Once More No Results at Hot Springs —Ascot Park and Oakland Summary.

New Orleans, Feb. 8.—Racing conditions showed no improvement to-day. A drizzling rain fell, and the track was heavy. Inspector Halpin, who had enough of it after 5 furlongs, and ordinarily would have ended only at the finish in his race, were the winning favorites. Summary:

HORSES AT THE VALLEY FARM.

Hendries' String Have Wintered Well—Weak in Platers.

Hamilton, Feb. 8.—Trainer Mosby, who handles the Hendrie string, has 22 horses in training. He was very much handicapped by the severe weather last winter, but this season he has been able to exercise the horses daily on the Valley Farm track across the bay.

Mr. Dyment is said to have a likely candidate for the thinnest in Whit Baby, but the Seagram stable has a good pair in Inferno, a son of Havoc, and Rhino. When the entries are published shortly after March 1 it may be discovered that he has other strings to his bow. Mr. Hendrie says The Spectator this evening, will have to depend on Heather Jock and Jeannie Dick and Lorne Reel. Heather Jock is now a four-year-old. He is a good colt, but it is a difficult matter to get him ready by plate day. He always works well in the fall, but it requires a lot of work to get him fit in the spring. Jeannie Dick and Lorne Reel are two nice-looking three-year-old fillies. They are both by Derwentwater. Jeannie Dick is out of Locust Blossom, and Lorne Reel is the first product of the good mare Dance. There is a prejudice among trainers against fillies in the spring, but Mr. Hendrie won his only Queen's Plate and the first King's Plate with horses of that sex. In the east last year Beldame, Tanya, Artful and Tradition held their own against the colts.

All the horses at Valley Farm are in good shape and in condition to stand the severe training necessary to get them ready for the Toronto meeting. On paper the stable looks strong, but there are so many disappointments in connection with racing that it is not wise to make any predictions. All the horses have wintered well. They look strong and rugged. Light Brigade never looked better.

Of the province-bred 2-year-olds Preferential is a brother of Harvey. Blue Jeans is out of the good mare Cottonade. Sword Dance is by Derwentwater, out of Dance. Logan Water is out of Rosina Vokes, and Waterman is the first produce of Splash.

There are yearlings at the farm by Martinus, Gold Car, Harvey and Derwentwater.

Following are the horses in training:

Light Brigade, ich.c., 5, by Maxim—Balaclava.

Gossip of the urf.

Top weight in the Liverpool Grand National Steeplechase, to be run on Friday, March 31, has been assigned to Leinster, who gets 175 pounds. Last year's winner, Moifaa, gets in at 166 pounds, or 19 pounds more than last year, when he won. King Edward's Ambush II. is second in the handicap at 160 pounds. Moifaa is favorite at 100 to 9.

J. H. Alexander presided at a meeting of the National Steeplechase and Hunt Association in New York on Tuesday, at which many amendments for the improvement of the sport were fully discussed, and which went over to the next meeting. One of the most important amendments would leave it to the discretion of the stewards to disqualify in case a horse jostles a competing horse. Another amendment prohibits training cross-country horses to take out licenses from the National Steeplechase and Hunt Association, even tho they may already have a Jockey Club license.

The name of the new western racing organization has been changed to the American Turf Association, instead of the American Jockey Club, the name chosen a month ago. The change was made in deference to a request of August Belmont, who called the attention of the members to the fact that there was an American jockey Club in the east some years ago.

Tod Sloan's manager has been appointed trainer of the Kirkfield stable. A W. Mackenzie says that it is the intention to ship the horses within a week to some southern point, probably New Orleans or Washington, to be prepared for the campaign. War Whoop and the King's Plater, Dileas, by Wickham—Diana's Daughter, will remain here.

The following dates have been assigned the Washington Jockey Club for its spring meeting: Thursday, March 23, to Thursday, April 13, inclusive. The application of Empire City rolling over the dates to hold a race meeting was denied.

GARRISON INDOOR BASEBALL.

