TORONTO'S DOUBLE-HEADER

Montreal the Losers, But Completed a Fast Triple Play Started by Quinlan.

BUFFALO WON FROM JERSEY CITY.

Providence and Worcester Broke Even, Newark Beat Rochester—The Records.

Toronto played a double-header yesterday at the ball park, winning both games in good style. The feature of the day's play was the fast triple play started by Quinlan of the Montrealers, which was completed in the first inning of the second game. Buffalo also succeeded in beating, with difficulty, Jersey City, but in spite of this the local's are a few points nearer their rivals. Worcester and Providence broke even in a double-header, while Newark beat Rochester. The record:

Clubs.	Won.	Lost.	Pct.
Buffalo	49	25	.662
Toronto	45	25	.643

Good Pitching Both.

Toronto played a double-header yesterday afternoon, winning both games. In the first game Bruce pitched winning ball, and was supported in fine style by sharp fielding. In the second game Gardner was a complete enigma for his opponents, allowing only four hits off his delivery, while the locals hit the ball hard. The fielding of the Torontos was excellent, especially the work of Louis Carr at third was brilliant, and his playing is by far the best seen in Toronto for years. The fast infielder gobbles up everything that comes his way, whether it be fast or slow, and always allowing his man to run, shoots the ball with great speed to the mark. His stop of a hard grounded back of third, throwing out the runner, was a fast piece of work.

For Montreal, O'Hara, the ex-Park Nine boy, played a star game at third, accepting some hard chances, while Quinlan made a brilliant catch of a line drive, and with Dooley completed a fast triple play. Massey, Bannon and White wielded the stick effectively for Toronto, as did Shearon and Johnson for Montreal. Umpire Cox officiated and gave excellent satisfaction to both players and spectators.

Toronto 7, Montreal 1.

Montreal were unable to solve Bruce's delivery to any extent, as the popular pitcher kept the hits well scattered, allowing only six hits. In the second the visitors made a run, when Kelly was given a charity, going to second on Dooley's sacrifice and scoring on Johnson's opportune hit. Quinlan was put out of the game by Umpire Cox and fined a flyer, Stroh going to centre and Stafford taking his place at short.

No more runs were counted, altho in the seventh Johnson made a two-bagger, but was left there.

Toronto started in to clinch the game just as soon as it was begun, notching one run in the second, when Carr reached first on an error of Stafford, scoring on Brennan's clean hit. In the next innings White was retired at first and, after Bannon had walked, stolen second and Massey had singled, both were brought home on a hit for two sacks by Bruce, the latter also scoring on Downey's hit.

A walk, a stolen base and a single by Massey netted another in the fourth. The locals did not score again till the sixth, two runs counting, when White walked, going to second on Bannon's clean drive into left garden. The latter then purloined a bag and, with his running mate, scored on Massey's opportune hit to centre field.

Toronto 4, Montreal 1.

The second game was an excellent exhibition, when the old case of inability to hit the ball was the prime cause of the defeat of the visitors, as Gardner pitched superbly thruout the game. The best the Montrealers could do was to tally a solitary run. In the first inning a fast double play spoiled their chances. In the sixth Raub planted a nice drive out in centre field for three sacks, scoring on a passed ball by Toft.

Toronto started out in the first inning with bright prospects of scoring, but a fast triple play, executed with lightning rapidity, ended the inning without a tally. Miller, the first man up, walked, and was advanced a base on White's line drive to centre. Then Bannon drove the ball on a line near second, which the fast Quinlan gathered in by a sensational left-hand catch, and, retiring Miller at second, who had started to steal third, threw White out at first, retiring the side. The locals registered their first run in the second, when Brce, who was given a charity, went to second on Johnson's fumble of Downey's grounder, and scored on a single by Toft to the left garden. Three more runs were added in the sixth, when White hit safely over second, advancing a base on Bannon's out at first, and scored on Massey's opportune hit to left. Then Downey followed with a long drive, completing the circuit and two more runs registered. This ended the scoring, as the locals were retired in order in the last two innings. Score:

Jersey City Here To-Day.

Jersey City, Charlie Carr's strong aggregation, will be the opponents of the Torontos to-day and to-morrow and Saturday, and three good games should result. On their last appearance here Toronto won two of the games, but only by one-run margins. To-day's game will be called at 4 o'clock. Briggs will pitch for Toronto and Barnett for Jersey City. Jim Sharkey, the local umpire, will handle the indicator.

Buffalo Bunched Hits.

New York, July 23.—Buffalo broke even in its series with Jersey City to-day, as they defeated the latter on the home grounds by 4 to 2. Bill Blakey Talks Baseball.

Bill Blakey, the former Park Nine player, who has seen service in the New York State League this season, says that there is not a great deal of difference between the class of ball played in the Senior League and that shown in the State League. He considers that any team in the local organization could hold its own in President Farrell's League. Blakey will probably play Saturday for the Park Nine in the game with the Cadets. Jeff Blakey will pitch for the latter team, while Stevens will be in the box for the Park Nine. The other game, which will bring together the chiswiplon Crescents and the speedy Hentmans, promises to be the best of the season. Both teams are strong, and, with Armstrong pitching for the Crescents, and Molson for the pianomakers, a bitter duel should result.

The courts are playing much better and the showers prevented only one event of the day's schedule from being played, while one extra event was also finished. To-day the handicap will be advanced one round. The semi-finals in the men's and ladies' opens and the final ladies' doubles will be played, and the mixed doubles will begin. Yesterday's results:
