IN THIRD PLACE AGAIN BEAT ROCHESTER BY A RUN

Rain Saved Buffalo—Providence and Jersey City Won—Worcester and Rochester Franchises.

The champions did not remain long in the second division. A victory over Rochester, Newark's defeat and no game at Baltimore did the trick. Toronto has still five games to play before returning and must lose all to go below the .500 mark, but as there are only Rochester and Buffalo to play, Gardner's men will likely come home easily in third place. Kissenger won again for Detroit yesterday against Boston. While Worcester is off the baseball map, the following despatches show that there is some doubt about Rochester: From Rochester: "Rochester will open at Culver Field this afternoon a series of three baseball games with Toronto. The new company which has taken charge of the team promises to strengthen it in many ways. Frank Bonner of the Boston National League team and Catcher Douglas of Philadelphia are among the players who are to be signed.

From Reading, Pa.: "The Rochester Club of the Eastern League has been transferred to Reading, and will play the remainder of the season here. This information was given out to-day by William A. Witman, former manager of the club, who says the Rochester team will play on his grounds, and that the players have been ordered to report here by Wednesday."

The record this morning is as follows:

	Won.	Lost.	Pct.
Buffalo	46	19	.708
Jersey City	45	22	.672
Toronto	36	32	.529
Baltimore	36	32	.529
Newark	37	33	.528
Montreal	25	41	.379
Rochester	24	36	.343
Providence	24	48	.333

Barrow Gets Third Baseman.

New York, July 20.—Not satisfied with his pitching staff Clarke Griffith, the American League manager, has added Deering, formerly of the Detroits, to the team, giving Green in exchange. Barrow, the Detroit manager, is in need of a third baseman, and thought he saw a future star in Green, while Griffith realizes that some of his pitching stars are a little dimmed this year. Deering has had little experience in fast company, and is inclined to do somewhat as he pleases whether the manager likes it or not. That is the reason Detroit let him go.

Hunt of California in hollow style here this afternoon. The scores of the sets were 6—3, 6—1, 6—0. The California boy was clearly off color and was easy for the New Yorker. H. E. Avery of New York won the handicap singles and F. Cole of Hartford, Conn., won the consolation singles.

For the Canadian Henley.

What is expected to be the greatest regatta ever held in Canada is the Canadian Henley on Aug. 7 and 8. As the time draws near for the closing of the entries, the enquiries become more frequent for entry blanks, accommodation and transport. The Regatta Committee have spared nothing in order to give all necessary information, and the whole of North America is flooded with regatta literature. Entries are coming in from San Francisco, New Orleans, Philadelphia, New York, Detroit, Buffalo, Worcester, Brockville, Ottawa, Montreal, Winnipeg, London, Hamilton and many more to near from. Such a representative list has never before been on the card of any regatta in America, and it is safe to say that great results and many records will be obtained. The great struggle for the senior singles will practically decide the championship of America. For the first time since Henley, 1901, the great rivals, Titus and Scholes, will meet with such formidable contestants as Veseley, Smith, Juvenal and Pape of San Francisco. A record will probably be established in the senior eights, when Winnipeg and the Argonauts meet. All Winnipeg have gone crazy on their eight, and expect to down the Argos and finish off a triumphal tour at the National. The Argos, after a brief rest, have once more resumed practice, and will be in splendid form for the contest. Every day laudatory despatches about the magnificent rowing of the crew at Philadelphia arrive. Their grand showing there is not half appreciated here in Canada, but in the States everyone talks Argonaut eight.

Challenger's Rattling Pace.

Atlantic Highlands, N.J., July 20.—Ten miles an hour for 30 miles, windward and leeward, was the rattling pace set by Sir Thomas Lipton's Cup challenger in a race with Shamrock I. in the waters of the international race course off Sandy Hook lightship to-day. The challenger's exact time for 30 miles was 2,50,20, very nearly record time for a Cup event, and on a par with the Reliance's splendid performance off Newport in June. Despite her splendid performance she beat Shamrock I. by only 1 minute 22 seconds, elapsed time, but the new boat had lost at least two minutes by the parting of her jib topsail sheet when she was four miles from the finish line. The race was sailed in a splendid wind.

Jackson's Point Yacht Races.

The Jackson's Point Yacht Club held races on Saturday, the results being as follows: 1st, A. Gibson, time 52¼ minutes; 2nd, H. Flint, time 52½; 3rd, H. Saunders, time 55. There were seven entries. The competition is for a silver cup offered by Commodore A. Gibson, to be decided on the best of five races, to be sailed Saturdays until finished.

Football Teams Tie.

Berlin, July 20.—Brussels played the Royals of Berlin this evening in the final for the intermediate championship in the W. F. A. series. Score at end of first half, 1 to 1. Heller of Berlin, the goalkeeper, was put out of the game by straining his leg, Bricker taking his place. In the second half each side scored 2 goals, making the score even, 3 to 3. Rain interfered with the game and made the grounds slippery. Both teams, however, played good combination. Umpire—Harry Brown. The Royals go to Brussels Friday evening. Players:

Brussels (3)—Goal, Kerr; backs, Gerry, Wheeler; half backs, Brown, Robinson and Querin; right wing, Cameron and Ray; centre, McRae; left wing, Good and Roach.

Royals (3)—Goal, Heller, Bricker; backs, Scherer, Lobsinger; half backs, Reschart, Kuhn and Sheriffs; right wing, Odrowski and Roschman; centre, Heller; left wing, Brinkart and Kuas.

