F. K. REESOR MADE WARDEN

J. D. Evans Failed to Turn Up in Time to Vote and the Tie Was Broken.

NOVEL IDEAS ON RAILWAY CONTROL.

Committees Appointed and Everything Ready for the Work of the County Council.

The tie betwen James Chester and F. K. Reesor for the warden's chair was broken yesterday morning by Mr. J. D. Evans, who was not present when the vote was taken. As Mr. Evans had voted for Mr. Chester on Tuesday, the vote yesterday stood 9 to 8 in favor of Mr. F. K. Reesor.

Virtue of Punctuality.

Mr. Reesor, who was led to the chair by his mover and seconder, made a brief speech, in which he impressed upon the Council the necessity of punctuality.

Requests for Grants.

The County Commissioners reported that no reasonable offer had been received for the old Court House building. Several requests from patriotic, sporting and agricultural societies were made for grants.

Electric Legislation.

Mr. Norman gave notice of motion that tomorrow he will move that the Legislative Committee prepare and submit to the Council for approval at the present session a memorial to the Ontario Legislature praying at the said session for legislation in regard to electric railway companies that will fully safeguard the rights of the people in their highways and provide against the erection of monopolies in local transportation.

That the present law be so amended as to prohibit the granting of franchises for more than twenty years.

That a commission or board of arbitration, with power to enforce its decisions, be appointed, to whom shall be referred all disputes in relation to farm and freight rates, services, connections, etc.

That when the stock in an electric railway acquires a value beyond the outlay of the investors, that the rates for passengers and shippers be so reduced as to approximate the natural value of the service.

Ready for Work.

A striking committee was formed to name the committees for the year. A few changes in the report were made in council, the final result being as follows, the first named in each instance being chairman:

Finance—Fisher, Norman, Boag, Gardhouse, Chester, Johnson.

Bylaws and Legislation—Evans, Pugsley, Gibson, Lundy, High, Gardhouse.

County Property—Baker, Ley, High, Stokes and Johnson.

Printing—Woodcock, Hall, Lundy, Norman, Chester, Hartman.

Education—Hartman, Hall, Gibson, Woodcock, Ley.

Equalization—Hall, Boag, Evans, Baker, Fisher, Ley, Woodcock, Stokes, Pugsley.

FUNERAL OF JOHN RUSKIN.

Remains of the Great Author and Scientist Removed From Brentwood to Coniston Church.

London, Jan. 24.—The remains of John Ruskin were removed to-day from Brentwood to Coniston Church. The coffin was borne by 12 villagers, and was followed by Mr. and Mrs. Severn and a few friends and neighbors. The bier was smothered with a wealth of blossoms.

The public will be admitted to view the casket until the time of the funeral, which takes place to-morrow.

Menelek Quits War.

Moscow, Jan. 24.—According to a telegram from Massowah, the Negus Menelek has sent his courier to Europe to arrange for His Majesty's journey to Paris during the coming Exposition. The negus intends making the trip by way of Odessa and Moscow to St. Petersburg, whence he will visit the courts of the other leading Continental countries.

British Steamer Crippled.

St. John's, Nfld., Jan. 24.—The British steamer Osborne, Capt. Rettl, from London 18 days for Philadelphia, in ballast, has arrived here with machinery disabled and short of coal, having met a succession of gales while crossing the Atlantic. She will be here some days repairing.

CHURCHES SHOW PROGRESS

Annual Meetings of Several Presbyterian Congregations Were Held Last Night.

OUTLOOK FOR NEW YEAR BRIGHT

The Different Church Organizations Have Worked Well and Prosperity is the Result.

Several Presbyterian Churches in the city and vicinity held their annual meetings last night. The year's progress in Christian work was reported, and showed an advance gratifying to all concerned.

The different departments of church work have been unusually active, and the new year opens with a full earnest of continued prosperity.

South Side Church.

