IDEAS FOR VICTORIA MEMORIAL.

Many Suggestions Made at a Meeting of Citizens in the Council Chamber.

The third meeting of citizens called for the purpose of eliciting the different ideas in regard to the form of the memorial to the late Queen Victoria was held last evening in the Council chamber of the City Hall. Mayor Howland was elected chairman; Lieut.-Col. Patterson was made vice-chairman, and T. L. Church, secretary.

Mr. Arnold advocated that the memorial should be such as would preserve the name Victoria, and for this purpose suggested the opening of Queen's-avenue to Front-street and the buying up of both sides.

Mr. J. Castell Hopkins recommended a building for reception of historic relics, scientific collections and library, and intimated that the University of Toronto would probably grant a site near the School of Practical Science.

Dr. J. E. Elliott advocated a consumption sanitarium at a short distance from the city.

Other suggestions were: An infirmary for old people, 20 miles out, where they could work at their respective occupations; the co-operation of the city with the University in raising a memorial hall at the head of McCaul-street; a large public gymnasium and swimming baths; a museum, singly or combined with other departments; establish a fund, to which workingmen could contribute and with which provision could be made for old age pensions; and an organ in Massey Hall, in addition to any other project that might be decided on.

The following committee was appointed to report two weeks hence: Mr. Frank Arnold, mover and convener; Lieut.-Col. Patterson, Chancellor Burwash, Dr. Elliott, Major Manley and the Mayor, and Secretary T. L. Church, members ex-officio.

THE IMPERIAL BANK WON.

Justice Langelier of Montreal Decided an Interesting Promissory Note Case.

Montreal, March 19. — (Special.) — Mr. Justice Langelier this morning rendered an interesting judgment. The Imperial Bank of Canada had sued Mrs. Jean Tache on a $5000 promissory note, but she, on the other hand, had taken an action against C. Honan, as guarantee to the same note. The latter had been signed by Mrs. Tache in order to help her husband in his business as broker. Personally, she had never drawn any benefits from it. The court, therefore, held that as she had no interest in the proceeds of the note her action was without cause and had to be dismissed. Judgment was given in favor of the bank, which was the principal plaintiff in the case, as the two actions were combined.

NEWS FROM THE EAST END.

Royal Orange Lodge, No. 111, held a very successful supper in Poulton's Hall last night. A pleasing feature of the evening was the presentation of a past master's jewel to Bro. McKenna. The presentation was made by Grand Master McMillan. An excellent repast was provided by Caterer Birrell.

The annual concert of Hamilton-street Public School was held in Dingman's Hall last night. Some of those taking part were: Miss Fraser, Miss Josie Leslie, Miss Florence Fieldhouse, Willie Cratz, Myrtle and Harold Wiles and Bertie Hyatt.

Miss Williams, principal of Morse-street School, has resumed her duties after a two weeks' illness.

Many complaints are heard owing to the closing of the reading room in the Public Library on Bolton-avenue between the hours of 6 and 7 in the evening.

There was a large attendance at the open meeting of the Mulock Club held last night in Dominion Hall. President Steele was in the chair. Short addresses on organization were delivered by H. C. Hamilton, secretary Toronto Reform Association; C. J. McCabe and J. McP. Scott. Messrs. Gorrie and Beech entertained the gathering with music.

All Baba of East Aurora.

Of all the interesting characters that compose the community of workers at the Roycroft shop in East Aurora, there is none to equal Ali Baba, and Elbert Hubbard's description of him is one of the features of his talk on Roycroft Ideals, which he gives on Thursday evening at the Conservatory of Music. Seats can be reserved at Tyrrell's book shop.

STILL ANOTHER TRIUMPH. — Mr. Thomas S. Bullen, Sunderland, writes: "For fourteen years I was afflicted with Piles; and frequently I was unable to walk or sit, but four years ago I was cured by using Dr. Thomas' Eclectric Oil. I have also been subject to Quinsy for over forty years, but Eclectric Oil cured it, and it was a permanent cure in both cases, as neither the Piles nor Quinsy have troubled me since."

A Ray Has a Cold.

The management of the Toronto Opera House desires to state that Johnny Ray suffered with a cold last night and could not appear. He will be on the boards tonight sure.

YORK COUNTY AND SUBURBS

Toronto Junction School Board Increases the Salaries of Its Teachers.

WESTON TREASURERSHIP VACANT.

North Toronto Citizens Wondering How Bodies From Moore Park Sanitarium Should Be Buried.

