Rugby Varsity 20 Queens 8 | Hamilton 11 Ottawa 9 ✦ Baseball American Averages ✦ Horses Close at New York

NOTE AND COMMENT

By Varsity's victory Saturday over Queens, the senior Intercollegiate championship, like the Interprovincial, resulted in a tie and must be decided on neutral grounds, likely next Saturday. The time and place will be named to-day by the two clubs interested. Varsity will suggest to play off at Rosedale. If this does not meet with Queen's sanction and a dead-lock follows, President McCarthy will have to decide.

The score Saturday between the two college teams can hardly indicate the relative merits of the teams, as Varsity had much the better of the wind and with a heavy gale against them no team can do themselves justice. Therefore, on the play-off it looks a toss up in as much as Varsity can hardly show her full strength, as Lawson was practically put out of business. It is doubtful if he will be able to play in the final game.

The experts say they were favored somewhat with the element of luck, the Hamilton Tigers are to be congratulated on defeating the Ottawa Rough Riders on Saturday and they are Interprovincial champions now. Next they play for the Dominion honors and their first game will be against T.A.A.C. at Hamilton, the winners to meet either Varsity or Queens.

Let the cold weather keep up a few hours longer and the Queen City curlers will surely get busy.

The close of the Latonia races on Saturday makes Oakland the nearest track in operation, if Houston, Texas, is not included. The Cincinnati meeting, in spite of the legal fight between the Latonia Jockey Club and the racing commission over the substitution by the club of bookmakers for pari-mutuels, has been a fairly successful one. The case of the jockey club against the commission is still hanging fire in the courts, but it is not believed the matter will come to an issue that will endanger racing in Kentucky and that Latonia will go on again next season as usual.

There will not be the general exodus of horsemen from Latonia that there was in former years, when the gates were wide open on the two big tracks in New Orleans. Many owners find it too expensive to ship to California, while at the same time they look upon the Havana meeting as a doubtful proposition in view of the failure to make the meeting go there last winter. About 100 horses will be shipped from Latonia to Havana via New Orleans and as many more to Los Angeles and Oakland. The remainder will go into winter quarters.

After a season apart the two local soccer leagues are to join hands again for the benefit of both clubs and players. The Toronto and District men are to lose their identity voluntarily, returning to the Toronto League as individual clubs, same as formerly, except that the soccer organization will be bigger and better than ever before.

The Toronto Evening Telegram printed a libelous communication week before last, followed a few days later by an apology, while on Saturday the erratic member of the staff showed, that as far as he was concerned, the retraction was with bad grace. The offensive matter was in connection with the recent races at Dufferin Park that even now act on the individual in question like a red rag to a bull.

As a matter of fact The Telegram by the extraordinary space it gave to the half mile track, assisted in prolonging the meet to the finish, as much as the other papers that paid ordinary attention to the local merry-go-round.

The World's only connection with Dufferin Park was a business arrangement, and the policy adopted thereto by this paper could in no way be affected by the ideas of The Telegram. We printed the Dufferin form sheet and this was also probably a source of annoyance in the same direction.

Just here it may be pointed out that The Toronto Evening Telegram is the pioneer in the outside racing dope business, having a few years ago printed the form from one of the tracks across the line, with the evident intention of catering to the gamblers, but after running the chart for some time and getting a nice little rap over the knuckles from our old friend Pop, the feature was discontinued.

It might have been otherwise, however, and with the success attained that was aimed at, local race track gamblers would have daily sought out their favorite dope sheet, The Telegram, instead of The Telegraph, Chicago Form or Racing Information.

When one paper can thus reform itself in a few years there is surely hope for even The Mail and The News.

Probably after all the chatter was only a matter of jealousy. For who could have fitted in better as the nominal head of the York Riding and Driving Club than a lacrosse ex-president, but instead a jilted newspaper rival secured the plum.

Now what did The Telegram do all the time The World was raising Hamilton to the standard of a real race track? Never a word about that old time red clay merry-go-round that attracted daily probably as many Toronto patrons as did Dufferin Park.

Granite Club Skips.

A meeting of the skips of the Granite Club was held last night, when Messrs. H. T. Wilson and T. Rennie were elected Tankard skips, and J. F. Moran and H. M. Holland for the District Cup. It was the consensus of those present that points play should be encouraged in the club, and with this idea individual competitions for the members will be arranged this winter.

Young Toronto Smoker.

The Young Torontos are holding a smoker at Mutual-street Saturday night, that gives promise of being a huge success. The smoker will end up with a battle royal.

Varsity and Tigers Winners Rivals Were Ahead at Half Time

Gale in Second Half Helped to Defeat Queens—Also Gall Had Lot to Do With Toronto Victory.

The expected happened at Varsity Athletic Field Saturday, and to-day Varsity are tied with Queens for the Senior intercollegiate honors, the blue and white defeating the Presbyterians by a score of 20 to 8, altho Queens led at the interval, 7 to 2.

Snow completely covered the field, making it difficult for both players and linesmen, while at times, especially in the second half, the flurries of snow reached a gale, but this was all to the locals' advantage, as they were kicking with the wind.

The largest crowd of the season—or some 4000 spectators—witnessed the game under a great disadvantage, the grand stand being unable to seat one-quarter of the ladies; but little did they care so long as the locals won. Owing to a late start, the game was concluded in semi-darkness, but the crowd were not afraid to go home in the dark—for Varsity won.

