CARPENTIER COMING TO STATES TO FIGHT FOR FRENCH RELIEF FUND

Soldier Champion Ready to Meet Either Jess Willard or Les Darcy, the Australian Champion, if the Proceeds Are Devoted to Patriotic Purposes—Fight Promises To Be Most Remarkable and Profitable Enterprise in History of Pugilism.

NEW YORK, Dec. 5.—Tentative arrangements for the appearance of Georges Carpentier, the French heavyweight champion, in a local boxing arena, for the benefit of a French war relief fund, are expected to be completed within the next 48 hours. Tex Rickard, who is endeavoring to stage the bout, plans to pit the famous French pugilistic idol against Jess Willard or Les Darcy of Australia, in a ten-round no decision bout at Madison Square Garden late in February.

Both Carpentier and Willard have given their verbal consent to the proposals of the promoter, who has conducted his negotiations with the French champion through the members of the American fund for French wounded. It was necessary to obtain the assistance of this association if Carpentier was to get a furlough from the French army, with which he has been fighting since the beginning of the European war.

It is understood by those most interested in the proposed contest that the French army authorities have agreed to give Carpentier the desired leave of absence, in view of the fact that the boxer has expressed complete willingness to donate his share of the purse to the relief of the fund.

Contracts between Carpentier, the officers of the American fund for French wounded, and Promoter Rickard have been drawn up in triplicate, and one of these is thought to have arrived in Paris today for the signature of the French pugilist. The contract, which stipulated that Carpentier shall meet any white boxer selected by Rickard, calls for the payment of $25,000 to the American fund for French wounded, $20,000 to Carpentier, in addition to $10,000 for his traveling expenses, and a like amount for his share of the moving picture receipts. The fund is to receive approximately one-third of the moving picture proceeds and a certain percentage of the gate receipts should they exceed a given figure. The films are expected to prove remarkably profitable, if shown in France for the benefit of the fund.

Sporting men are of the opinion that a contest between any two of the three fighters named will prove the most remarkable and profitable international bout in the history of pugilism.

COMING AS STOWAWAY.

SAN FRANCISCO, Dec. 5.—Les D'Arcy, the Australian fighter, left Sydney, N.S.W., October 28, as a stowaway on the American steamer Hattie Luckenbach, according to George Chip, the Pennsylvania middleweight, who arrived here today from Australia on the liner Sierra. D'Arcy got a decision over Chip during the latter's stay in the Antipodes and Chip said today he won because he was the better man.

The Luckenbach arrived at Taltial, Chile, November 18.

WILLARD WANTS $75,000.

CHICAGO, Dec. 5.—Tom Jones said tonight he would demand $75,000 with the privilege of 40 per cent of the gross receipts for Willard. He expected to talk over the proposed fight with Rickard in a few days.

Amateur Illinois Shot Gets 196 Out of 200

M. P. Arie of Tomasboro, Ill., Takes Honors in Tuesday's Events in International Shoot, Now in Progress in St. Thomas—Bob Emslie Wins Hit and Miss Event.

[Special to The Advertiser.]

ST. THOMAS, Dec. 5.—With the best of weather, although not too good in the early morning, The St. Thomas Gun Club's annual handicap shoot went off today without a hitch. The honors in today's events went to M. P. Arie, Tomasboro, Illinois, an amateur shooter who took 196 out of a possible 200.

The day was taken up almost entirely with a series of 10-round 20 target events, with a purse of $200 for the winer. Some of the best shooting for some time was witnessed throughout the day. "Dad" Hiekes of Cincinnati, one of the oldest shooters on the grounds, made things move, but still did not show as good form as was expected, although he may still make better toward the end of the series. Roland Day, a London shooter, made a fair showing, taking 182 out of a possible 200, but did not come up to his expectations, although for a beginner he broke first-class. W. J. McCance, manager of the club, made a low average, but will probably rise toward the end of the series.

The events will continue until Friday next, the closing day, several handsome prizes have been awarded, and others are still waiting the winners. Wednesday will be a continuation of the regular trap events, commencing sharp at 9 in the morning. Bob Emslie, the National League baseball umpire, won the miss and out event.