K. Co., Q.O.R., and the Engineers Winners on Wednesday.

In the Garrison Indoor baseball League last night, K Company, Q.O.R., defeated the 9th Field Battery in the first game. K Company started off badly, allowing the Battery to score nine runs before they settled down. After the third innings the Q.O.R. team played very good ball, shutouts being the order; double-plays and errorless support by both teams caused the contest to be of short duration. For K Company, Murton, Edgar and Pangman were very conspicuous, while Hill, Stephens and Lewis played very finely for the Battery.

In the second game, the Toronto Engineers had a walkover with C Company, 48th. The score was 20 to 9, and the score was just about an indication of the relative merits of the contesting teams. Scores:

ARGONAUTS 8, ST. GEORGES 4
SCORE INDICATES PLAY

Uninteresting Hockey—Argos Combined Well—Some Rough Play Unnoticed.

The Argonauts gave a surprisingly good exhibition last night at the Mutual-street Rink, when they defeated the St. Georges by the score of 8 to 4. The game was not on the whole a good display of hockey, and little interest was aroused, only a small number being present.

The Saints had not have their full line-up on. Morrison was at centre, Housser at left wing, Moody at right and Chadwick rover. The St. George's senior defence was on intact, but the rank work of the whole Argonaut line pierced it repeatedly. The Argonauts had the better of the play on the whole throut. The first half, however, was somewhat closely contested, the Argonauts netting four and the St. Georges one. In the second half play was closer, the Saints making many efforts to get even, but not succeeding. The score this half was 4—3 in favor of the Argonauts, making the final read 8 to 4 for the scullers.

The Saints took the first on a shot by Chadwick after six minutes hard, even play. Bloomfield evened the score one minute after by a nice shot. Toms, who shot well throut, put the Argos in the lead again, and McCallum made it 3 to 1 in favor of his team. Toms took the last goal by an accurate side shot.

In the second half the Saints went at things determinedly, Chadwick again scoring first for the St. Georges. Hamilton rushed up the left boards, passed to McCallum, who scored. Chadwick again tallied for the Saints. The Saints' forward line lacked snap and vim, and did not play much combination. The Argonauts, on the contrary, developed considerable combination. Toms, Hamilton, Bloomfield and McCallum all taking part in it. Hamilton shot the next from the side and then Toms took another from the right. Morrison then made a good individual rush for the Saints' last goal. McCallum shot the Argos' last goal from the centre.

There was considerable rough play, which went unnoticed by the referee. Several offsides as well escaped the referee's attention. Summary:

—First Half.—

St. Georges	Chadwick	6.00

Victoria Wins Jenning's Cup.

The School of Science dropped one of their most treasured trophies yesterday afternoon, when Victoria College defeated Senior S.P.S. by 4—1, in the final game for the Jennings Cup, which was held by the school from last season. Each team was ably supported by large crowds of lusty-voiced students, who increased the excitement by their vigorous rooting. These are Victoria's first championship honors, and their enthusiasm was fully demonstrated after the match, by the way in which they carried the players from the ice shoulder-high. The game was a fair exhibition of hockey, individual work being the chief feature throut. Davidson, left wing, for the Vics, was as he has been all thru the series, the best man on the ice. Robinson and McFarlane also made an excellent defence, which succeeded in blocking nearly every S.P.S. rush. Swan and McInnes on the losing team showed lots of speed, but were unable to play the whole game. At the end of the first half the score was 2—1 for Victoria, the school having tallied their only goal early in the game. During the last half the old cup-holders didn't have a look-in, while Vic. managed to net two more. There was some attempt at infringement of the rules, which was promptly put down by Referee Burns. Lineup was:

Victoria (4)—Goal, Salter; point, Robinson; cover, McFarlane; rover, Stockton; forwards, Campbell, Oldham, Davidson.

S.P.S. (1)—Goal, Jepson; point, Crabbe; cover, McKenzie; rover, McInnes; forwards, Cook, Swan, Stewart.

