BELMERE IN THE MUD WON $10,000 BROOKLYN DERBY

The Quail Was Second 25 Lengths Away and King Henry Third, Another 20 Lengths Back.

New York, June 16.—On a track deep in mud and to his liking, Belmere, winner of the Buffalo Derby, to-day added another race to his credit by easily winning the Brooklyn Derby of $10,000 at Gravesend.

Owing to the bad condition of the track James Brady withdrew his $40,000 colt. Accountant, and Ironsides also was scratched, while King Henry was added. The Quail opened a 9 to 20 favorite, but gradually went back, owing to the heavy play on Belmere, who was pounded down from 5 to 2 at the opening, to 9 to 5 at the close. King Henry was held at 8 to 1.

The start was good and O'Neill sent Belmere into the lead, followed by the Quail and King Henry. Passing the stand the first time Belmere was leading by one length. At the end of 6 furlongs, O'Neill gave Belmere a breathing spell and the Quail closed up a little, but at the end of the mile Belmere increased his lead to two lengths. From there to the finish he rapidly went away from his field and was eased up by 25 lengths. The Quail stopped badly after racing a mile, but was second 20 lengths before King Henry. The mile and a half was run in 2.37.

By his victory to-day in the $10,000 Tremont Stakes, Waterpearl showed that probably he is the best 2-year-old of the year. The son of Watercress—Pearl V., picked up 129 pounds and conceding 14 pounds to his field, won easily. He was a heavily-played favorite at 7 to 10. Saracinesca and Golfball cut a fast pace for three-eighths of a mile, when J. Jones on Waterpearl, who had been running in third position, sent the favorite up to the leaders. In a few strides he was in front and never afterwards was threatened, winning by two lengths.

Saracinesca was second, three-quarters of a length before Golfball, Coy Maid, the outsider in the betting, won the Marlboro Handicap. Artful, Burgomaster and Tanya have all been declared out of their stake engagements at Sheepshead Bay.

Pillsbury Chess Expert Dead.

Philadelphia, June 17.—Harry Nelson Pillsbury, the chess master, died here today of apoplexy after an illness of many months. Pillsbury was born Dec. 5, 1872, at Somerville, Mass., where the body will be taken. The funeral is to be held there next Tuesday.

Pillsbury learned the rudiments of chess when a boy in Boston. His first notable victory was over John F. Barry of Boston in 1891. Other victories made him one of the quartet of the then most famous players named to compete at St. Petersburg—Lasker, Steinitz, Tschigorin and Pillsbury. His score with the world's champion, Lasker, was 3½ to 2½.

In 1897 Pillsbury won from Showalter the American chess championship, which he confirmed by a second match with Showalter in 1898.

Pillsbury showed his chess genius not alone by match and tournament play. At blindfold chess, it is said, his record has never been equaled. At Moscow he played 22 games without sight of the boards, and at Philadelphia 20 games, which feat he repeated at Vienna.

Roller Skating.

A record crowd attended the roller skating competition at Parkdale Rink Saturday, the result being in favor of Miss Kilty and W. Stout, with Miss Conlan and M. Clemes a close second. The judges were Messrs. Henderson, Spragge and Johnston.

TORONTOS BEAT NATIONALS SATURDAY AT ROSEDALE

The Score Was 6-4, With the Winners Always in the Lead—Cornwall Loses.

The Nationals went down to defeat before the Torontos at Rosedale Saturday by a score of 6 to 4. The Torontos had the better of the play all thru, with the exception possibly of the first quarter, when the Nationals played pretty lacrosse. For Torontos, Lambe shone at intercepting, while Kalls' stickhandling was all that could be desired. Gilmour was at inside home, but showed lack of practice.

The game was late in starting, it being 3.30 when Referee Percy Quinn blew his whistle.

Lambe secured the ball on the faceoff, but the National defence cleared, the ball traveling to the Torontos' end. Hamburg relieved, passing to Carmichael, who shot wide. Gilmour secured the ball behind the net on a scrimmage, passing to Cameron, who scored in 40 seconds for Torontos. Gilmour had a chance to score, but Bellerose cleared. The Nationals' home were playing good lacrosse and had several good chances to score, but all the shots were bounders over the net. Lamoureux had a shot from close in, the ball hitting Regan's pad. Gilmour shot a minute later, but there was nothing doing. Pitre now secured the ball, running in and scoring in 10 minutes, Regan not seeing the ball, as Laderoute ran in front of him, checking his stick. Shortly after Laderoute was hurt on a heavy check by Francis. Gilmour got the ball on the side, rushed in, passing a man and throwing the ball to Carmichael, who scored the second goal for the Torontos in 1 1-2 minutes. The Torontos' home had several chances to score, but the Nationals cleared. Gilmour was now ruled off for 5 minutes for slugging. The quarter-time whistle blew with Gilmour on the fence and Torontos ahead 2 to 1.