SARNIA, WOODSTOCK AND STRATFORD TO COMPOSE O.H.A. GROUP

Tunnel City Dopesters Busy Figuring Up the Lineup.

VETERANS ARE AVAILABLE

Good Supply of Material From Which to Chose Junior and Intermediate Teams.

[Special to The Advertiser.]

SARNIA, Dec. 5.—The annual meeting of the O. H. A. held in Toronto on Saturday last awakened interest in the local hockey players and followers of the game, and dopesters are busy figuring out the possible grouping of this district. Some are of the opinion that this district will be composed of Sarnia, Stratford and Woodstock, but this will be definitely decided at the meeting of the district committee of the O. H. A. on Friday next.

The local juniors, of which there are two teams, are making preparations for their initial game, and roadwork and other forms of exercise will be used for conditioning until ice is available. With the material in the city, their chances look very rosy, most of the former juniors are still in the city, including Sedgwick, Wright, Lucas, Stewart, Parsons and others, who will form the nucleus of the St. George's junior team, and for the septette to be known as the Sarnia Juniors there are Carson, Arbor, Phippen and several newcomers who are eligible for junior hockey.

The outlook for the intermediate seven is even more bright, besides last year's veterans who copped the championship laurels, namely, McCart, Hillman, Dwyer, Dore, Finch, Brady, etc., the newcomers include several well-known O. H. A. players, who are now residents of the city, Rennick of Bowmanville, Rose of Peterboro, McCauley of Brownsburg, Que., Powell of Parry Sound, Roe of Wiarton and Hammond of Cobalt.

With this material to choose from local followers of the puck and stick predict a successful season with another championship a likely probability.

Abe Attell, the former featherweight champion, intends to lace on the gloves again. He is anxious to box Frankie Burns, the crack Jersey City bantam, in New Orleans.

ANGLICAN HOCKEYISTS FORM CHURCH LEAGUE

Teams From Four Congregations to Enter and Each To Be Player Under Military Age.

At a meeting held last evening in Cronyn Hall a hockey league was formed, to be known as the Anglican Church Hockey League. This league will consist of four Anglican hockey teams, St. James, St. Johns, St. Pauls and St. Matthews.

The players in this league must be under military age, and also be a member of an Anglican church. The boys of this league expect to put on fast hockey and will be equal to any other church league this coming winter.

The games will be played at the Simcoe rink and a meeting will be held in the near future to draw up a schedule for the coming season.

SUFFERED FROM SEVERE HEADACHES FOR TWO YEARS

Headaches are many and varying; but when the head starts to ache you may be sure there is some chief cause. The stomach may go wrong, the bowels become constipated, the blood may not circulate properly, but the presence of the headache clearly shows that unless the cause is removed some other baneful disease is liable to assert itself.

Burdock Blood Bitters has, for the past forty years, been curing all kinds of headaches and has proved itself to be a remedy that cures where others fail.

Mr. I. N. Petershen, Dnieper, Man., writes: "I am only too glad to be able to state that I derived wonderful benefit from Burdock Blood Bitters. I suffered from severe headaches for two years. I was treated by several doctors, but received no benefit until by chance I heard of B. B. B., and I at once procured two bottles and in a short time I was completely cured. I am, and always will be, grateful for what Burdock Blood Bitters has done for me. I am glad to recommend it to all who suffer from headaches."

B. B. B. is the oldest and best known blood medicine on the market today, having been manufactured for the past forty years by The T. Milburn Company, Limited, Toronto, Ont.

PROSPECTS BRIGHT FOR A FINE SEASON IN NORTHERN LEAGUE

Sixteenth Annual Meeting Held at Palmerston.

MANY PLAYERS IN KHAKI

Delegates Decide to Try Out the Six-Man Team Proposal.

[Special to The Advertiser.]