The annual meeting of the South Side Presbyterian Church was held last night. The pastor, Rev. William McKinley, occupied the chair. After devotional exercises, the reports showing the standing of the church were presented, and were satisfactory. The sessional report showed the number of communicants to be 192, and also that 26 had been added to the roll during the year, 10 removed and 10 baptisms.

The treasurer's report was a particularly satisfactory one, as it showed that not only had a good sum been paid on the mortgage, but that there was a substantial cash balance on hand. During the year the total receipts were $2685, and expenditures $2261. The present liabilities are $6550. Good reports were presented from the Sabbath School Ladies' Aid, W.F.M.S., and Y.P.S. C.E.

The managers elected were: Messrs. J. J. Kennersley, J. A. Marsh, J. McGavin and W. S. Mitchell, for a three-year term. Trustees elected: Messrs. W. K. Caldwell, D. McClay, S. Mitchell, J. McGavin and William Bink.

Eglinton Presbyterians.

The annual congregational meeting of the Eglinton Presbyterian Church was held at the church last evening, the Rev. J. C. Tibb presiding over a representative gathering. The financial statement showed total receipts of $648.14, with expenditures of $642.17, the receipts being an increase over last year of $105. The W.F.M.S. presented a report of the year's work, which was spoken of as very successful, and regretted the loss of two of the members—Mrs. Bryce and Mrs. Davies—who had died during the year. During the past year, thru the efforts of the Ladies' Aid, the church has been renovated and newly seated, the cost of which was not included in the treasurer's general statement.

Deer Park Presbyterians.

The annual meeting of the congregation of Deer Park Presbyterian Church was held at the schoolhouse last night. Mr. B. Sinclair, the treasurer, presented his annual report, which was congratulatory to the members. The total receipts for the year were $3014.39, and the disbursements $3119.17. The total collections during the year were $558.87 in excess of those of last year. A floating debt carried at the last report of $1270 had, thru the efforts of Mr. J. Kay, the pastor, been almost wiped off, the small sum of $71.50 being still left. During the year 14 new members had been added—12 by certificate and 2 by profession of faith—8 certificates had been given, leaving a net gain of 6. The total membership is now 183. Reports of the various church organizations were also satisfactory. The elections to fill the places of the retiring members of the Board of Management resulted as follows: Messrs. W. J. Thompson, D. C. Murray, Gordon Crean and A. McLaughlin. Mr. H. Swann was recommended for representative of the session on the Managing Board. Mr. H. Swann presided over the meeting.

Fern-Avenue Church.

At the annual meeting of the Fern-avenue Presbyterian Church, held last night, reports were presented which showed that the total receipts from all sources for the past year amounted to $1700, leaving a fair sized balance on hand. The Sunday school was also reported to be in a good condition, and has over 200 pupils attending. The Ladies' Aid Society and the Christian Endeavor during the past year rendered splendid assistance to the church, and thru the efforts of the former organization about $200 was raised. The question of raising $850 for the century fund and applying it to wipe off an old mortgage on the church was discussed at some length.

Recently the church has been enlarged at a cost of $1000, and it was a matter of congratulation to the managers to report that this had nearly all been paid.

The election of managers resulted in the return of W. L. Rome and W. G. Robertson. They were elected for a term of three years.

St. Enoch's Church.

