cattle which had arrived by the steamships "Oregon," "Lake Nepigon," and "Aujer-Head," all these cattle having been placed by the inspector in the same category, and of which the result would have been the placing of Canada on the scheduled list. The parties interested in the trade had obtained the presence of Professor Williams, the president of the Veterinary College at Edinburgh; Mr. W. R. Reynolds, the veterinary surgeon of the Liverpool Corporation; Mr. W. Bains, veterinary surgeon, Liverpool; Mr. J. Lewis, veterinary surgeon, of Crewe; Mr. Joseph Wellsby, V. S. Liverpool, and Mr. Weels, V. S. After Sir Charles Tupper has delivered his letter to Professor Duguid, this gentleman proceeded with him to the Canadian cattle lairage, where they met the owner and Mr. Montgomery, of the Dominion Steamship Company, and other parties interested in the cattl trade. Mr. Montgomery demanded that six of the cases, which the local inspector conceived to be the worst, should be selected for slaughter and examined. This demand was at first met by a prompt refusal, on the ground that the matter had been already decided. Sir Charles here made himself known, and insisted, under the authorization he had received from the Privy Council, that this request should be complied with. The selection was then made, the animals slaughtered, and a careful *post mortem* examination made, the result of which showed that the local inspector and Professor Duguid had made a very serious mistake in the matter, the animals not being infected either with Texan or splenetic fever. Their temperature was then ascertained and found to be normal, the examination of the blood by the microscope was entirely satisfactory, the weight and condition of the spleen, and the condition of the fourth stomach and the intestines all indicated that the cattle were entirely free from disease. Mr. Morne and Professor Duguid acknowledged their mistake, but stated that they were unable to release the cattle from the embargo that had been placed upon them in consequence of their previous communication to the Privy Council, but that they would report promptly to the Secretary the result of the inspection. Sir Charles immediately afterwards returned to London, arriving at midnight, and on the morning of the 29th he had an interview with Mr. Peel at the Privy Council office, who, after a full discussion of the whole question, stated that he was exceedingly glad that Sir Charles had been able to get to Liverpool, and that an order would be immediately made for the prompt release of all Canadian cattle. This is an outline of what has been an exceedingly interesting and important matter of investigation, and it is gratifying to be able to report that the result has been to not only remove the imputation of disease from Canadian cattle, but, as is believed, to conduce to much greater caution on the part of the officials in dealing with a question so important to our interests in the future. The following is the certificate of the veterinary inspection:—

LIVERPOOL, August 29—We, the undersigned veterinary surgeons, fellows or members of the Royal College of Veterinary Surgeons, hereby certify that we have examined the undermentioned lot of Canadian cattle:—1st a lot in the Canada Lairs, Huskisson Dock, Liverpool, and stated to have been conveyed in the ss. "Ontario" and, 2nd, a lot in No. 4 shed, Wallasy Lair, ex ss. "Lake Nepigon." About fifty of the said cattle were inspected by us, after slaughter, and these, as well as the remaining animals, were found to be free from contagious disease. We observe that a few of the cattle presented symptoms of disease on the digestive organs, manifested by slightly blood-tinged faces, fulness of the first stomach, and a slight elevation of temperature; these were in our opinion, due to the system of feeding and the sea voyage.

(Signed,)
W. Williams, F.R.S.E., and F.R.C. F. S., Edinburgh.
W. Woods, F.R.C.V.S., Wigan
Joseph Welsby, F.R.C.V.S., Liverpool.
Walter Lewis, Chief Veterinary Inspector for Cheshire, Crewe.

At the conclusion of these proceedings the steamship companies wrote formal letters of thanks to Sir Charles Tupper for the important services he had rendered to the Canadian cattle trade. The thanks of all Canada are also due to him for his prompt and energetic action in a matter so important to a large portion of the agricultural and mercantile community of the Dominion.

I Certify that I obtained immediate relief during a severe case of bronchitis, when in Camp Sussex this year, by the application of Minard's Liniment.

St. John, 13th Nov., 1882.

