HOLLOWAY'S OINTMENT.

ERYSIPELAS OF EIGHT YEARS DURATION CURED!

Copy of a Letter from George Sinclair, Esquire, of Paris, Canada, dated the 18th of July, 1854.

To Professor Holloway.

Sir,—I feel a pleasure and pride in bearing witness to the wonderful benefit I have derived by the use of your inestimable Ointment and Pills. For eight years I suffered unceasingly from attacks of erysipelas; large purple blotches came all over my body; in addition to the unpleasant feeling of itching and burning, which effected me both night and day, rendering life misery to me, as well as to all around,—so severe was the attack. I used several reputed remedies without depriving the least cessation to my misery. At last, I determined to try your Ointment and Pills; after taking them for a few weeks, a visible improvement took place, and I feel considerably better;—in three months, by continuing with your medicines, I was completely cured, and now enjoy the best of health. The truth of this statement is well known here, hence there is no necessity for me to request secrecy.

I am, Sir, yours respectfully,
(Signed) GEO. SINCLAIR.

ULCERS IN THE LEG.—REMARKABLE CURE!

Copy of a Letter from Mr. Edward Tomkinson, of Cape Breton, Nova Scotia, dated the 4th May, 1854.

To Professor Holloway.

Sir,—My sister, Mrs. Jane Tomkinson, suffered for a great number of years from a bad leg, in which there were several deeply seated and old wounds, defying the skill of some of the most eminent of the faculty, a variety of remedies were also used unsuccessfully; and it seemed to me that there was at not any thing capable of mitigating the agonies she endured. At length she had recourse to your Ointment and Pills, and after using them for about five weeks, she was completely cured, after all other means had failed to afford her the slightest relief. I have no objection to these facts being published, if you feel disposed to make them known.

I remain, Sir, your most obedient servant,
(Signed) EDWD. TOMKINSON.

A BAD BREAST CURED WHEN IN DEATH'S DOOR!!

Copy of a Letter from Mr. Henry Baldwin, of Three Rivers, Canada West, dated July 9th, 1854.

To Professor Holloway.

Sir,—My wife suffered most severely after the births of our last child with a bad breast. There were several holes in it, one as large as a hand; all the devices and strategems I tried would not heal them, but assumed an aspect more frightful than before, and horrible to behold. As a last resource I tried your Ointment and Pills, which she persevered with for seven weeks, at the expiration of that time her breast was almost well; by continuing with your remedies two more weeks, she was entirely cured, and we offer you our united thanks for the cure effected.

I remain, Sir, yours truly,
(Signed) HENRY MALDEN.