Reports showing prosperity were presented at the annual meeting of the congregation of St. Enoch's Presbyterian Church held last night in the Sunday school room. Altho the church is in debt it is gratifying to the managers to know that the congregation in the past year subscribed $400 to relieve this debt. Mr. William Kerr presided, and the attendance was large. The manager's report gave $3221 as the revenue for the past year, or $3920 as the total receipts from all sources, being an increase of $1092 over the previous year. The amount of $110 had been raised towards the purchase of an organ, and $100 had been devoted to improvements, while electric lights had been introduced. The treasurer's statement showed the receipts to be $3228, and the disbursements $3220, leaving a balance on hand of $8. The floating debt amounts to $1450, while the mortgage is nearly $13,000. During the year nine were admitted to membership by profession of faith and 50 by certificate. Three had been removed by death, 15 by certificate and 15 without certificate. Total number of communicants on roll, 247, an increase of 26 over the year 1898. The number of baptisms was 14. The session report referred to the presenting of a handsome marble column by Mr. McIntosh to the church. In the Sunday school the scholars numbered 285, and the teachers and officers 27. There is a cash balance of $40 to the credit of the Sunday school. Reports were read from the Bible class, Women's Foreign Missionary Society, and Missionary Collectors' Committee. The chairman called on the congregation to contribute liberally towards the Century Fund, and at the same time not to forget their own church. His plea for more money resulted in the passing of a resolution moved by P. G. McGregor and seconded by D. Ford, that the matter be left in the hands of the session for that body to devise means and ways for the taking up of subscriptions. The following were added to the Board of Managers: Messrs. T. Arbuthnot, A. T. Blain, W. Colville, G. Fleming, J. D. Kearchie, W. J. C. Wilson, P. G. McGregor, J. P. McIntosh, W. Selby, R. White.

A Professor on Individualism.

Prof. J. G. Hume, Toronto University, delivered an excellent address on "Some Problems and Principles of Social Reform," before the Canadian Socialist League, in St. George's Hall, last night. The address was a conclusive argument against individualism and in favor of collectivism, in both church and state, altho too many have the individualistic idea of Christianity. Dr. Hunter, Knox College, was chairman.

THE TECHNICAL SCHOOL BYLAW REFERRED BACK

Continued from Page 5.

Dunn (chairman), McMurrich, Bowman, Hubbard, Foster were present.

The committee discussed the work of the Relief Engineer at $720 recommended salary.

Ald. Hubbard believed the office to be most necessary.

Chief Thompson: As you must have a relief engineer anyway why not have an experienced mechanical engineer?

Ald. Dunn did not see the reason for a higher salary than any other engineer.

Ald. Hubbard moved a salary of $800, the same as a foreman. Carried.

Ald. McMurrich thought the chief should set forth the duties of the three men appointed caretakers.

Ald. Hubbard took exception to the item of 25 hydrants in new locations. Twelve ought to do. Twelve were recommended.

The Mayor and controllers come into the room, and Ald. McMurrich remarked that His Worship was overdue.

The Mayor: I am not due here at all. You are too clever altogether.

Ald. Hubbard urged that the item of $4000 for the Bay-street aerial hook and ladder truck be allowed to stand until the building is provided for it.

The item was allowed to stand in the estimates in the expectation that the building will be provided.

Ald. Frame tendered an apology for delay in attending. He had been at the Board of Control meeting. All the other items went thru.

The following communications were read:

"We the undersigned members of the fire brigade, affected by the grading scale of salaries, request that after serving three years, the maximum rate of salary be paid, and that the men be graded as follows: First year, $400; second year, $500; third year, $600; fourth year, $700. (Signed) W. T. Dalby, James Armstrong, W. Crawford, Thomas Graydon."

"We, the engineers, request an increase of salary. Last year our salaries were overlooked: R. Coupland, E. W. Brown, E. Farrants, Thomas Croucher, W. N. Cross."

This letter was accompanied by a letter from the chairman of last year's committee, Mr. Frankland.

Ald. Hubbard did not think they could consider an increase in the estimates this year.

Ald. Foster: Why were these men not dealt with last year?

Ald. Sheppard (as a member of the Board of Control) said there should be a recommendation to the Board of Control for or against.

Ald. Dunn said he had no views in the matter.

Chief Thompson: I don't object to them getting an increase, but I have not come here to recommend it.

Ald. Hubbard: Let the commissioners stand until the head of the department gives a recommendation. We are facing a year of exceptionally high taxation. The matter was allowed to stand over till the next meeting. Adjourned.

ESTIMATES FOR PARKS.

Commissioner Chambers Asks for $59,442 to Pay Old Bills and Run the Parks for 1900.