Neuralgia, by which so many lives are made wretched, is always alleviated, and in many instances permanently cured, by "Penetrating" Liniment. Why suffer, when a 25 cent bottle is sure to afford relief, and likely to affect a cure. Its penetrating properties are such that its effects on this disease are manifested in a few minutes. For sale by all druggists and general dealers in Canada.

☞ **After an attack of Fever, Measles**, Diphtheria, or any wasting disease, Hannington's Quinine Wine and Iron is the best medicine to take. It gives lasting strength. Sept. 5 1-m.

No Lady who delights in flowers, and likes to see them do well and bloom abundantly, should be without "Hanington's Food for Flowers." Ordinary packages 30c., sufficient for twenty plants for one year. Sept. 6 1-m.

Persons of Sedentary habits are frequently troubled with excessive langour, (especially in the mornings) want of appetite, dimness of vision, confused mind, and imperfect memory. A few doses of Hanington's Quinine Wine and Iron and Tonic Dinner Pills, speedily remove these manifestations of a debilitated stomach. Beware of imitations. See that you get "Hanington's," the "original" and "genuine." For sale by all druggists and general dealers in Canada.

EVERY SPRING.

HOW AN AFFLICTING ANNUAL VISITOR WAS DRIVEN FROM A WEARY WOMAN.

Plain and simple mechanisms are not liable to get out of order. Complicated watches, intended not only to keep the time of day, but to mark the movements of the moon and stars, are certain to need frequent repairs. Husbands and fathers often fail to see that their wives and daughters are more delicately organized than themselves, requiring corresponding care when they are well and assistance when they are ill. Yet much better for woman's fine system is a trustworthy medicine, ready at all times for use, than a deal of tinkering by semi-educated local practitioners.

"Every spring," said the wife of a well known employee of the Grand Trunk Railway, Montreal, "I have been for some years past troubled with nervous debility and weakness. It was the burden which so many women are called upon to bear, although none the lighter for that.

"Advice and dosing, to be sure, I had in plenty; still, on each returning spring my sickness came as regularly as the buds and blossoms.

"You seem better now."

"Oh yes; I consider myself almost or quite well, and it came about in this way: A lady living on St. Catherine street, this city, commended to my attention *Sulphur and Iron Bitters*, and it gave me strength and life. My sister, living in Brockville, whose disease was nearly the same as mine, was equally benefitted by the same thing."

Sulphur and Iron Bitters, prepared by the Climax Chemical Co., Montreal, is for sale by all druggists. Price 50 cents. tc.

Dominion and Centennial EXHIBITION!

THE large dimensions that the DOMINION AND CENTENNIAL EXHIBITION has assumed has induced the Commission to extend the time for holding the Exhibition from

Monday, the 1st,

—UNTIL—

Thursday Evening, the 11th October.

The live stock may be removed from the yard on Friday evening, the 5th.

Exhibits will be received from all parts of the Dominion on equal terms.

ENTRIES WILL CLOSE ON THE 15TH INST., after which none can be received except by special arrangements.

NO CHARGE IS MADE FOR ENTERING EXHIBITS.

SPACE will be given free in the Buildings and Stalls in the yards.

HAY, STRAW and WATER for Stock will be supplied free.

THE NECESSARY ATTENDANTS on Exhibits in the building or Stock in the yard will be admitted free.

EXHIBITORS CAN OBTAIN TICKETS of admission during the Exhibition for One Dollar.

EXHIBITORS SENDING GOODS OR STOCK to the Exhibition from any part of the Dominion will pay the freight to St. John. On their arrival at the Exhibition and on presentation of freight bill, one-half the amount so paid will be refunded to the exhibitor and a pass given for return free.

A PASSENGER STATION is within a few yards of the main building.

A FREIGHT TRACK enters the building, thus saving cartage.

THE CATTLE STATION is in the immediate vicinity of the yard where ample room is provided for handling cattle free from all annoyances,

HEAVY GOODS should be forwarded several days before the opening of the Exhibition to afford time for opening them.

LIGHTER ARTICLES will be received up to Monday morning, the 1st October.

While it is desirable that all exhibits should be in place at the opening on Monday afternoon, those unavoidably detained, and perishable articles, will be received on Tuesday until 10 a. m.

LIVE STOCK of all kinds will be received up to 10 o'clock Tuesday morning.

