Skinner's majority over Edgar is two hundred and seventy two.

The *Globe* denounced Skinner as a Tory, and called upon all true reformers to vote for Edgar, the regular nominees of Grit convention.

City Police Court.

The police secured three victims last night.

Daniel Lafferty, an old penitentiary and goal bird, was found lying drunk in an alley off Deck street. He was fined $4.

James Walch and William Smith were arrested drunk in St. James street. They must each pay $4 or spend five days in gaol.

J. C. Briggs was charged with destroying the property of Edward Fay. The complainant is the contractor of the Courtenay Bay Railway, and has been frequently annoyed by parties who have stolen and destroyed the timber used in building the road. At one time no less than sixty pieces of cedar were carried away. The other night he caught Briggs deliberately sawing up a spar for firewood and reported him to the police. This morning a fine of $5 was imposed on him for destroying the timber, and he was also ordered to pay $1 damages.

James Kenny was charged with committing damage, injury and spoil on the property of Michael Maloney by breaking and destroying the doors of his house. The offence was proved and a fine of $10 was imposed.

To the Electors and Citizens of the City of Saint John:

GENTLEMEN,—

Confirming my Circular recently issued and published in the Press of Saint John, I beg to assure you that, if elected, I will not fail to do what I can for the interests of this City and Province.

I have always favored *a Free School system*, but sincerely regret that a measure which should have been such as to have been received with almost universal satisfaction and approval has deeply disturbed the country, created much ill feeling, and now threatens to embroil the Government of the Province with the Dominion Parliament. This is a very serious condition of things and *it is evident that something will have to be done to remedy it*. I think certain improvements and modifications might be made in the Bill which, while doing no wrong to Protestants, would lead Catholics to accept it without further opposition. BUT THE SCHOOL BILL IN ITS PRESENT SHAPE IS TOO EXPENSIVE. *All that we can afford to give our children, all that is required under the circumstances is what is commonly called a plain English education, such as will fit them for the ordinary avocations of life.* THIS SHOULD BE HAD FOR ABOUT TWO THIRDS OF WHAT WE ARE NOW PAYING, *and at the same time maintain the principle of Free Schools.*

Soliciting your vote as one of the two Candidates of your choice for the representation of this City,

I have the honor to remain
Your obedient Servant,
ROBERT MARSHALL.

Ayer's Cherry Pectoral,

For Diseases of the Throat and Lungs.

AMONG the great discoveries of modern science, few are of more real value to mankind than this effectual remedy for all diseases of the Throat and Lungs. A vast trial of its virtues, throughout this and other countries, has shown that it does surely and effectually control them. The testimony of our best citizens, of all classes, establishes the fact that CHERRY PECTORAL will and does relieve and cure the afflicting disorders of the Throat and Lungs beyond any other medicine. The most dangerous affections of the Pulmonary Organs yield to its power; and cases of *Consumption*, cured by this preparation, are publicly known, so remarkable as hardly to be believed, were they not proven beyond dispute. As a remedy it is adequate, on which the public may rely for full protection. By curing *Coughs*, the forerunners of more serious disease, it saves unnumbered lives, and an amount of suffering not to be computed. It challenges trial, and convinces the most sceptical. Every family should keep it on hand as a protection against the early and unperceived attack of Pulmonary Affections, which are easily met at first, but which become incurable, and too often fatal, if neglected. Tending lungs need this defence; and it is unwise to do without it. As a safeguard to children, amid the distressing diseases which beset the Throat and Chest of childhood, CHERRY PECTORAL is invaluable; for, by its timely use, multitudes are rescued from premature graves, and saved to the love and affection centered on them. It acts speedily and surely against ordinary colds, securing sound and health-restoring sleep. No one will suffer troublesome *Influenza* and painful *Bronchitis*, when they know how easily they can be cured. Prepared by
