FRANKS'S SPECIFIC SOLUTION OF COPAIBA.

THE different ingredients contained in Franks's Specific Solution of Copaiba, are those advised by the most practical and scientific in the profession, but, by a peculiar chemical process so compounded that each drug greatly increases the efficacy of the other.

This invaluable Medicine is recommended in the public and private practice of

Sir Astley P. Cooper, Bart., F.R.S.; Sir Benjamin Brodie, Bart., F.R.S.; Joseph Henry Green, Esq., F.R.S.; Bransby B. Cooper, Esq., F.R.S. Members of the Council of the Royal College of Surgeons, London, and many other highly distinguished members of the medical profession, by whom it is deemed the only Specific for the cure of those diseases to which it is more immediately applicable.

The testimony of these gentlemen cannot fail to convince every reflecting mind that Franks's Specific solution of Copaiba, is not only in every essential what it professes to be, but is considered a most valuable addition to those legitimate and adopted medicines daily prescribed by the faculty.

Franks's Specific solution of Copaiba is proved to be the most effectual, safe, and speedy remedy for the cure of Gonorrhœa, Gleets, all Urethral Discharges, Fluor Albus, Spasmodic Stricture, Irritation of the Kidneys, Bladder, Urethra, and Prostrate Gland; its purifying effects upon the general health renders it particularly applicable in all cases of relaxed fibre and nervous debility.

The most delicate persons may take it with perfect safety.

Prepared only by George Franks, Surgeon, London.

CAUTION.—None is genuine unless "*George Franks, Blackfriars-road,*" is engraved on the Government Stamp attached to each bottle.

The following Testimonials are selected from amongst numerous others forwarded to Mr. Franks.

From Joseph Henry Green, Esq., F.R.S., one of the Council of the Royal College of Surgeons, Surgeon to St. Thomas's Hospital, and Professor of Surgery in King's College, London.

"I have made trial of Mr. FRANKS's solution of Copaiba, at St. Thomas's Hospital, in a variety of cases of discharges in the male and female, and the results warrant my stating, that it is an efficacious remedy, and one which does not produce the usual unpleasant effects of Copaiba.
