Speedy Removal and Permanent Cure of all
NERVOUS DISEASES,
by these Complaints which are caused by an
unbalanced or unhealthy condition of the
NERVOUS SYSTEM.

This beautiful and convenient application of the
wonderful powers of GALVANISM and MAGNETISM,
has been pronounced by distinguished professors,
alone, both in Europe and the United States, to be the
most valuable medicinal discovery of the Age.

Dr. CHRISTIE'S GALVANIC BELT
and
MAGNETIC FLUID,

is used with the most perfect and certain success in
all cases of

GENERAL DEBILITY,

Strengthening the weakened body, giving tone to the
various organs, and invigorating the entire system.
Also in FITS, CRAMP, PARALYSIS and PALSY,
DYSPEPSIA or INDIGESTION, RHEUMATISM,
ACUTE and CHRONIC GOUT, EPILEPSY, LUMBAGO, DEAFNESS, NERVOUS TREMORS, PALPITATION OF THE HEART, APOPLEXY,
BALOKS, PAINS in the SIDE and CHEST, LIVER
COMPLAINT, SPINAL COMPLAINTS and CURVATURE of the SPINE, HIP COMPLAINT, DISEASES of the KIDNEYS, DEFICIENCY OF NERVOUS and PHYSICAL ENERGY, and all NERVOUS
DISEASES, which complaints arise from one simple

Derangement of the Nervous System.

In NERVOUS COMPLAINTS, Drugs are
found to increase the disease, for they weaken
organs of the already prostrated system; while
Galvanism, by giving, vitalizing influence
strengthening, re-giving, vitalizing influence
to the debilitated, is applied by this beautiful and
valuable discovery, the exhausted patient and weak
nerve is restored to former health, strength
and vigour.

The great peculiarity and excellences of

Christie's Galvanic Curative,

is in the fact that they arrest and cure disease
without application, in place of the usual
and painful shocking the patient, till exhausted
nature is compelled to submit.

They strengthen the whole system, equalize the circulation of the blood, promote the secretions, and never fail
to effect a cure, under any circumstances. Since
they have been in the United States, only three
years since, more than

75,000 Persons

including all ages, classes and conditions, among
which were a large number of ladies, who are peculiarly subject to Nervous Complaints, have been

ENTIRELY AND PERMANENTLY CURED,

when all hope of relief had been given up, and every
thing else had been tried in vain!

To illustrate the use of the GALVANIC BELT,
suppose the case of a person afflicted with that bane
of civilization, DYSPEPSIA, or any other Chronic or
Nervous Disorder, in ordinary cases, medicine is
taken, which, by their action on the nerves and muscles of the stomach, afford temporary relief, but which
leave the patient in a lower state, with regard to the
faculties, after the action thus excited has ceased.
Now compare this with the effect resulting from the
application of the GALVANIC BELT. Take a dyspeptic sufferer, even in the worst symptoms of the
attack, and simply to the Belt around the Body, and
the Magnetic Fluid (as directed). In a short period the
genial warmth will set the system in a glow, and
the patient will feel the pleasing sensation of a
Galvanic circulation
throughout the system. The
severe cases of DYSPEPSIA are PERMANENTLY CURED IN A FEW DAYS IS SUFFICIENT TO ERADICATE THE DISEASE.

CERTIFICATES AND TESTIMONIALS
of the most Undoubted Character,
from all parts of the country could be given, sufficient to fill every column in this paper:

EXTRAORDINARY CASE,
conclusively proves that

"Truth is stranger than Fiction."

CURE OF
Rheumatism, Bronchitis and Dyspepsia
REV. DR. LANDIS, A CLERGYMAN
of New Jersey, of distinguished character and established reputation:—

Sussex, New Jersey, July 13, 1847.

Dr. A. H. Christie—Dear Sir: You wish to know
of me what has been the result in my own case, of
the application of THE GALVANIC BELT AND
NECKLACE. I reply in as follows:

For about twenty years I had been suffering from
Dyspepsia. Every year the symptoms became more
distressing, although I obtained relief from any course
of medical treatment whatever. About fourteen years
since, in consequence of frequent exposure to the
weather, I became subject to a severe Chronic Rheumatism,
which for every year ever since, caused me indescribable anguish. Further, during the last year I suffered a great deal in my own and
various other churches in this region, I was attacked
by the Bronchitis, which soon became so severe as to
prevent me entirely from the exercise of my pastoral
office. Having seen numerous cases of the most astonishing character effected by your system, I was induced
to procure your Galvanic Belt and Necklace, and
commenced using them according to your directions,
and to my Bronchial and Rheumatic affection—the
former of which, I may say, had been of many years'
standing—they have given entire relief. Through the medium of the Sussex
Register, I was induced to
make a statement of the wonderful effects produced
upon my own system by your invaluable Galvanic
Belt and Necklace, with the
MAGNETIC FLUID. This was in June, 1846. Two
months after I was induced to resume
my pastoral labors, and have since continued
to preach regularly every Sabbath, and
have not been confined to the house by
sickness for a single day. Such is the wonderful and happy result of
the application of your Galvanic Belt and Fluid to
my case, which I believe, in every respect, was
RADICAL, I believe, in every respect, was
ROBERT W. LANDIS.

GALVANIC NECKLACE

Head, such as Bronchitis, Inflammation of the Throat
Nervous and Sick Headache, Sensation of Nodding in th
Neuralgia in the Face, Burning or Roaring in th
Ears, Deafness, which is generally Nervous, and the
distressing complaint called Tic Douloureux.

DR. CHRISTIE'S
GALVANIC BRACELETS

Are found of vast service in cases of Convulsions or
Fits, Spasmodic Affections, and general Nervous
Debility, Affections of the Head and upper Extremities

REDUCED RATES OF PREMIUM—HALF
CREDIT RATES OF PREMIUM.

THE great and decided success which has at-
tended this Institution, has induced the Di-
rectors to REDUCE the RATES originally re-
quired in British North America, to the ordinary
European Rates. The result of such Reduction
is to enable parties to avail themselves of the im-
portant benefits to Life Assurance at much lower
Rates of Premium than those of any other Assur-
ance Company is asserting business in Canada.

The Directors have also resolved to extend to
British North America the Advantages afforded
by the HALF CREDIT RATES OF PREMIUM
which have been so highly approved, and are so
generally adopted by Policy Holders in the United
Kingdom. The most liberal conditions are like-
wise offered to the Assured in the limits to which
they may proceed by sea or land, to other parts of
North America without affecting their Interest in
their respective Policies.

SAMUEL COCHRAN invites the attention of
Customers to his stock of TEAS and
COFFEES, which have been selected with the
greatest care, and on such terms as allow him to
offer them at unusually low prices.

The MACHINERY on the Premises, worked
by a Four Horse Power Steam Engine, for Roast-
ing and Grinding Coffee, is on the most approved
plan; the Coffee being closely confined in re-fitted
metal spheres, which are constantly revolving and
oscillating in heated air chambers, is prevented
imbibing taint from the smoke or danger of partial car-
bonization of the Beans and loss of Aroma; an im-
portant to Consumers, which is further ensured
by attention to Grinding at the shortest time
before Sale. To this elaborate process SAMUEL
COCHRAN owes the high reputation his Coffee
has obtained through a large portion of the Pro-
vince.

CRYSTALIZED SUGAR (much admired for
Coffee); REFINED SUGAR in small loaves, and
WEST INDIA SUGARS, of the best qualities,

A few of the choicest selections of TEAS may
be had at the CANTON HOUSE, in Native Catty