LIBERAL ARRANGEMENTS

have been made with all the railway and steamboat lines for carrying passengers, giving return tickets for one first-class fare. This privilege will apply for some time before and after the close of the Exhibition; the exact number of days will be named hereafter.

The Intercolonial, New Brunswick, Maine Central and Grand Trunk Railways, and International Steamships will bring passengers from the utmost limits of Ontario, and all points this side of and including Boston, on the above terms.

Exhibitors should apply at the station from which they intend to ship goods or stock some days previous for the necessary cars. This should be attended to, to prevent disappointment and late shipments.

A Committee to provide accommodation for Visitors has been appointed. Strangers wishing information as to lodgings may apply at the office of the Secretary, C. S. Melick, at present in the City Building, afterwards at the Exhibition Building. It is the intention of the Committee to provide ample accommodation for all visitors.

One of the greatest attractions of the Exhibition will be the MODEL WORKING DAIRY which Messrs. Manchester, Robertson & Allison are bringing from England. Prof. Sheldon will be in charge of this exhibit and deliver a course of Lectures during the Exhibition.

It is intended to have a FINE DISPLAY OF FIREWORKS on one or two evenings of each week, also one or more BALLOON ASCENSIONS. The balloon is said to be one of the finest in the world.

There will also be a PROCESSION OF THE TRADES.

BANDS OF MUSIC will be in attendance each day.

There will be SPECIAL SPORTS and ENTERTAINMENTS during the continuance of the Exhibition.

ADMISSION TICKETS TWENTY-FIVE CENTS admitting the holder to all the buildings and yard.

HON. DAVID McLELLAN, President.
S. JONES, Mayor of St. John, Chairman.

MESSRS. J. C. AYER & Co., Gentlemen:

Last winter I was troubled with a most uncomfortable itching humor affecting more especially my limbs, which itched so intolerably at night, and burned so intensely, that I could scarcely bear any clothing over them. I was also a sufferer from a severe catarrh and catarrhal cough; my appetite was poor, and my system a good deal run down. Knowing the value of AYER'S SARSAPARILLA, by observation of many other cases, and from personal use in former years, I began taking it for the above-named disorders. My appetite improved almost from the first dose. After a short time the fever and itching were allayed, and all signs of irritation of the skin disappeared. My catarrh and cough were also cured by the same means, and my general health greatly improved, until it is now excellent. I feel a hundred per cent stronger, and I attribute these results to the use of the SARSAPARILLA, which I recommend with all confidence as the best blood medicine ever devised. I took it in small doses three times a day, and used, in all, less than two bottles. I place these facts at your service, hoping their publication may do good.

Yours respectfully, Z. P. WILDS."

The above instance is but one of the many constantly coming to our notice, which prove the perfect adaptability of AYER'S SARSAPARILLA to the cure of all diseases arising from impure or impoverished blood, and a weakened vitality.

Ayer's Sarsaparilla

cleanses, enriches, and strengthens the blood, stimulates the action of the stomach and bowels, and thereby enables the system to resist and overcome the attacks of all *Scrofulous Diseases, Eruptions of the Skin, Rheumatism, Catarrh, General Debility*, and all disorders resulting from poor or corrupted blood and a low state of the system.

NOTICE.

To the Harbour Master, Pilots, Owners, Masters and persons in charge of vessels on the Miramichi River, N. B., and all others whom it may concern:

THE Department of Public Works of Canada, being about to resume operations for the improvement of the Channel at the Horse Shoe Shoal, at the entrance to the Miramichi River, will from this date have the

Dredge "St. Lawrence"

engaged in performing the dredging required and the said dredge will have a number of anchors, lines, and cables for mooring purposes deposited in the Channel and on the flats on either side of the Channel, all of which when put down will be buoyed.

All masters of Steamers are cautioned to keep clear of said buoys, lines and cables, so as to prevent their being taken up and fouled in the paddles or propellors—as the above mentioned moorings will be in place whether the dredge is there or not.

As whilst working it is not possible to shift or remove the dredge, vessels will be required to give it a wide berth so as to avoid collision and damage.

By order,

HENRY F. PERLEY, Chief Engineer

Ottawa, August 4, 1883.
