The first telephone, known as the "Flying Scotsman," from King's Cross to Edinburgh was running at a speed of about thirty miles an hour, three miles east of Longniddry, on the East Lothian coast, the other evening, when a passenger fell out of a compartment. The guard who saw the occurrence, had the train stopped, and a light engine was sent by the railway officials to the man's aid. The victim proved to be Joseph Raney, a commercial traveller, of Sheffield. His left arm and leg were broken and he had received other less serious injuries.

Music and Drama

"Brewster's Millions," the most successful farce-comedy of recent years, will be the attraction at the Grand, Saturday, Sept. 27. Louis Lilsen will be seen as "Monty" Brewster, which he plays so well that one forgets the absurdity of the thing and sympathizes with the young millionaire in his desperate effort to get rid of one million within a year in order to be eligible for a second inheritance of seven times that amount. Miss Katherine Francis, a charming and winsome actress, will be seen as "Peggy" Gray. The yacht scene and the storm at sea is the masterpiece of Eugene Thompson's stagecraft. "Brewster's Millions" is a play one can see several times and still chuckle over it.
J. A. Waters, at the Trades Centre in Montreal, devoted to-day that only four bills out of 12 for labor, survived the ordeal of various legislative bodies. It was a source of satisfaction that the government had increased wages generally.

MR. JOHN F. SCHULTZ IS PAID SECRETARY

Local Option Campaign Said to be a Certainty Now.

That there will be a local option campaign in this city is now said to be a certainty. This morning Mr. John F. Schultz, Dufferin Avenue, announced that he had accepted the position of permanent secretary. Although Mr. Schultz would not make a statement this morning, it is practically admitted that he will be paid. When Rev. Woodside, chairman of the press committee, was asked about the matter, he said, "The natural inference is that when a man is hired, he will receive a salary." President Wood said this morning that a petition will be circulated early in October and submitted to the council. It will require some little time to obtain the signatures. The campaign work is to be assisted by the pupils. It is the intention of some of the ministers to not only enter into the campaign but to deliver addresses from the pulpit. The majority of the ward chairmen have been appointed but it was impossible to secure the names of the gentlemen.
