DR. HALSEY'S GOLD AND SILVER PILLS—Are founded upon the principle that nearly all diseases arise from the same causes, or that a morbid condition of the *liver, stomach, and bowels*, predisposes the system to every class of disease. When these important functions become obstructed with superabundance of bile and viscid matter, Nature ceases to fulfil her proper office. It is then that the *blood* becomes impure, because the secretive organs of the liver, whose office it is to seperate the worn-out principle of this vital fluid, are no longer fit for their office, and the wasted parts of the blood continues therefore in its circulation and become diffused throughout the whole system. Thus filled with infectious humours the body is made liable to sickness. If, by chance, it is exposed to a sudden change in the weather, a bad cold, or consumption, would be the result—if in the vicinity of contagious disorders, it would imbibe the infection.

Dr. Halsey's Gold and Silver Pills, although pleasant to take and innocent in operation, is the most excellent medicine in the world, to remove the bile and viscid matter from the system, and to restore the liver, stomach, and bowels, to the performance of their proper functions, thereby rendering the blood pure, and diversing the system from all morbid and infectious humours, which will finally remove every disease, however long standing, and endow the system with health, strength, and vigour.

A circular giving a full explanation of the two-fold action of the *Gold and Silver Pills*, can be had of the agent gratis.

For sale at the Proprietors general Depot, No 2, Courtland street, New York, and by his appointed Agents in the Cities & Towns in the United states, and at the store of the subscriber, 5, brick building, North Market wharf. Price 1s. 3d. per box with liberal allowance to wholesale Dealers.

We take pleasure in transferring the following certificate of Mr. Covert, in favor of the curative properties of Wistar's Balsam of Wild Cherry, to our columns. Mr. Covert, (of the firm of Covert & Dodge, vocalists), has been long and and favorably known in this city and vicinity as a vocalist of rare attainments. We have watched with painful anxiety, his declining health from the disease of which he speaks, and have almost despaired of his recovery—yes, we placed him in the catalogue of incurables—but thanks to the virtues of Dr. Wistar's Balsam, he is now, greatly to our surprise, enjoying most excellent health:

MR. SETH W. FOWLE,

Dear Sir,—There are so many quack medicines at the present time, and each one has more or less certificates from real or imaginary individuals, that I have for some time had doubts of the propriety of giving any testimony in favour of your medicine.—But being assured that I have been been benefitted by its use, and feeling satisfied that by giving in my testimony in regard to its medicinal qualities, I may perhaps be the means of saving some one similarly afflicted. I therefore cheerfully add my testimony in favour of the medicine that I know has done me great good. I have been afflicted with the *Bronchitis* for a number of years and by the use of a couple of bottles of

WISTAR'S BALSAM OF WILD CHERRY.

I am happy almost free from the above troublesome [illegible]
