See Our Kitchen Cabinets

Do you realize how many unnecessary steps you take in the course of a busy day in the kitchen. If you had an up-to-date kitchen cabinet, where you could sit with every material and every utensil which you could possibly want for cooking within arms length, you could get through with your work with about one half the effort you put forth under old methods, and finish the day feeling rested and buoyant, instead of foot-sore and weary. We are showing in our window now some of the best cabinets made.

FIVE MEN ON HONOR ROLL YESTERDAY

Four of them were for Field Ambulance—General News of Local Military Units.

HONOR ROLL.

Paul Cethoe, Russia.
George Shields, Upper Maugerville, N. B.
Frank Wilson, St. John, N. B.
Cecil Currie, St. John, N. B.
Field Ambulance Depot.
Frank Brown, Dalhousie, N. B.
9th Siege Battery.

Recruiting for the week began in real earnest yesterday, five men reporting to the different units in the city. Four of the five signed on with the Field Ambulance Corps at the armory. This unit still requires about thirty men to complete its establishment and it is hoped that ere September 15 passes that this unit will be up to strength.

No. 2 Construction Battalion.

The colored battalion, known as No. 2 Construction Battalion, is to have one of the finest bands in Canada. This was made known by Lieut. Colonel Sutherland at a meeting held in Halifax on Friday night.

W. J. Thomas, the popular and talented Halifax musician, who is well known among the members of the St. John Brass Band, is to be the regimental bandmaster. Mr. Thomas, who is employed on the I. C. R., said last night that he will recruit some of the best musicians in Canada, among whom he expects several from the St. John Brass Band.

A friend of the battalion has kindly consented to provide a new set of instruments for the band which will probably be organized in two weeks' time. This addition to the construction battalion will greatly assist in bringing the battalion up to full strength by assisting throughout Canada at recruiting rallies.

A. S. Viets of Digby recently gave an interesting talk on his experiences at the front, at Smith's Cove, N. S.

Captain Irvine, of Fredericton, reported for duty at the ambulance depot yesterday.

Five members of the 236th Overseas Battalion are being transferred to the 140th Battalion and will form the nucleus of a party who will leave on Wednesday to help bring that unit up to full strength.

Military Notes.

Lance Corporal C. Rincomb of Marysville has been granted a transfer into the 236th Battalion. He was formerly a member of the 26th Battalion.

Pte. C. Baldwin of the 5th O. S. Western Cavalry, and a resident of Chatham has been transferred to the 236th Battalion.

Pte. F. W. C. Wetmore of the 4th C.M.R., has been granted a transfer to the 236th Kiltie Battalion. Pte. Wetmore's home is in Woodstock.

Lieut. Franklin Sharp Rankin of Woodstock is the only New Brunswick man mentioned in the midnight casualty list.

Lieuts. B. Lawrence and A. Crookshanks of the 104th have been transferred to the machine gun depot, and Captain E. R. Dennis of Halifax has been permitted to revert to the rank of lieutenant at his own request to proceed to France. Lieut. H. M. Teed has also been transferred to France.

Lieut. W. A. Carter of the U.N.B. has proceeded to Halifax to take a lieutenant's course in siege battery work.

The transfer of Sergt. H. A. Seeley of the 8th Battalion to the 236th Kiltie Battalion has been authorized.

Sergeants John H. McCollum and Caldwell of the 9th Siege Battery are at Fredericton from St. John on leave, also a number of members of the battery, including Gunner Thurston Clark. Sergeants McCollum and Caldwell recently successfully passed their examinations for qualification as sergeants at Halifax.

The appointment of Brig.-Gen. J. C. McDougall, commanding the Canadian Camp at Shorncliffe, to be major-general is announced, as also is the promotion of Sir Henry Pellatt of Toronto to be brigadier-general. The rank of honorary colonel has been bestowed upon Sir Frederick Haultain, 152nd Saskatchewan Battalion; Dr. A. C Rutherford, 104th; the Rev. Dr. Chown 263rd, and Dr. John Hoskin, 235th.

