A Well Thought Out Bargain List for Today

What the Home Lovers' Club Means!

The enrolment of Club members that began yesterday means that hundreds of our customers are eager to take advantage of our offer to householders, which is—

That they may choose their Furniture and have it delivered immediately at the close cash prices quoted here—but they may spread payments for it over the rest of the year, without paying one cent for the accommodation.

At this time, when there are so many calls for "cash," it hurts to invest the major portion of one's cash surplus in homefurnishings. The Home Lovers' Club solves the problem, without costing you a cent extra. See Secretary, Fourth Floor, before beginning your buying.