Referee—Lou Burns. Umpires—Henderson and Harrison. Timekeepers—Strathy and Trueman.

Berlin 14, Welland 1.

Berlin, Feb. 8.—The Welland Hockey Club, champions of group 5, lasted about as long as a snowball on the equator when they met the Berlin club. They were up against a warm proposition and went down 14 to 1 score of 14 to 1. After the first 5 minutes, the game was a cinch. The Berlins were in fine fettle, their combination dazzled the visitors, whose rushes, mostly individual, were cut short by the Berlins' close checking. There was no loafing, an althe game was clean. Rodgers and Coulson, for Welland, and V. Cochrane, for Berlin, were the only men ruled off, and they only a minute each. Coulson scored Welland's lonely tally. Schmidt was the Berlin star, and he and Knell got five goals each. G. Cochrane 3 and Gross 1. Over 3000 persons saw the game, and Chaucer Elliott, who made his initial appearance as referee, delivered the goods to the satisfaction of all. The teams were:

St. Paul and Duluth Want to Join.

Calumet, Mich., Feb. 8.—It is now practically certain that the International Hockey League will comprise more clubs next season than this year. St. Paul and Duluth have made applications for membership, and in case the plans for the erection of large covered ice rinks in both of these cities result successfully, both will be represented by teams next winter. It is also likely that Detroit will have a team, altho there is still some uncertainty about it.

It is believed that hockey in the city of the straits would prove a huge success, as it is just across the line from the home of the great game. Arrangements are pending for the erection of a large covered rink in Chicago, and it appears quite probable that it will have a hockey team next season. The magnates of the International League are making every effort to secure a club in Chicago, as the game would prove a big money-maker. Besides, it would prove a welcome stop-over on the long jump from the copper country to Pittsburg.

While the season is more than half over, it is evident that the weaker clubs will not lessen their efforts to secure faster players. The Canadian Soo team has been strengthened by the addition of Siebert of the Berlin, Ont., Club, and Clifton, who formerly played with Brantford, Out. In Sixsmith, Texas Gillard and Lady Bill Taylor the Canadian club has a fast forward line, but it is seemingly impossible for the team to pull down a victory.

For London City Championship.

The Ramblers easily ran away with the St. Johns, defeating them by a score of 6 to 3. The play was exceedingly rough, especially on the Rambler side. McGuffin of this team collided with T. Wolley, being rendered unconscious. Score at half-time, 3 to 2. Final, 6 to 3. Following is line-up:

Ramblers (6)—Goal, Reynolds; point, C. Smith; cover-point, McGuffin; rover, McMahon; right, Carrothers; centre, Abram; left, F. Smith.

St. Johns (2)—Goal, McHattie; point, Casselman; cover-point, Thompson; rover, Canfield; right, Love; centre, T. Wolley; left, W. Wolley.

Games in Next Round.

The Queen's juniors wanted their meeting with Cobourg postponed, as they could not get ice until Feb. 17 or Feb. 20. That would have left the other teams in the series idle for ten days awaiting the decision of this portion of the campaign, and the O.H.A. sub-committee yesterday decided that Queens should play not later than Saturday, even if it were necessary to play in the afternoon.

The arrangement of the matches in the approaching rounds is:

—Senior—Finals.—

Smith's Falls at Marlboros, Saturday, Feb. 18; Marlboros at Smith's Falls, Wednesday, Feb. 22.

—Intermediate—Third Round.—

Winner of Victoria Harbor-Parry Sound, at Thessalon, on Feb. 14, and return on Feb. 17.

Winner of Orangeville-Markham at winner of Peterboro-Smith's Falls, on Feb. 14, and return on Feb. 17.

Winner of Berlin-Welland at winner of Woodstock-Goderich, on Feb. 15, and return on Feb. 17.

This will leave three clubs to go into the semi-finals the week of Feb. 20. The northern club will have the bye.

—Senior—Semi-Finals.—

Winner of Parkdale-Uxbridge at winner of Stratford-Owen Sound, on Feb. 15, and return on Feb. 17.