Mr. and Mrs. John F. Hayes, 129 Marsh Road, have four sons in the Canadian contingents, and the fifth is seeking to enlist, but is slightly under age. Charles Hayes is in the trenches in France; Frank and William are training in England; Joseph, with the 140th at Valcartier, is at present on a farewell visit to his parents. The fifth son is discontented because he is just under military age, and therefore cannot be taken.

PART OF MAIN STREET STILL IN BAD SHAPE

North Side from Douglas Ave. to Sheriff Street Requires Repairs.

TENDERS OPENED FOR NEW SIDEWALK

The Grant to No. 7 Seige Battery May be Augmented—Work on Market Sq—Other Matters discussed.

The condition of the north side of Main street from Douglas avenue to Sheriff street came in for considerable discussion at the committee meeting of the common council yesterday at noon. Commissioner Wigmore made the statement that he would not risk his life or automobile by driving over this section of the street, traffic laws or no traffic laws. Commissioner McLellan was of the opinion that the statement of Commissioner Wigmore was warranted by the conditions and that any person was justified in breaking the traffic laws at that point. Commissioner McLellan introduced his proposed amendments to the traffic laws. Tenders were opened for the sidewalks on North and South Market streets. The question of grants to military units going overseas was also under consideration.

The following tenders for sidewalks on North and South Market streets were opened and referred to the commissioner of public safety and the mayor:

A. R. C. Clark & Son:
Extra excavation ... ..$1.00 per yd.
Tile drain ... ... .05 per yd.
Concrete surface ..... 1.25 per yd.

Peter Ferris:
Extra excavation..... ..$0.25 per yd.
Tile drain ... ... .08 per yd.
Concrete ... ...1.25 per yd.

Corey & Stevens:
Extra excavation ... ..$0.75 per yd.
Tile drain... ... ... .10 per yd.
Concrete ... ... 1.60 per yd.

Commissioner McLellan announced that at the next meeting of the council he would recommend the following amendments to the traffic laws of the city:

That no vehicle shall move along the streets faster than 12 miles per hour; no vehicle shall move round corners faster than 4 miles per hour; no vehicle shall stop or stand within 20 feet of a street corner; no horse shall stand unattended for any length of time; no motor vehicle shall be left unattended without stopping the engine and locking (provision will be made for winter conditions) every vehicle shall come to a stop while passengers are getting on and off street cars; the use of the cut-out on motor vehicles will be prohibited and unnecessary noise and smoke prevented.

Commissioner Fisher brought up the question of the changes in Market square and asked to have the plans approved, although he had no money to do the work this year, and it was decided to place the fountain at the southwest corner of the grass plot and the safety platform at the northeast corner.

Commissioner McLellan brought up the matter of the paving of Main street on the north side between Sheriff street and Douglas avenue, and said that the present condition of the street was disgraceful. Some action should be taken immediately to remedy conditions.

Commissioner Wigmore said he would not drive his car over this portion of the road whether he broke the traffic laws or not.

Commissioner Fisher claimed he had no money to do the work and it was suggested that he furnish the council with a statement of expenditures in his department since last April.

The commissioner promised to furnish such statement to the council as soon as possible.

Commissioner McLellan referred to the fact that No. 7 Siege Battery when leaving St. John had been granted $250, other units had been given $500, and he asked whether it would not be possible to put No. 7 on the same footing. He understood that they would soon be leaving for England for the front, and a field kitchen was needed, which the extra $250 would help to provide.

The mayor said he had been approached by Major Corbet in regard to a grant of $100 for recruiting purposes. He had informed the Major that the city would make a grant for the fund of the unit, but he thought the government should supply the money for recruiting purposes.

There will not be any meeting of the common council until next Monday, as Commissioners Wigmore and Russell will be out of the city.

Soldier Coming Home.

The many friends of William A. Cooper, formerly of 172 Wentworth street, will no doubt be pleased to learn that he is expected to arrive home the latter part of this week after serving his king and country for many months in the great war. Private Cooper went overseas with the 26th Battalion and was reported wounded in February last. He was operated on early last March at Lenox Park Hospital, Birchington, Eng., but has now recovered sufficiently to be sent home. Private Cooper's wife and son, Gordon N., are now residing at Cassilis, Northumberland county.