Toronto Junction, March 19.—The precedent established by the Town Council, in increasing salaries, was followed this evening by the Public School Board, in making the maximum salaries of lady teachers in the first and second forms $450 and in the third and fourth forms $500. Previously, the maximum salary was $400.

Secretary-Treasurer Harris got an increase of salary to $250, and several lots on Western-avenue were purchased from Mr. Egan for a school site at $1250. The lots have a frontage of 420 feet. Trustee Ellis' resignation was accepted, and ex-Trustee Raybould was presented with an illuminated address for long and faithful service on the board. Military drill for boys and physical culture for girls will be resumed in April.

The Y.P.C.E. of Victoria Presbyterian Church gave a star social in the basement of the church to-night. Those who gave their services in furnishing a program were: Miss Atwood, Mr. Kennedy, Miss Borland, the Misses Joy, Mr. Whetter and C. M. Hall.

Mr. Booth, a workman in the C.P.R. shops, had one foot very badly crushed by a chain breaking whilst lifting up a wheel weighing 500 lbs. The wheel fell on Mr. Booth's foot and will lay him off work for about six weeks.

The Methodists of Davenport enjoyed an oyster supper to-night.

Mr. Lillie of Toronto has purchased the business until recently carried on by Mr. R. G. Andrews.

A benefit concert was given by the Daughters of England Benevolent Society in Miss Leamon's parlors to-night. Among those who gave their services were: Misses Sylvester, Miss Winkworth, Mr. James Bond, Miss Cokie, Miss Harris, Mr. Miller and family of musicians, Mr. Klepach, Mr. Walters, Master Sylvester, the West End boy singer, Mr. Carter, Mrs. Moss and Mr. Wilkinson. Trooper Scott, who returned with the Strathconas, was also present and entertained the assembly with stories of the war.

Weston.

Weston, March 19.—A meeting to reorganize the Weston Lacrosse Club was held in Bayley's Hall last night, at which the following officers were elected for the ensuing year: Honorary president, Dr Charlton; president, HE Irwin; treasurer, G Rowntree; secretary, J Lenahan; captain, F Rowntree; field captain, W Shields. The club will enter the City Junior League, and Messrs. Maguire and Shields were appointed delegates to attend the coming meeting of the C.L.A.

Mr. McEwen to-day auctioned off the unsold lots of the Tyrrell estate, between King and Joseph-streets, and realized fair prices for them. The lots have a frontage of 50 feet and run back to a depth of 150 feet. The lots brought from $100 to $250 each.

Mr. Rowntree, Village Treasurer, handed in his resignation, and at a meeting of the Council, held last night, it was accepted. For the position Mr. Taylor and Mr. T. G. Watson are spoken of as applicants. Should the Council decide to combine the offices of Clerk and Treasurer, then the present Clerk, Mr. R. Leighton, will apply for the position.

North Toronto.

The storm yesterday blocked the Metropolitan service on the thru road shortly after noon.

A special meeting of the Town Council has been called for to-night, principally to deal with the Metropolitan Railway's bill that will come before the Legislature on Friday next.

The congregation of Zion Baptist Church, Eglinton, is making strenuous efforts to wipe out the $500 mortgage now against the building. Of the amount required $455 has already been collected and the balance is expected to be taken up during the present week.

There is evidence of a movement in vacant property in the town, as during the past few days three lots on Merton-street, Davisville, have been disposed of, the purchasers being Councillor Brownlow and Messrs H. Ball and H. F. Nash.

A concert, under the auspices of Court Eglinton, C.O.F., will be given at the Town Hall on Friday next. W. J. Hill, M.L.A., will take the chair, and a select program by well-known artists will be rendered.

A recent death at the Consumptive Hospital in Moore Park has led residents of that section to wonder whether it is necessary to bury the bodies at night, and at the same time to obtain a permit from the City Clerk in place of proceeding in the usual way and obtaining it from the Township Clerk. The information given to the city authorities and on which the permit was granted was lacking in some very essential details also, among them being the Christian name, age, sex, occupation, residence and religious denomination, the whole of which are called for by the death notices issued for such purposes by the department. The Township Clerk refused to accept the notice as filed with him by the City Clerk and on returning it for full information to the parties who registered the death, the date of the event was then changed from March 5 to March 6.

At a meeting of the Yonge-street Protection Association at Steele's Hotel, on Monday last, it was decided to circulate petitions against the bill now being asked of the Legislature by the Metropolitan Railway.

Silver Wedding at Norway.

