At the Casino

BELINDA A DECIDED SUCCESS.

The three act comedy "Belinda," was repeated at the Casino last night. Though the audience was not a large one it made up its lack of numbers by the unstinted applause given the performers in the excellent portrayal of their parts.

Preceding the play the following numbers were given:—

1.—Selections by Mount Cashel Band.

2.—"The Last Rose of Summer"—Song by Mr. P. Dobbir.

Rose Drill by Misses Murphy, F. & G. Ross, Edgar, Baxter, Hiscock, Godden, Kennedy, Morgan, Thompson.

3.—"A Kiss in the Dark"—Miss K. Fraser and Mr. R. Herder.

4.—Song—Selected—Miss M. Hutton.

The story of the play centres around Belinda Tremayne (Mrs. John Baxter) a very charming matron whose husband has deserted her some eighteen years ago. Shortly after her husband disappears, a daughter is born. At the beginning of the play the daughter, Delia (Miss Kathleen Fraser) is eighteen years old and has just returned from a Parisian finishing school. Delia knows that her mother is still young and learns she has been carrying out an intrigue with a certain Harold Baxter (Mr. Dick Fraser) and Claude Devenish (Mr. Fred J. King). Both Baxter and Devenish pretend to be madly in love with Belinda and some very amusing play was seen between these three. Baxter and Devenish both propose to Belinda and she says she will accept the one who finds a Mr. Robinson, who is in reality her husband, John Tremayne (Mr. Weston Stirling). In the meantime Claude Devenish has fallen in love with Delia and although he discovers Mr. Robinson first he does not announce the fact to Belinda, but informs Baxter who immediately tells Belinda and asks her consent to marry. John Tremayne, as Robinson, who has seen Belinda many times, realizes that their quarrel was all a mistake, and tells Belinda that he loves her. They both try and hide their identity but are known to each other all the time. In the final act, Belinda and John Tremayne are reunited, while Delia and Claude Devenish discover that love will find a way.

The portrayal of Belinda by Mrs. John Baxter was very clever. Miss Kathleen Fraser was perfectly at home in her part and as usual was excellent. As the maid, Betty, (Miss Mary Ryan) was splendid. Messrs. King, Fraser and Stirling played their parts to perfection. The play was under the direction of Mrs. John Baxter.

Whipping up the Women

Hospitality for Overseas Visitors.

The newly formed Women's Section of the British Empire Exhibition, of which the Queen is Patron and the Duchess of York President, has now got to work.

Mrs. C. C. Grove, the Secretary of the Section, is now installed at 15, Grosvenor Gardens, and rooms have been reserved for the Women's Committee at the new Exhibition offices at Wembley.

In an interview to-day, Mrs. Grove outlined the work of the Women's Section.

"By far the most important of the objects to which members of the Women's Section will devote their attention," said Mrs. Grove, "is that of hospitality for the thousands of Dominion and Colonial visitors who are expected to visit this country in the course of the next six months. Many will be visiting us for the first time, and all, if one may judge from the enthusiasm with which the announcement of the formation of the Women's Section has been hailed, are assured of the finest possible welcome.

"Working in conjunction with us already are the Royal Colonial Institute, the National Council of Women, the Y.M.C.A., the Y.W.C.A., the English Speaking Union, Lady Frances Ryder, the Empire Parliamentary Association, the Girls' Friendly Society and the Victoria and Overseas Leagues.

"All these organizations anticipate a 'boom' year, and are developing their already existing machinery so that they may cater adequately for the wants of visitors from the Dominions and Colonies. Tours and excursion trips are to be arranged, and where possible parties will be conducted around London and through the beauty districts and manufacturing areas. The Overseas visitor will be advised where to go, and what to do when he gets there. In a word he will be made to feel at home.

"While visitors from within the Empire will naturally have first claims on our attention, foreign visitors will not be overlooked.

"The English speaking Union, for instance, are out, they say, to eclipse all previous records of work done in welcoming the English speaking stranger to Britain. Last year this organization welcomed six hundred Americans. This year they anticipate, with the founding of their new branches within the Empire, giving hospitality to ten times this number.

"Of course, we have to depend largely for the success of our efforts on voluntary workers, but I am glad to say that we have already received numerous promises of assistance. In many cases people with large houses who have connections with the Dominions and Colonies, are offering to entertain visitors from the country with which they are particularly associated."

Annual Meeting of Nfld. Druggists' Association

The Newfoundland Association of Druggists held its annual meeting at the Board of Trade Rooms Feb. 13th. A large and enthusiastic group of representative Druggists greeted the chair. Mr. M. Murphy held the responsible position with his usual tact and business ability. The minutes of the previous meeting being read and adopted, the usual routine business was transacted, after which the annual election took place, resulting in the following elections:

President—B. B. Stafford.
Vice-President—Leo O'Mara.
Secretary-reasurer—E. J. Doran.

A pleasing feature was the introduction of eight new members, and much is hoped for from this new blood. More frequent meetings are anticipated henceforth, and a social gathering of Druggists will be held at Donovans the coming summer. As the funds in hand were found to be in good condition a small contribution was voted to the Marine Disasters' Fund.

E. J. DORAN,
Sec'y-Treasurer.

Wedding Bells.

COOK—BARNES.

A very pretty wedding took place at St. Thomas' Church last night, when Miss Hilda Cook was united in the holy bonds of wedlock to Mr. Nathan Barnes. The bride entered the church leaning on the arm of her uncle, Mr. Edwin Cook, and was attended by Miss May Cook, while the groom was ably supported by his brother, Mr. E. Barnes. The ceremony was peformed by Rev. Canon E. C. Earp. After the ceremony the party drove to the residence of the bride's grandfather, Mr. Thos. Cook, Woodland Farm, White Hills, where supper was served. After all had enjoyed the good things provided the following toast list was gone through:

BRIDE AND GROOM—Prop. W. J. Frampton; Resp. The Groom.

THE BRIDESMAID—Prop. H. R. Cook; Resp. The Best Man.

THE FATHERGIVER—Prop. Geo. Hammond Resp. E. Cook.

THE GRANDPARENTS—Prop. Wm. G. Heale; Resp. Thos. Cook.

The presents were many and costly, including the wedding cake given by Mr. and Mrs. Geo. H. Cook. The many friends of Mr. and Mrs. Barnes wish them bon voyage over the matrimonial sea.
