BASEBALL.

THE LOSING LONDONS.

About 175 people went to Tecumseh Park yesterday, and were sorry they did. They saw the Londons fall down again before the Hamiltons, after a faint show of resistance, and they had to swallow their chagrin while Dean and Hagerty gloated continually and without ceasing. It was the same old story—the Londons could not hit in the right spot. A brawny blacksmith named Bradford, who is not unknown in these parts, sent such swift balls over the plate that the local sluggers found it difficult to knock them very far, and for the most part sent little pop flies and grounders to the infield. For London, Beal pitched a good game. There is nothing wrong with any of the local pitchers, but they cannot win unassisted.

Meara and Sechrist changed places, as announced, and Keenan made his debut as captain. Keenan did his best to shake ginger into the team by vigorous coaching, but he failed to put power into their bats.

The management should respect its patrons more, and provide a regular umpire. It is a mere farce for players to officiate, no matter how competent. There was no excuse for yesterday's delinquency, as President McArron had telegraphed the management to appoint Joe Weber, who is an official substitute. Weber was at the grounds, but was not even asked to fill the post.

There is little to be said about the game. In no inning did the Londons bunch their hits. In the first, second and fourth they had two men on bases, but it availed them nought. In the seventh Sechrist's charity and Schrall's juggling of Jones' single gave the Londons their solitary run.

Three singles and a charity gave the Hams their first run. Two singles and bad errors by Grimshaw and Reuning gave them two more in the fifth, and two charities and two singles another brace in the sixth. The score:

NOTES.

No more umpiring by players.

Reuning dropped an easy fly and was guyed.

Marr Phillips made his first error in a long time.

Monday, 4 to 1; Tuesday, 5 to 1; Wednesday—?

Both Hagerty and Elton had batting averages of 100 per cent.

Hagerty carries more real estate on his person than all the others together.

Crowe replaced Sechrist in the eighth, the latter having injured his thumb.

Today the Londons will run up against McCann, the Hams' crack pitcher. It isn't comforting.

Schrall's running one-hand catch of Howell's fly, in the seventh inning, was the finest piece of fielding this season on the home grounds.

The gentleman who put brown paper over the sun window in rear of the press box is hereby thanked. The newspaper men are thankful for small favors.

GUELPH AND BAY CITY.

Guelph, June 7.—With regard to the rumor of the Bay City club being transferred to Guelph, Mr. Sleeman today says that overtures were made to him respecting the matter, but nothing definite has been settled. It is not yet known whether the club will be removed from Bay City. Should the patronage received in Bay City not improve there is a likelihood of the club having either to disband or be taken over by some other place. Further developments are expected shortly.

Saginaw News: The attendance of ladies at the ball games has increased until as many of the fair sex attend as men. In the past, owing to the fact that women of questionable character were admitted to the games, the attendance of respectable women has been small. This year all women of questionable character are not admitted to the grounds.

ST. THOMAS WINS.

St. Thomas, June 8.—The home team again defeated the Port Huron aggregation here. Sutthoff pitched a beautiful game for the locals, blanking the visitors in every inning except the third. Habel, who did the twirling for Port Huron, was less effective. St. Thomas made ten hits off his delivery, including a home run, a three-base hit and two doubles. Martin's work with the stick was a feature. Score:

FLYS.

Hagerty, Phillips and Congalton are raising havoc with the pitching averages of the other teams.

Umpire McNierney is being roasted by the Michigan clubs.

Hamilton Herald: A crowd, numbering fully 1,000 people, gathered in front of the Herald office last night and vigorously cheered the news of the Hams' victory at London.

Hamilton Herald: It is said that the Springfield club of the Eastern League is looking about for a new home, and among other cities mentioned in the Toronto World in connection with the proposed transfer of the franchise is Hamilton. The World will please proceed to remove our name from its list. Hamilton doesn't want the Springfield franchise.

A challenge from T. F. Kingsmill's clerks to those of Smallman & Ingram to play a friendly game of baseball was accepted, and the game took place on Tuesday afternoon at Carling's Heights, which resulted in an easy victory for the latter by a score of 17 to 2.

President McArron, of the International League has written Manager Holman, congratulating him on the splendid article of ball being furnished the public, and on the fine reputation the league is making for the gentlemanly conduct of the players. He asks Mr. Holman's assistance in upholding the umpires, who, he says, have orders to sit down hard on rowdy ball.

ATHLETICS.

TWENTY ROUNDS.

Buffalo, N. Y., June 8.—Martin Flaherty, of Salem, Mass., and Billy O'Donnell, of Memphis, Tenn., fought a twenty-round draw at the Olympic A. C. Tuesday evening. The men weighed in at 124 pounds. O'Donnell had all the better of the first ten rounds, showing great cleverness. Flaherty did better work until the nineteenth round, when O'Donnell woke up, and made a whirlwind fight, forcing Flaherty to the ropes repeatedly. In the last round Referee Jack Sheehan, of Boston, was almost knocked out by a blow on the nose while endeavoring to separate the fighters. In the preliminary bout Doc. Payne, of Cleveland, won from Jack Baty (colored), of Buffalo, in the third round, after some very rough fighting.

TURF.

DETROIT DERBY.

Detroit, Mich., June 8.—Six thousand people saw the second renewal of the Detroit Derby at the opening of the running meeting at Highland Park yesterday. Stanton & Vicker's Strathmore colt Isabey won the Derby and the $1,500 first money in clever style from Nabob and Miss Gussie. Alice Farley and Laverock were the other starters. They ran in close order all the way. Miss Gussie led by a length for the first half mile, the others being well bunched. Laverock then led the bunch until they straightened for the finish. At the quarter pole Isabey came in with a rush and won by a length and a half to the good. Nabob and Miss Gussie fought it for the place, and the former drew away near the end and got the verdict. Alice Farley and Laverock were three lengths back. Isabey was always the favorite in the betting, and Nabob was a strong second choice. Three of the six favorites won yesterday. Summary:

The regular annual meeting of the East Middlesex Farmers' Institute was held yesterday afternoon at the court house. There was a small attendance, owing to the period of the year at which it is held. MR. THOS. DOLPHIN, TARA, ONT., says: "I had Itching Piles for about ten or twelve years, and tried everything I could hear or read of, and found that nothing did me any good. Mr. Hilborn, the druggist, gave me a sample box of Chase's Ointment, and from the first application I found relief, and was able to go to bed and sleep. I then purchased one box and that one cured me so that I have not been afflicted since, and that is over a year ago."