Torontos had the first chance in the second quarter, but Kalls shot high. Gilmour, who now came on, secured the ball, ran in, shooting wide. The Nationals' home secured the ball, Regan saving and passing to Richardson, who threw to Lambe, who in turn passed to Carmichael, who from out at centre, ran right in and scored a high one in 4 minutes, the home pulling the defence out. Both defences were now working hard, Regan doing the grandstand work in stoping the ball and the man at the same time. McKenzie checked Lamoureux rather hard; the Frenchman retaliated by striking McKenzie over the head, both going off. Play was now getting rough and Lambe got 5 minutes for tripping. The Nationals' home were pressing, but Regan relieved, Laderoute going off for 5 minutes for interfering with the goalkeeper. Torontos got the ball, it traveling to Gilmour, who passed to Kalls, the St. Kitts man scoring on a pretty running shot in 6 minutes. McKenzie and his man now came on, and also Lambe a minute later. Play was about even when Laderoute's time was up. Kalls should have scored, but shot wide. Half-time was called, the Nationals having the ball, with Torontos ahead 4 to 1.

Torontos had the better of the play at the start of the third quarter. Cameron shot, but Bellerose cleared. Nationals' defence did some nice relieving, but their home passed wide. Carmichael shot the ball, hitting Bellerose's foot. Cameron received a cut over the face, Gauthier going off with him. On the face-off Nationals secured the ball, the home pulling out the defence, Lamoureux scoring on a long shot in 5 minutes. Lambe got five minutes for crosschecking.

Cameron and Gauthier now came on. Kalls scored the fifth goal for Toronto in 3 minutes, on a pretty shot from out in front; Clement going off for putting Kalls out of business. Toronto defence did some great relieving, Kalls securing the ball, shooting, hitting the goal post. Secoure got a check behind the ear, Barnet going off with him. Kalls beat Bellerose with a low one in 11 minutes and Catarinich scored for Nationals a minute later on a pass from Laderoute. The bell now rang, Torontos having the ball.

Gauthier was unable to come on the last quarter, Toronto dropping Gilmour. Torontos were now playing a defence game. Lambe lost his temper, hitting Decaire. Lambe going to the fence for five minutes. Cameron passed four men and furnished some excitement. Pitre and Hamburg tumbled over, Pitre clouting Hamburg; both go five minutes. Play was getting rougher; Clement hit Menary and went off for five minutes. Lambe now came on, missing a pass with no one between him and the flags but the goalkeeper. The National home were keeping the Toronto defence busy. At last, after 12 minutes of play, Laderoute found an opening and scored. Pitre and Hamburg came on, also Clement a half minute later. Lamoureux and Richardson exchanged swipes, both going off. Play was even when Lamoureux and Richardson came on, with two minutes to play. Francis was put off for the game for tripping. Young Torontos Beat Woodbridge.

After the National-Toronto game at Rosedale on Saturday the Woodbridge and Y. Toronto teams played an intermediate C. L. A. game. In spite of the heavy rain the play was fairly good, altho the Toronto boys played rings around the Woodbridge team, which rather detracted from the interest in the game. The Young Torontos seemed to have the same style of play that is characteristic of the senior team by starting in at a whirlwind pace, and they scored seven goals before Woodbridge notched one. Then the Woodbridge team took a brace, and the score at half-time stood: Toronto 7, Woodbridge 2.

On resuming play for the second half the Woodbridge team, which seemed to be taking advantage of the breathing space of the Young Torontos, scored two more goals, making the score 7 to 4. The Young Torontos then started in again, and at three-quarter time the score stood: Toronto 8, Woodbridge 4.

The last quarter was all Toronto, who piled up four more ere the whistle blew. The team play of the Young Torontos was a sight to witness, while Woodbridge seemed lost on the big grounds. The teams:

Toronto (12)—Goal, Mitchell; point, Woods; cover, Rowe; defence, Jardine, Brennan, Crocker; centre, Jack Heal; home field, Mara, G. Heal, Morrison; outside, Tod; inside, Regan; field captain, Tod.