On Thursday last Mr. and Mrs. James Jackson of Berkeley-avenue celebrated their silver wedding. In the evening a large party of friends gathered at the house and tendered their congratulations. Some 40 guests sat down to dinner and participated in the festivities of the occasion. Mr. and Mrs. Jackson were married in 1876 by Rev. Mr Pearson of Holy Trinity. Among those present were Mr. A. W. Carrick, who was best man at the wedding, Mrs. Carrick, Mr. and Mrs. T. Cousins, Mr. and Mrs. King, Mr. and Mrs. Earsman, Mr. and Mrs. Kennedy, Mr. and Mrs. E. Jackson, Mrs. Webb, Mr. A. Sheppard, Mr. McClure, Mr. and Mrs. R. Mitchell, Mr. and Mrs. F. Baxter, Mrs. Mary Sheppard, Mr. and Mrs. K. Weighhill, Miss Blakeley, Mr. and Mrs. T. Walton, Mr. and Mrs. Charles Sheppard, Mr. Frank Webb, Mr. J. W. Miller, Mrs. Baxter, Rev. W. L. Baynes-Reed. A large number of beautiful silver presents were received by host and hostess.

Three Boys Are Missing.

Three pupils of Ryerson school, Aaron Bickman, aged 12, and Leo Bickman, aged 10, of 47 Markham-street, and Geoffrey Schunck, aged 12, of 43 Bellevue-place, started out on Monday afternoon to see the world and have not yet returned. They were last seen in the company of a bigger boy at the Union Station, where four half-fare tickets were purchased, two for Buffalo and two for Hamilton. The two Bickman boys wore dark clothes, woolen toques and corduroy knickerbockers. Schunck wore a navy blue suit, with knickerbockers and a woolen toque. Mr. Schunck has communicated with the police at Buffalo, Hamilton and other outside places.

More Trouble.

Police Constable Craig last night placed under arrest Thomas Love of 114 Sully-street on a warrant charging him with theft. The complainant in the case is Henry Barron, a liquor dealer at 74 Arthur-street, who alleges that the prisoner stole a bottle of whiskey from his wagon a few days ago.

New Star is Changing.

An address on the new star was an interesting feature of the meeting last night of the Astronomical and Physical Society in the Canadian Institute. Mr. J. H. Miller reported on observations made of the new star, pointing out that since his last observation there had been a slight change in the spectrum.

HAMILTON NEWS

SOMEONE GOT A RAKE-OFF

A Revelation to the Aldermen When Tenders for Supplies to the City Were Opened.

A WIDE DIFFERENCE ON CEMENT.

Generous Gift of Mr. John Billings—Death of Mr. J. P. Johnson—General News.

Hamilton, March 19.—(Special.)—The tie that binds was not in it with cement at the meeting of the Board of Works to-night. The aldermen opened tenders for supplies, including cement, and they got an eyeopener in connection with the latter commodity. Last year it cost the city $2.47 a barrel. To-night's tenders showed that, associated therewith, was a big rake-off for somebody. The Lehigh Valley Cement Company, thru its Buffalo agency, offered cement at $1.99 each for sacks of 350 pounds. The company also tendered direct, but its agent attended the meeting and asked that the tenders be withdrawn. The aldermen became suspicious, and declined. The result was that it was revealed that the company was willing to sell for $1.44 a barrel, or $1.13½ a sack, with carty, 42 cents, added. It was decided to leave the selection with the chairman and Engineer.

The lumber tenders were: Brennen & Co., $17.51 per 1000 feet; McAllister Co., $17.15. The latter was accepted.

It was decided to refer the change of location of the Main street carters' stand to the Markets Committee.

Mr. Billings' Generous Gift.

Mr. John Billings, one of the City Hospital Governors, made a handsome donation to the board at its meeting this afternoon. He informed his fellow-governors that he would present $3000 for the purpose of erecting an outdoor patients' building. He did so, he said, to perpetuate the memory of his late wife. Mrs. Billings, to many outside of Hamilton, was known by her writings as "Fidèlès Holland." Mr. Billings was heartily thanked for his generous gift.

At a meeting of the House of Refuge Committee this afternoon a statement was presented, showing that the repairs in the house would cost about $50. Tenders will be called for.

Agent Johnson Dead.

James P. Johnson, Hamilton agent of the Canadian Express Company, died to-day shortly before noon, at his residence, 122 Hannah-street west, after a brief illness. The deceased was at his desk at the company's office a week ago last Thursday, but was taken ill and had to be removed home. Pneumonia developed, and he succumbed about 11.40 this morning.

