respectively, and for $10,000 and $5000 each. The new organization will elect officers to-day.

Walter J. Snyder, for the last two years in charge of the Grosse Pointe meeting as secretary, will be secretary of the new organization. The heat racing plan will be abandoned and three in five and two in three, with no race more than five heats, except in case of a tie for first money, will be the plan of racing.

Mr. Campau is not connected with the new organization. Unless he is able to come to terms in the next three days with Celia, Adler & Tiles, the St. Louis bookmakers, who purchased the track at auction last fall, he will retire from racing and will probably resign his position as chairman of the Grand Circuit stewards. In case the situation changes, and he succeeds within this time in making his arrangements, the new organization will disband and turn in and help him, but this is not expected.

GAME COCK WON BY A NOSE PAPRIKA'S AMATEUR CUP

Gentleman Jocks Put Up Good Rides at Bennings—The Clown Won First Race.

Washington, April 10.—Gamecock, with Mr. Evans up, was the favorite, and Oleroso, with Mr. Smith in the saddle, was a strong second choice in the Southern Steeplechase at Bennings to-day. These two led the way, taking the last hedge nearly together. Oleroso then drew away from Gamecock, and until the last hundred yards he seemed certain to win, but with a fine ride Mr. Evans won the decision by a nose. Summary:

Handicap Speculation.

Cincinnati, April 10.—Play on the Brooklyn, Suburban and Brighton Handicaps has taken a brisk run, and the future books show a heavy business. While there is a varied play, as usual, Sysonby is the best-backed horse. The bookies say the Keene champion has been supported from all sections of the country, and enough money has been placed on him to reduce his odds from 6 to 5 to 1.

A number of Louisville horsemen have made bets on the ticket at 15 to 1. They predict he will be a good horse again this year, as he is galloping sound. He is to be shipped to Aqueduct on Thursday, and will be ready to race there. Agile has many admirers at Lexington for the Suburban. He is said to have grown into an impressive-looking 4-year-old.

New Orleans horsemen have lost no time in taking the 10 to 1 offered against Ram's Horn for the Brooklyn, tho some have preferred to take 15 to 1 against Phil Finch.

California turfmen have started to back Dr. Leggo in earnest, and, next to Sysonby, McCafferty's horse probably has been best supported. Proper is another California horse that has been favored at 20 to 1 for the Brooklyn. Lord of the Vale has been backed some, and there is some Memphis money on Tokalon.

New Candidate for Diamond Sculls.

Philadelphia, April 10.—William B. West of the Undine Barge Club of this city, today announced his intention of trying to win the Diamond Sculls at Henley, England, this year.

West until last year represented the West Philadelphia Boat Club. He won his junior honors on Jan. 28, 1902, in the Schuylkill Navy Regatta. He graduated from the intermediate class the following year at the Harlem regatta. Last year, however, he did not compare with the seniors against whom he competed, and his chances of winning on the other side do not seem very great. He is now a contributing member of the West Philadelphia Club. President G. O. Campbell of the latter club has signed the application papers that will be forwarded to the Henley officials.

West maintains that he has been handicapped in his efforts to win in the senior class by stomach trouble. He has been working all winter in a gymnasium, and says he was never in better condition. He will sail for England on June 6, accompanied by J. Carson, a trainer. West is a well-to-do manufacturer.

Sutton Won by 500 to 220.

New York, April 10.—George Sutton, the old Toronto player, defeated Albert G. Cutler of Boston in the afternoon game of the world's billiard championship tournament here at 18.2 balk-line, 500 to 220. Sutton's two highest runs were 116 and 109, with an average of 20. Cutler's best efforts netted him 61, 50 and 40, respectively. His average was 8 20-25.

New York, April 10.—Three games have been decided in the world's championship 1892 billiard tournament at the Madison-square Garden concert hall. Louis Cure of Paris has lost two games. Two games were played to-day, in the first of which George Sutton, formerly of Chicago, defeated Albert G. Cutler of Boston by 500 to 220. Sutton made the highest runs of the tournament so far, his top figures being 116 and 109.

In the second game George Slosson of this city defeated Louis Cure, the French expert, 500 to 351. Slosson's high run was 107, but he ran out the game in 23 innings, making the high individual average of 21.17-23.

Cure led from the 1st to the 11th inning, but Slosson passed him in the 12th. The Parisian again assumed the lead, with a fine run of 65 in the 14th, but had to relinquish a few minutes later, when Slosson gathered the spheres for 107 points in his 17th turn.