COMMERCIAL RALLY HERE NEXT WEEK

Committees of Business Men Busily Preparing for What They Hope Will be Important Business Gathering.

The committees who have charge of the big commercial rally of New Brunswick Retail Merchants to be held in St. John under the auspices of the Retail Merchants' Association next week, Sept. 19th and 20th, are all very busy working out plans for the rally. From all reports coming to hand a big delegation is expected from all parts of New Brunswick as the Canadian Pacific and the Government Railroad have granted the reduced rate under the standard certificate plan, namely, one way first class ticket which can be purchased from 16th to 20th, and returning tickets may be obtained up to 23rd inclusive.

The provincial secretary, Robert Reed, has worked up a twenty page booklet which contains the official programme and information regarding the work of the association. The programme and entertainment committees have worked hand in hand to allow for work and recreation.

Tuesday morning is given for registration and reception of delegates. That afternoon the president, Mr. Alex. Murray, will extend to visiting merchants words of welcome on behalf of the provincial association, to be followed by Mayor Hayes giving the city's welcome. Mr. Joseph Likely, president of the Board of Trade, and Mr. A. O. Skinner, president of the local branch of the R. M. A., will extend words of welcome on behalf of their associations. An address will then be given on the Retail Merchants' Association, its benefits, etc., by Mr. A. O. Skinner.

Tuesday evening the merchants and their ladies will be entertained by a visit to the Imperial theatre. Manager Golding is working up a special programme for the R. M. A.

Wednesday morning will be a get-together conference of wholesalers and retailers. Mr. F. W. Roach, president of the Canadian Credit Men's Trust Association, Ltd., and Mr. A. H. Wetmore, president of the Wholesale Grocers' Guild, will both address the session of the rally which will be followed by discussion on addresses.

Wednesday afternoon the merchants and their ladies will be guests of the city. Through the kindness of Commissioner J. V. Russell a sail to points of interest around the harbor has been arranged for on the steamer Ludlow. On return a spectacular feature of the rally will take place when a grand parade of retail vehicles, autos and teams will be reviewed. A prize will be offered—three years' membership in St. John branch of R. M. A.—for the best slogan relating to the Retail Merchants' Association. Three judges will be appointed from the visiting merchants. All vehicles in the parade must be decorated with a slogan.

On Wednesday night the rally will close with a complimentary banquet to be given by the St. John branch of the R. M. A. Mr. A. O. Skinner will preside. After the opening toast to the king, Col. J. B. B. F. McKenzie, of Chatham, will propose the toast "To the Allies," which will be responded to by the Hon. H. A. McKeown, chief justice. Mr. A. G. Baillie of Woodstock will propose the toast "Province of New Brunswick," which will be responded to by the Attorney General Hon. J. B. M. Baxter, followed by toast to "The City of St. John," proposed by Mr. A. E. McSweeney, Moncton, and responded to by His Worship Mayor Hayes. Mr. A. W. Coombs, St. Mary's, will propose the toast "The Retail Merchants' Association of Canada," which will be responded to by Mr. J. T. Jennings, Fredericton. Mr. F. W. Daniel will propose the toast "Our Guests," responded to by Mr. F. B. Edgecombe, Fredericton; Mr. Geo. Stables, Newcastle; Mr. W. S. Fairweather, and Mr. J. W. Scovil, St. Stephen. Throughout the evening Mr. Walter D. Pidgeon and Mr. W. G. De Wolf will render solos, also Mr. Steve Mathews will give readings. Prof. D. Arnold Fox will preside at the piano.

It was expected at one time that Sir George Foster would address the gathering but the secretary, Mr. Reed, received a telegram from Deputy Minister F. C. O'Hara stating Sir George Foster had left last week for the Pacific coast with the Dominion Royal Commission.

The rally will be held in the Scovil building, 52-54 Germain street. Some ten firms will make exhibits of their lines in Convention Hall and six or seven others are thinking of making exhibits. The rally is open to all retail merchants of New Brunswick.