Cricket Slips.

The Aura Lee Cricket Club (Church of the Redeemer) and the Scarboros played the return match last Saturday, the Aura Lees winning by a score of 71 to 58. Mr. E. B. Brown, president of the Scarboros, and Mr. J. E. Jones, president of the Aura Lees, made the highest scores.

The Hamilton Cricket Club has had to cancel its fixture with the Toronto Cricket Club for Civic Holiday. In place of this a match a game has been arranged with an eleven from the combined church clubs of the city and neighborhood. There are some very good players in the Church League, and a game between the Toronto club and the pick of the Church and Commercial Leagues should make a very interesting game. The game will be played on Varsity lawn, commencing at 10.30.

Best time performance, 1¼ miles, with 124 pounds up, in 2.03 1-5.

McCHESNEY.

Ch. c., 4, by Macduff—Manola Mason; owner, E. E. Smathers, New York; value $60,000.

Won in stakes and purses up to July 1, including the Great Western Handicap, from his 2-year-old form, $139,800.

Best time performance, 1¼ miles, with 127 pounds up, in 2.04 1-5.

Principal stake victories this year at Chicago: Harlem National Handicap, Austin Stakes, Oakwood Handicap, Great Western Handicap.

The meeting between McChesney, champion of the West, and Water Boy, the acknowledged leader of the East, to-morrow, will be a sporting event that will arouse the interest of every lover of racing from San Francisco to New York.

Two such wonderful race horses as McChesney and Water Boy have not been seen since the days of Domino, Dobbins, Luke Blackburn, Firenzi and the peerless thorobreds whose races made past turf history.

There is always the keenest rivalry between the east and the west as to which has the champion race horse of the year. Last year Hermis was the crack 3-year-old of the east, while McChesney was the acknowledged champion of any horse of his age in the west.

Hermis, instead of upholding his three-year-old form, has lost prestige by being beaten by horses which last year could not be considered in his class. Not so McChesney. He has grown into the champion which his 3-year-old form gave promise he would. In every race he has packed the weight a champion is expected to carry and carried it like the magnificent thorobred he is.

Track conditions have not daunted him and his races on a fast and slow track have been equally good. His every performance has stamped him a champion.

Water Boy has shown that in the east he is also the king of racers. His performances in his various starts have stamped him as a worthy foe of even the kingly McChesney.

From a fine standpoint the Haggin horse has run some remarkable races, notably his win of the Suburban Renewal, when he covered the mile and a quarter in 2.04¾.

Odom will be the jockey who will pilot Water Boy, and as the boy has ridden him in his previous races he can be depended upon to give him a finished and perfect ride.

When these champions go into the starter's hands they will carry at least a million and possibly several million dollars in wagers. Every one in the west who is at all interested in racing will want to place a wager on the Smathers pride; and the game will hold good for those followers of racing in the east.

Crack Bowlers Coming West.

A crack rink of Scotch bowlers, now resident in Montreal, will play in the Niagara tournament. The quartet are members of the Westmount Bowling Club. The players are: James Wilson, William Brown, D. Williamson, James Brown.

The above gentlemen are originally from Sanquhar, the home of the Toronto Williamsons, the well known curlers. The town is renowned as a bowling centre and is well known thruout Great Britain. The Sanquhar Bowling Club having turned out some of the most noted captors of trophies in modern history of the game of bowling. The team is undoubtedly a strong combination, says The Montreal Gazette, having received their training on the Sanquhar green, and proved their meritorious reputation on the Kensington green, Westmount.

A New York despatch last night said: In addition to Water Boy and McChesney, it is announced that The Rhymer has been entered. Claude, that was reported would start, was not entered

TORONTO BEAT TOURISTS 200 SAW LACROSSE GAME

Oxford-Cambridge Outscored at Rosedale by 9 to 4—C.L.A. Games on Monday.

A team from the Toronto Lacrosse Club won from the touring Oxford-Cambridge twelve at Rosedale yesterday afternoon by 9 to 4. Not more than 200 people were in attendance, the threatening weather having a decidedly deterrent effect. The Torontos presented a weak team, juniors subbing for Hanley, Iler, Grey, Jackman and Adamson. The visitors have improved greatly since their first game here, but have still a lot to learn. They check well and play straight for the flags. Their passing is slow, and their combination, tho pretty, is not rapid enough to be effective.

The game was played under the C.L.A. rules, the quarters being curtailed to 15 minutes each. The visitors had much the better of the first period, scoring the only goal. In the second, with the score 2 to 0, the Torontos got down to work, and, despite the good defence of the Collegians, scored eight straight goals. Scott, the English goal-keeper, made a number of fine stops. After the game the visitors were banqueted in the club house. The teams and summary:

Oxford-Cambridge (4): Goal, H. W. Scott; point, N. Spicer; cover-point, M. Spicer; defence field, J. W. Lloyd, G. Sisterson, H. P. Whitley; centre, F. D. Ascoli; home field, W. Coop, H. D. C. Ross, W. N. Beckford-Smith; outside, J. C. Beckford-Smith; inside, S. B. Hartley.

Toronto (9): Goal, Brown, point, Moore; cover-point, Jeffreys; defence field, Beynon, Selby, Kirkwood; centre, Cawthra; home field, Querrie, Mara, McLaren; outside, Henderson; inside, McLean.