Other turns of 73 and 35 and an unfinished run of 69 gave the local man the game.

"Goodvalue" Desks

is the way we designate our new line of "Specials"—Made exclusively for us by one of the largest makers of fine office furniture in Canada. We have aimed at making these the very best pieces of furniture that could be sold at the price, and the instant appreciation they have aroused is the most eloquent testimony of their sterling worth.

They are made with 5-ply quarter-sawed oak tops, writing-beds and drawer-fronts—the balance being plain white oak. Raised panels and a heavy extension base impart a most substantial appearance, which is greatly enhanced by the piano polish finish. C.L.A. CONVENTION NOTES.

Views on the Different Amendments by Candidate Miller.

J. C. Miller of Orillia, candidate for the presidency of the C. L. A., is out with his policy in regard to the amendments to be passed.

He would support the following amendments:

J. K. Munro's, to give referee the power to fine players for using abusive language.

President Allen's motion re defaults.

Francis Nelson's, to have the secretary appoint the referees in place of the president, should have been carried long ago, according to Mr. Miller.

F. C. Waghorne's, to have the junior series under 20 years of age.

He would oppose T. P. O'Connor's amendment to allow seniors to draft players from the intermediate and junior series after they had signed.

Francis Nelson's, to not allow clubs to vote at the annual meeting who have been out of the game a number of years would work a hardship on clubs, according to Mr. Miller.

Francis Nelson's, to prevent representatives of senior clubs from voting on matters and directly affecting the senior series, in forecasting what will probably happen before long, but against which Miller will vote now.

He would leave F. C. Waghorne's residence rule alone for a while till he found how the age limit worked.

If elected he will use every endeavor and energy to further the best interests of the association and will try and promote the cause of good, healthy sport for sport's sake.

Lacrosse Barred at Pennsylvania.

Philadelphia, April 10.—The University of Pennsylvania General Athletic Association has decided to drop the lacrosse team from the list of athletic organizations in the association. The team has been requested not to use Franklin Field, as the players cut it up too much with their heavy shoes. The team has a schedule already arranged, and for that reason the players are not only puzzled to know where they can play, but angry because they have been treated in that fashion. The team cost about $500 last year, and there was a deficit. The amount may be raised by subscription.

20 Interassociation League Clubs.

The annual meeting of the Interassociation Lacrosse League was held in the West End Y.M.C.A. parlors, when the officers for the coming season were elected, the constitution revised, and several new clubs admitted to membership. The newly-elected officers are:

President, Dr. R. M. Armstrong, Oshawa; first vice-president, J. Patterson, Toronto; second vice-president, George Kay, Mimico; secretary, Ed. Wright, Toronto Junction.

The following clubs have signified their intention of placing teams in the league this season: Oshawa, Whitby, Bowmanville, Pickering, St. Simons, West End, Mimico, Toronto Junction Shamrocks, Parliaments, and a number of others.

Thus, from present appearances, this season will be the most prosperous the league has experienced. So great is the number of new clubs applying for admission that there will probably be five districts of four clubs each, composing the league. Any clubs that have so far not applied for admission should do so at once by writing to Er. Wright, secretary of the league, at Toronto Junction.

Tigers of Arthur.

Arthur, April 10.—At the annual reorganization of the Arthur Tigers it was decided to enter two teams in the C.L.A., lacrosse prospects here being very bright. The officers for the year are: Hon. president, A. W. Buschlen; president, M. F. Heffernan; first vice-president, J. A. Farrell; second vice-president, Joe Phelan; secretary-treasurer, Douglas Magee; manager, E. W. Brockiebank; mascot, Otto Ball. The delegates to the C.L.A. convention are Joe Phelan, M. Heffernan, E. W. Brockiebank and C. Buschlen, jr. The support of the representatives will go to their townsman, J. M. Kearns, for his election as second vice-president of the C.L.A.

Old Country Fighters Arrive.

Philadelphia, April 10.—Among the two thousand storm-tossed passengers of the steamship Merion yesterday afternoon were two pugilistic champions, who come here in search of fame and dollars. The men are Frank, otherwise Spike Robson, the undisputed champion of England, and George Guthrie, the champion of Scotland. The two pugilists were accompanied by W. L. Manson.

Of Guthrie Ettle is known in pugilistic circles so far as the game is concerned in this country, but Robson's reputation has preceded him. He is a lightweight and combines the rushing style of the old English school with that of the improved American style. Robson said:

"I came over here to meet the best men of my class in your country. I am not particular whom I meet as long as they are lightweights, and I do not draw the color line."

