Here is Your Remedy!

HOLLOWAY'S OINTMENT.

A MOST MIRACULOUS CURE OF BAD LEGS, AFTER 43 YEARS' SUFFERING.

Extract of a Letter from Mr. William Galpin, of 70, St. Mary's Street, Weymouth, dated May 15th, 1851.

To Professor HOLLOWAY,

SIR,—At the age of 13 my wife (who is now 61) caught a violent cold, which settled in her legs, and ever since that time they have been more or less sore, and greatly inflamed. Her agonies were distracting, and for months together she was deprived entirely of rest and sleep. Every remedy that medical men advised was tried, but without effect; her health suffered severely, and the state of her legs was terrible. I had often read your Advertisements, and advised her to try your Pills and Ointment; and, as a last resource, after every other remedy had proved useless, she consented to do so. She commenced six weeks ago, and, strange to relate, is now in good health. Her legs are painless, without scam or scars, and her sleep sound and undisturbed. Could you have witnessed the sufferings of my wife during the last 43 years, and contrast them with her present enjoyment of health, you would indeed feel delighted in having been the means of so greatly alleviating the sufferings of a fellow creature.

(Signed) WILLIAM GALPIN.

A PERSON 70 YEARS OF AGE CURED OF A BAD LEG, OF THIRTY YEARS' STANDING.

Copy of a Letter from Mr. William Abbs, Builder of Gas Ovens, of Rushcliffe, near Huddersfield, dated May 31st, 1851.

To Professor HOLLOWAY,

SIR,—I suffered for a period of thirty years from a bad leg, the result of two or three different accidents at Gas Works, accompanied by scourbutic symptoms. I had recourse to a variety of medical advice, without deriving any benefit, and was even told that the leg must be amputated, yet, in opposition to that opinion, your Pills and Ointment have effected a complete cure in so short a time, that few who had not witnessed it would credit the fact.

(Signed) WILLIAM ABBS.

The truth of this statement can be verified by Mr. W. P., England, Chemist, 13 Market Street, Huddersfield.

A DREADFUL BAD BREAST CURED IN ONE MONTH.

Extract of a Letter from Mr. Frederick Turner, of Penshurst, Kent, dated Dec. 13th, 1850.

To Professor HOLLOWAY,

DEAR SIR,—My wife had suffered from Bad Breasts for more than six months, and during the whole period had the best medical attendance, but all to no use. Having before healed an awful wound in my own leg by your unrivalled medicine, I determined again to use your Pills and Ointment, and therefore gave them a trial in her case, and fortunate it was I did so, for in less than a month a perfect cure was effected, and the benefit that various other branches of my family have derived from their use is really astonishing. I now strongly recommend them to all my friends. (Signed) FREDERICK TURNER.

A WONDERFUL CURE OF A DANGEROUS SWELLING OF THE KNEE.

Copy of a Letter from John Forfar, an Agriculturist, residing at Neicborough, near Hexham, May 15, 1850

To Professor HOLLOWAY,

SIR,—I was afflicted with a swelling on each side of the leg, rather above the knee, for nearly two years, which increased to a great size. I had the advice of three eminent surgeons here, and was an inmate of the Newcastle Infirmary for four weeks. After various modes of treatment had been tried I was discharged as incurable. Having heard so much of your Pills and Ointment, I determined to try them, and in less than a month I was completely cured. What is more remarkable I was engaged twelve hours a day in the hay harvest, and although I have followed my laborious occupation througeout the winter, I have had no return whatever of my complaint. (Signed) JOHN FORFAR.

AN INFLAMMATION IN THE SIDE PERFECTLY CURED.

Copy of a Letter from Mr. Francis Arnot, of Breakhouse, Lothian Road, Edinbro', dated April 29th, 1851.

To Professor HOLLOWAY.

SIR,—For more than twenty years my wife has been subject, from time to time, to attacks of inflammation in the side, for which she was bled and blistered to a great extent, still the pain could not be removed. About four years ago she saw, in the papers, the wonderful cures effected by your Pills and Ointment, and thought she would give them a trial. To her great astonishment and delight she got immediate relief from their use, and after persevering for three weeks, the pain in her side was completely cured, and she has enjoyed the best of health for the last four years.

(Signed) FRANCIS ARNOT.