PALMERSTON, Dec. 5.—The 16th annual meeting of the Northern Hockey League held here this afternoon made up what it lacked numerically in delegates in enthusiasm, and prospects were never brighter for a fine season. Officers were elected as follows: Honorary president, W. J. Blackburn, London; past president, Dr. H. V. Coleman, Palmerston; president, William Lustig, Chesley; vice-president, R. J. Currie, Wingham; secretary, W. J. Rhodes, London; treasurer, A. N. Kirkwood, Palmerston; executive committee: Bert Bamford, Listowel; Stanley Burns, Palmerston; Allan Kinder, Preston; J. Cavill, Chesley.

The principal amendment discussed was that in regard to having six-man teams. Owing to the large number of men who have enlisted it was the general opinion that it would be well to try the six-man teams for this season at any rate and see how the plan works out.

It was pointed out that in many cases whole teams have enlisted, as well as many of the managers and officials. All those present spoke in loud praise of the enlistment records of the north, and a proposal to have an honor roll with the names of all hockey players now in khaki, was unanimously adopted. Some of the speakers declared that when the population of the district and other factors are taken into consideration and the honor roll is complete, it will be found that in proportion the Northern League will make a showing that will equal and perhaps excel the showing of the O. H. A., which has a whole battalion of players in khaki.

The groupings for the league will be made on December 18, and all clubs are requested to have their entries in as soon as possible so that there may be no delay in the arrangements.

The amendment to play three twenty-minute periods instead of two of thirty minutes, was discussed, and notice of motion was given for the next annual meeting in favor of this. In connection with recruiting it was mentioned that Lieut. Gordon Burt, the former secretary, is now with the 110th Battalion, and with him are a large number of Northern League men.

Spokane 6, Vancouver 4.

Sam Wallach sends word that three clubs in Providence are bidding for a Marty Cross-Sam Robideau match, the one meeting his demands to get it. He also says that several clubs are seeking the return Cross-Badoud bout, which Dan McKetrick, Badoud's manager, is claiming Marty has run out of.

Boxing

A Montreal boy who was taken prisoner at St. Julien and sent to the German detention camp in Giessen, Grand Duchy of Hesse, has written home, making an urgent appeal for a set of boxing gloves. He said that the gloves would be greatly appreciated by himself and fellow-prisoners.

Eddie Wallace must be coming along some if he can floor Johnny Dundee and get a verdict over him as he did last week in Brooklyn. A right-hand swing in the fourth round did the trick. It is said to be the first time Dundee was ever knocked off his feet.

Charles Mitchell Jun., son of the former British heavyweight, has been promoted to sergeant in the Sportsmen's Battalion (25th Royal Fusiliers). The young man has developed into a crack shot.

Harry Tracey, the Philadelphia featherweight, will return to the ring at Quebec on December 22. His opponent will be Frankie Fleming, the champion of Canada.

Harry Pollok, manager of Charlie Weinert, declares that the reason Billy Miske "ran away" from New York was because he was afraid he would be forced into a battle with the Newark heavyweight, if he remained there.

FORMER LEAF WANTED BY CHICAGO CLUB

CHICAGO, Dec. 5.—The Chicago National League Club is attempting to obtain the services of Fred Mitchell of the Boston Nationals, formerly of Toronto, as coach, according to George Stallings, manager of the Boston club, who is here today. He said, however, that the deal had not been closed.

BASEBALL FOR EUROPE AFTER WAR IS OVER

Owners of Boston American Team Plan to Send Over Players for Major League Exhibitions.

CHICAGO, Dec. 5.—Hugh Ward, who, with Harry Frazee, has purchased the Boston American baseball team and will come into formal possession on December 14, is planning to give Europe some major league baseball as soon as the war ends.

"My plan is to send a couple of baseball teams over as soon as the league season here closes," Mr Ward, who is here today, said. "As for the expense, it will cost less than to send a team from New York to San Francisco. I don't see why the Bostons and some other team should not go over to Europe next fall if the war is over by that time."

OATMAN TO LINK UP WITH SOLDIERS' TEAM

Vancouver, B. C., Dec. 6.—That the Portland Hockey Club and the 228th Battalion management in Toronto will arrive at an amicable settlement this week in the Eddie Oatman case, and that the coast league star will be given permission to line up with the soldiers' team in the N. H. A. is indicated in a wire received here from Portland.