Medals for First and Second.

The Argonaut Rowing Club have decided to give solid gold medals, with diamond in centre, to winner of each class in boxing and wrestling, and a handsome silver medal for second, for the Canadian championships on the 3rd, 4th and 5th of May next, in Mutual-street Rink. There are 300 course tickets on sale at 189 Yonge-street, or from the committee, which may be exchanged for ringside seats on April 30 and May 1. The plan opens to the public on May 2. These tickets are $2 each, good for three nights, and may be purchased by any person.

Hamilton to Play International.

Hamilton, April 10.—(Special.)—Hamilton will have an intermediate team in the C. L. A. This was the decision reached at a large meeting of lacrosse enthusiasts at the Waldorf Hotel this evening. D. M. Cameron and J. W. Nelson were appointed to represent the city at the C.L.A. meeting at Toronto on Good Friday. Organization has not been completed yet, but efforts will be made to revive the game here.

Lacrosse Points.

The Tecumseh Lacrosse Club have signed James Olcott as trainer for the season. Olcott is now training the Toronto Ball Club, and as soon as he is thru there he will take charge of the Tecumsehs. Olcott was last year with the Torontos.

Mr. McEachren of Toronto Junction, who is a candidate for the C. L. A. Council, is an old lacrosse player, having played with Collingwood and Barrie. His club is making every effort to secure his election and many think it will succeed.

J. C. Miller's son is sick with appendicitis and will have to undergo an operation in a day or two.

Harry Cameron is expected at the Iroquois to-day.

There was a meeting of the Thistle Lacrosse Club on Monday evening at the Y.M.C.A. The officers elected were: Hon. president, T. Crawford, M.L.A.; president, J. Canavan; vice-president, A. E. Prince; manager, S. Young; captain, T. Cowans; secretary, C. F. Prince; treasurer, H. Mowat. Players are requested to turn out one week from next Saturday at Exhibition Park.

The Lehigh University lacrosse team defeated College of the City of New York 11—0 last Saturday. Coach Tom Humphries, formerly of the Torontos, coached the winning team, and, judging by the score, his work was not in vain.

QUEEN CITY Y. C. WILL BUILD

New Addition for Storing Dinghies—Officers Elected at Annual Meeting.

The Queen City Yacht Club's annual meeting for the election of officers took place last night, with a good attendance of members. The reports read were all satisfactory. A vote was taken at the request of the L.Y.R.A. whether it is preferable to hold circuit races or have a six-day regatta at Hamilton. Queen City voted for the circuit. Officers were elected as follows:

Commodore, T. A. E. World; vice-commodore, F. Phelin; rear-commodore, W. Ewing; hon. treasurer, F. S. Knowland; hon. secretary, W. Salmon; hon. measurer, J. W. Commeford; assistant measurer, W. Self; management board, Frederic Nicholds, H. Turner, F. Cornish, B. Archer, A. W. Martin, A. Durnan, E. A. Pringle, W. H. Hewitt, C. W. Embree; auditors, W. Stephenson, W. Thomas; sailing committee, R. Ewing, J. Thomson, J. A. Nicholls; motor boat committee, A. Wilbur, O. McGregor, W. J. Brown.

Owing to the want of space, it was decided to build an addition for storing dinghies to the north of the club house.

There will be a big motor boat addition to the club fleet, and it is the intention to have a motor boat race every Saturday and holiday. The schedule of races will be out next week.

Big Wolf Hound.

One of the features of the Ontario Kennel Club's first dog show will be a Russian wolf hound that C. H. Anderson has recently imported from the Royal Kennels of Russia. This wolf hound is the largest of its breed outside the Royal Kennels. He is 7 feet long, 34 inches high and measures 36 inches around the chest. A. D. Wheeler, another member of the club, has imported a Scotch collie that has a tremendous length of head, measuring no less than 12½ inches. Both these gentlemen will have their dogs on exhibition, and it will take some pretty good specimens to beat them.

Sporting Notes.

Mr. Jamieson, president of the Tiger Football Club of Hamilton, has asked Otto Zimmerman, the secretary, to send in his resignation. Zimmerman is very popular with the boys, and is at present stationed at the Milton branch of the Bank of Hamilton. He has not sent in his resignation yet.

The entries for the Canadian Horse Show close to-day, and should be mailed to the secretary, Henry Wade, parliament buildings. Entry forms can be obtained from him or from the manager, Stewart Houston,