No citizen was better known or more highly respected. He was 48 years of age, and leaves a widow and two children. The deceased had been connected with the Canadian Express Company's office here for about 20 years. He started in as a junior clerk, and about 20 years ago was appointed Hamilton agent, or manager.

The funeral will take place next Thursday afternoon at 3 o'clock.

PRINCE FIGHTS FOR BOERS.

But His Grandfather Was for Fifty Years a Pensioner of Queen Victoria.

ALL PARIS FETES LOUIS DE MERCY

The Bourbon Scion, Who Lives Up to the Reputation of the Family for Ingratitude.

Paris, March 19.—Mention has been made in the despatches and correspondence from South Africa of a young Frenchman named Louis de Mercy, who was fighting for the Boers and who was one of the orderly officers of the French chief of the Boer staff, the late Col. de Villebois Mareuil.

Louis de Mercy is no other than Prince Louis of Bourbon, second son of Prince Gaston of Bourbon and of the ex-Crown Princess of Brazil. He reached this city about 10 days ago from the Transvaal, and has since then been feted and made much of by all the members of the royal house of Bourbon here, as well as by the Royalist party.

Yet his father, the Count d'Eu, was educated in England, where his own father, the old Duke of Nemours, occupied for half a century, and until the time of his death in 1896, Bushy House, an English Crown residence, which had been placed at his disposal by Queen Victoria, and which, during all those 50 years, had been maintained for him and kept in repair at the expense of the English Government.

The Bourbons, however, have such a justly deserved reputation for ingratitude that after all there is not much ground for surprise to find the grandson of the Duke of Nemours and of Princess Victoria of Saxe-Cobourg bearing arms against the English.

Prince Louis was born in Brazil, and was in the line of succession to the Brazilian throne until the overthrow of the monarchy in that country. He received his military education in Austria and holds the honorary rank of Lieutenant of Artillery in the Austrian army.

Both Wanted in Guelph.

Two cases of theft in which residents of Guelph are the complainants were brought to the notice of the local police yesterday and arrests made. Mathew C. Lannin of 460 Church-street was taken into custody on a warrant issued at the instance of Isaiah Snider of the Royal City. Snider consigned a quantity of produce to Lannin some weeks ago to be sold on commission, and it is alleged the latter appropriated the proceeds to his own use. Lannin admits that he effected a sale of the produce, but has not yet been paid. Lannin was charged with theft some months ago by W. H. Smith, the Church-street commission merchant, but was acquitted. Frank Burgitt was also arrested by Detective Verney after a telegram had been received from Chief Randall of Guelph, asking for his apprehension. It is charged that he stole a small sum of money. He will be taken to Guelph to-day.

Charged With Assault.

Gabriele A. Calebrazo, an Italian at 111 Centre-avenue, was taken into custody last night, on a warrant charging him with assaulting Francis Bonscella of 111 Centre-avenue. Bonscella was the complainant in a case a few days ago in which a friend of the prisoner, Calebrazo, was charged with assault, and this is said to have been the cause of the quarrel which occurred last night on Centre-avenue. Patrick Lyons, who is well-known in police circles, was also placed under arrest last night, charged with assaulting John Sheehan. Lyons lives in the rear of 19 Centre-avenue. Police Constable Mackie made the arrests.

Child Broke Her Leg.

LADIES IN MEXICO

Undone by Coffee Poisoning.

Down in the City of Mexico, in the country that raises its own coffee, they have plenty of stomach trouble and nervous headaches, brought on by coffee drinking.

A lady, writing from there, says: "I have used coffee for a long time, and was inordinately fond of it. At any time I would cheerfully have given up all the balance of my meal, if necessary, in order that I might have the coffee, but I acquired a wretched, muddy, blotchy complexion, had prolonged attacks of excruciating nervous headaches, was troubled with insomnia, and finally complete nervous prostration, that horror of horrors.

"I was compelled to give up coffee, for it was the poison that worked my undoing, then I concluded to take on Postum Food Coffee. I did not believe in it, and knew I would not like it, for I could not bear to think of anything that was to take the place of my beloved coffee.

"I was driven to despair by illness, and willing to try most anything to obtain relief. Imagine my surprise when I made Postum Cereal Coffee according to directions, and liked it as well as any coffee I ever drank.

"So the problem was solved. I began to improve in health, could sleep well nights, my headaches disappeared, and I kept gaining in flesh, until I went from 118 pounds to 150, and I am now perfectly well, and feel so. I have been able to do an enormous amount of extra work that would have been absolutely impossible under the old conditions."