Park Commissioner Chambers recommended to the Parks and Exhibitions Committee yesterday estimates for 1900, amounting to $59,442, as against an expenditure in 1899 of $47,674. The commissioner had an overdraft of $5981. He recommended permanent improvements in the various parks to the sum of $7911.

The principal details of the report deal with the necessity for putting water closets in the section of Queen's Park, north of the Parliament Buildings. These would be closed up in the winter. The commissioner could not too strongly recommend more seats in Queen's Park, and unless money were voted they could not be put there. Attention was directed to the Riverdale Park fence on Winchester-street, which is unfinished between the Necropolis gate and the bridge. A tennis court is recommended where the old House of Refuge stood.

In the Horticultural Gardens.

In the Horticultural Gardens, removal of the old closets and the erection of new ones is recommended. The present "conveniences" are disgraceful. Telephone extension to High Park is mentioned, and the dredging out of Catfish Pond connecting it with Grenadier Pond. A closet for the west end of Island Park is recommended, as well as increased seating accommodation.

Paving and decoration of the Pavilion is suggested, and for Leslie Grove a fence to keep the place decent. The earth slopes of the Arthur-street bridge filling should be planted with dwarf shrubbery and deciduous trees. The commissioner is in favor of band concerts in all the parks.

Summary of the Estimates.

Following are the summaries of the estimates:

Island Park	$ 6,535.00
Island Park	1,815.00
Electric Station Park	805.00
High Park	5,993.90
Queen's Park	5,525.00
Riverdale Park	3,507.00
Exhibition Park	14,286.23
Bellwoods Park	670.00
Stanley Park	300.00
Memorial Park	415.00
Ketchum Park	225.00
Horticultural Gardens	5,555.00
Horticultural Pavilion	3,745.00
Tree Trimming and Planting	3,075.00
Extermination of Tussock Moth	750.00
Nursery Grounds	1,750.00
St. James' Square	150.00
Public Squares	1,610.00
Leslie Grove	160.00
Office	650.00
Miscellaneous	1,000.00
Commissioner's salary	1,650.00

The estimates went thru unamended.

Island Park.

Ald. Burns' motion regarding the enlargement of Island Park was referred to the commissioner for a report, with special attention to the idea of enlarging south and west to the lake shore.

The sum of $10 was ordered to be refunded to the St. George's Society and the Sons of England.

Mrs. Myers' application from last year for a refund of $200 on her rental of the High Park refreshment booth was not entertained.

Civic Notes.

The Board of Control had a private meeting yesterday and further discussed the street car problem without coming any nearer to a conclusion than on Tuesday.

The sub-committee of the Property Committee to discuss the condition of the cattle market meets this morning at 10. The sub-committee to consider the labor bureau meets at 2.30 and the Property Committee at 3.

REGIMENTAL COMMITTEES.

Officers of Q. O. R. Held Their Annual Meeting in the Armouries Last Night.

The annual meeting of the Q.O.R. was held in the Armouries last night. The difficulty with the band, so it was reported, had been settled, and by next spring it would be thoroly organized.

The following officers were elected:

Finance Committee—Major Pellatt, Major Mason, Capt. Wyatt.

Band Committee—Capt. Wyatt, Lieut. Royce, Lieut. Plummer.

Rifle Committee—Capt. Rennie, Lieut. Crooks, Lieut. Findlay, Lieut. Complin.

Mess Committee—Capt. A. T. Kirkpatrick, Lieut. A. J. E. Kirkpatrick, Lieut. Gunn.

Treasurer—Lieut. J. George.

R. C. B. C. AT HOME.

An Enjoyable Function Held Last Night at the Temple Building.

The assembly hall of the Temple Building was the scene last night of the annual at home of the Royal Canadian Bicycle Club. Over 200 couples attended the function, which proved to be one of the most enjoyable in the history of the club. On the platform in the dancing hall were arranged the many handsome trophies won by this popular sporting organization, while the walls were made pretty with club pictures, overhung with Union Jacks and streamers of bunting. At midnight the dancers adjourned to the Temple Cafe, where a pleasing menu was served by Caterer Davey.
