BEAUTIFUL HORSES

Numerous Highly Trained Equines Are With John Robinson's Big Circus

Menage horses, or high school horses—as they are commonly called—have come to occupy a prominent position on the circus program to today. The John Robinson Circus which will exhibit in Digby on Tuesday, July 1st, have the famous Victor and Mme Bedini troup of educated horses, and no finer or more complete aggregation of menage horses are available in the circus world. Every horse of the troup is a star in all that the term implies, minus the profuse adjectives that are so often and recklessly employed in describing the virtues of an attraction in the show world.

Not only do these intelligent equines do everything any similar horses do, but they go out of the beaten path and perform some feats that are but a mite removed from the miraculous. The star of the contingent is that equine wonder "Jack Morgan," a handsome animal of commanding appearance who really does do "everything but talk."

Mme. Bedini, under whose direction the troup performs, is generally recognized as the leading horsewoman in the world. She knows horses as indeed few equine authorities know them, and coupled with this great knowledge of her subject, is a delicate but well directed touch and encouragement that seems to aid the animal instinct in arriving at a more certain interpretation of requirements at hand. The John Robinson circus management is well justified in claiming the greatest troupe of menage horse ever presented to the public.

In addition to these horses the circus is presenting DeMarce's Monkeys, three herds of performing elephants, Captain Kent's wonder working seals and sea lions and some groups of well trained ponies for the edification and joy of the little ones.

Among the performers with John Robinson, in addition to some fifty funny clowns are the famous Nelson Family of acrobats, known from coast to coast and from Canada to the Gulf, Tetu Robinson, adopted Japanese daughter of John Robinson, the Second, Fred Ledgett, Cecil Lowanda, Clara Masters, the Hodgini's Marie Bedini, Ruby Orton and John Smith riders.

This will be the only circus to visit Nova Scotia this summer. See railroad agent for excursion rate.

Base Ball

Middleton was the scene of a very fast and brilliant game Saturday between Middleton and Bridgetown, the score being 6 to 4 in favor of Middleton. The game was fast and exciting all through, many of the innings being played without a player touching first base. In one inning Bridgetown only pitched three balls, one to each batter showing how the whole team was supporting the battery. On account of rain, the game was called at the end of the seventh inning. We take this opportunity of complimenting Bridgetown on the style of game it plays, taking into consideration the small amount of practice it has been able to obtain, and with the new diamond and a few good practices we feel sure of having a "Winner" with our local team.

Lorenzo Elliott has purchased a new car.

We are glad to report Deacon E. J. Elliott improving in health.

Mrs. H. H. Banks, of Halifax, is visiting in ths place.

The Misses Sarah and Edwina Elliott returned home to spend their vacation on Saturday.

WEDDING BELLS

COOK—EATON

On Wednesday morning, June 18th, at the home of Mr. B. O. Eaton, Granville Centre, at 10.30 o'clock, his daughter, Gladys Henrietta was united in marriage to Lieut C. W. Cook, of Guysboro, lately returned from overseas. The ceremony was performed by Rev. I. Brindley, pastor of the U. B Church, the double ring form being used. Owing to illness in the family the ceremony was private. The bride was attired in her travelling suit of bluebroadcloth with hat of sand shade and blue quills. After the ceremony luncheon was served when Lieut and Mrs. Cook, left by auto for Bridgetown, en route to Parrsboro, where Mr. Cook has been called to the pastorate of the U. B. Church. Lt. Cook enlisted while pursuing his University course, at Acadia and was graduated B. A. while overseas. On June 25th he will be ordained to the full work of the gospel ministry. The bride, who is one of Granville Centre's popular and useful young ladies, will be greatly missed in the church where she was a member of the choir, in the S. S. where she has been a successful teacher, also in the W. M. A. S. and Seymour Division, S. of T.

The many friends of both bride and groom unite in wishing them many years of happiness and usefulness in the work to which they have been called.

HYSON—BEZANSON

A pretty wedding took place at the home of the bride, North Williamston, Thursday evening when Rev. M. S. Richardson, pastor of the Bridgetown Baptist church, united in marriage Mr. Kempton Hyson, son of Mrs. Mary Hyson, of Bridgetown, and Grace, daughter of Mr. and Mrs. Bert Bezanson, North Williamston. The flower girls were the little Misses Whitman, Bent, and Bishop, the wedding march being played by Mrs. Barcley Bishop. The groom's gift to the bride was a large strap wallet containing a check. The other wedding gifts were numerous and expensive, including a silver pudding dish from Noble Crowe, formerly of this town but who now resides in Bridgewater. The happy couple left the following day for a trip through the province after which they will reside in Halifax.