"Please do not use my name in public." Name can be given by Postum Cereal Co., Limited, Battle Creek, Michigan.

CONSERVATIVE ASSOCIATION

Stalwarts of the Party in Ontario Will Be in Annual Session Here To-Day.

OVER 200 DELEGATES EXPECTED

Mr. Whitney Very Warmly Criticised the Ross Government at the Banquet Last Night.

To-day the annual meeting of the Ontario Liberal-Conservative Asso. will be held in Victoria Hall, Queen-street, to talk over matters concerning the welfare of the party. The president of the association, Dr. Beattie Nesbitt, will call the convention to order at 10 o'clock, when it is expected there will be about 200 delegates in attendance from all over the province.

The advisory board of the association met in the club room of The Mail building yesterday, with Mr. R. Shaw Wood of London presiding. The afternoon was spent in revising the constitution of the association and talking over matters to be brought before the annual meeting to-day. The Advisory Board consists of the presidents of the county associations, and 20 members of this board comprise the Executive Committee. The assembled delegates dined at Webb's last night.

Some Rousing Speeches.

Dr. Beattie Nesbitt, president, was toastmaster, and, during the evening, some rousing speeches were given by assembled Conservatives. Mr. P. Wigle of South Essex and Mr. W. B. Saunders of South Simcoe replied to the toast to the British Empire.

Mr. J. P. Whitney, in reply to the toast, "Conservative Politicians," was full of hope for the future of the country and the Conservative party. He challenged anyone to show any act of the Ontario Opposition which was not as far forward as the Government, in respect to New Ontario; but the Conservatives will never be a party to the robbery of that country in order to keep men in power. The Government were giving away timber lands to men who will provide the funds to carry on elections. The leader went over the whole program of Mr. Ross, and said it was a bare one indeed, and he thoroly believed that all the bye-elections, with the exception of East Wellington, were carried by the Conservatives, while the members of the Government sit in their seats under circumstances that, in private life, would send them behind the bars.

Conservative Politicians.

The toast, "Conservative Politicians," brought forth happy responses from Mr. Hanna, Sarnia; Dr. Kaiser, South Ontario; Mr. J. W. Coy, St. Catharines; Mr. W. J. Hambly, president of the Central Conservative Association, Toronto; Mr. Hurse, Sault Ste. Marie; Ald. C. A. Wilson, St. Catharines, and others. Mr. Wilson succeeded in arousing the greatest enthusiasm in telling of the good work of the Lincoln Association, and the president and Mr. Whitney expressed their pleasure and thanks for the valuable information received.

MR. JERRY SULLIVAN

A Sarnia Man Who Has Made an Important Discovery—His Letter to the Public.

To the tens of thousands who suffer with Dyspepsia, Indigestion, Sour Stomach and Heartburn, the message of Mr. Jerry Sullivan will be a welcome one.

Mr. Sullivan has found a cure in Dodd's Dyspepsia Tablets. He is anxious to help others, and writes the following letter for publication:

"For three years I have suffered with Dyspepsia and Sour Stomach. I could get nothing to help me, although I consulted some of the leading doctors. I began to fear I would never be well.

"I purchased a box of Dodd's Dyspepsia Tablets, and, after I had used these, I found my trouble growing gradually less. I continued the treatment, and am now perfectly cured.

"I want all who may be suffering as I did to know of Dodd's Dyspepsia Tablets. They are the sure cure for Dyspepsia and Sour Stomach."

Mr. Sullivan, whose home is in Sarnia, Ont., has found out the difference between a medicine that "relieves" and one that "cures." Dodd's Dyspepsia Tablets cure, and those who are cured stay cured.

There is no good reason why anyone should suffer a moment longer with Stomach Trouble.

Dodd's Dyspepsia Tablets have cured so many, that there is no room for doubt in the mind of any reasonable man or woman. They have never failed to cure all Stomach Weaknesses, when used according to directions.

GOD SAVE THE KING.

It is no longer necessary, when you feel musically inclined, that you should be dependent on the disposition of another to gratify that inclination.

Everyone has not the time which is required for the acquisition of the necessary skill to produce good music. Few have the artistic ability; but nearly all are appreciative of good music properly rendered.

By investing in a Pianola everyone may play for himself any class of music he admires, or any particular selection his mood may call for, and impart to the playing his own individuality of expression.

Do you want to learn more about the Pianola?