Hughie Gall was the bright and shining star for Varsity; in fact, the best man of the two back divisions. He did all the kicking for the locals, while his zig-zag run of forty yards in the second period, over the line for a try, clinched the game for Varsity. Lawson, the locals' good line-bucker, could not do himself justice, owing to having an injured shoulder, while Williams of Queens did some great kicking in the first half, but after he had received some hard tackles he seemed to back up. This was noticeable when Varsity started to force matters in the last half, when he even refused to take the kicks. Macdonell was brought back on the line in the closing minutes, Williams going up on the line, it being given out that Williams couldn't see the ball.

On the line, both wings were very evenly matched, neither being able to gain anything on bucks. Thus it was up to the backs to win the game, and the Varsity booters did it. The catching by both teams was marvelous, considering the wet condition of the ball, and some very pretty catches were made.

Queens had the better of the first half, altho Varsity tallied the first two points on rouges. Queens evened up on rouges, and then forged ahead when Lawson muffed a punt near the line, Elliott going over for a try, which Turner failed to convert.

Varsity started right in the second half to force matters, but Queens came back, and on a kick by Williams, Lawson was forced to rouge. Varsity bucked up, and from this on till the whistle blew for full time, with Varsity in possession, three yards from Queens' line, they had the better of the game.

Gall kicked on the start off, Williams being downed near centre. Varsity got the ball on Queens' offside, and, aided by another offside, gained ten yards more. Gall booted on first down, Williams being downed ten yards out. Queens lost the ball on first down, and on a triple buck Lawson went over for a try, which Ritchie converted, thus tieing the score. Seven points more were notched by Varsity on kicks to the dead line and rouges, while Gall, as a grand finale, romped over the line from forty yards out for a try, which Ritchie failed to convert.

Many players were injured in tackles, but nobody was forced to retire, while Murphy and Moran were the two offenders to be ruled off. The teams:

Queens (8)—Back, Williams; halves, Macdonell, Turner, Leckie; quarter, Moran; scrimmage, Bruce, Brewster, Gibson; wings, Gallagher, Lawson, Buck, Thompson, Elliott, Murphy.

Varsity (20)—Back, Dixon; halves, Lawson, Newton, Gall; quarter, Coryell; scrimmage, Hume, Bell, Ritchie; wings, Hall, McDonald, Lee, Richie, Ramsay, Duncanson.

Referee—Dr. W. B. Hendry. Umpire—Russell Britton.

Capitals Beat Centrals 8 to 1.

In a snowstorm the Capitals-Central Junior O.R.F.U. game was played on the Don Flats Saturday afternoon before a large crowd. The game was late in starting and darkness promised to overtake the players before the game was concluded. Capitals won by 8 to 1. The winners lined up as follows: Back, Rankin; halves, Ford, Stanyon and Ellicott; quarter, Adams; scrimmage, Smith, Richards and Ford; wings, Holden, King, Morrison, Graham, Kirk, Key and Lynch.

Referee, A. A. Anglin; umpire, Walter Love.

Centrals won the toss and elected to kick uphill with the wind. Stanyon kicked to the side and Holden took the ball on the run, carrying it to Centrals' 20-yard line. On the third down Stanyon booted to the dead-line for a point. Shortly afterwards Central dribbled the ball half way down the field and Ford was forced to rouge. The first quarter ended Capitals 1, Central 1.

In the second quarter Capitals forced the play to Centrals' line. Stanyon kicked and Centrals returned it. Holden caught the ball on the run and went over for a touch, which was not converted. Half-time score Capitals 6, Centrals 1.

In the second half the play was mostly in Centrals' end of the field, but as Caps would look good for another touch they would lose the ball on an off-side or some other infringement of the rules. Capitals added two more points to their score, leaving the final score Capitals 8, Centrals 1.

I. A. A. defeated Aura Lee, 7—0, on McMasters' ground Saturday in their last game of the season. I.A.A. had it on the latter from the beginning of the game, their back division working like clockwork, with Dean showing up remarkably well. Beeton of Aura Lee looks like a comer and ought to make good. The lineup was as follows:

Ottawa Rough Riders Played Clean Game, While Hamilton Backs Fumbled But Were Lucky.

Once more the Hamilton Tigers are champions of the Interprovincial Union, by defeating Ottawa at Kingston on Saturday by 11 to 9, in one of the best games of Rugby football seen in a long time. The weather was raw and cold, the ground soft, and very little wind blowing. The crowd that turned out to see the game was probably the largest one that ever witnessed a football game in Kingston. Hamilton had a special train, and took along about 400 enthusiastic rooters, while about the same number were down from Ottawa. It is estimated that about 2500 to 3000 witnessed the game.

It was seen right from the start that it was going to be a fast and strenuous game, with both teams bent on winning, and at all times willing to take any kind of a chance. Ottawa had much the better of the first quarter, and, altho at one time during this period they were playing two men short, and, tho Stronach had hurt his ankle, which considerably slowed him up in his running, they more than held their own. This was mainly thru the perfect handling of the ball by the Ottawa back division, who were playing a wonderful game, while the Hamilton halves were fumbling badly, but luckily saving in time to prevent any serious results. Hamilton worked the ball to near Ottawa line just before the quarter ended, with no score for either team.

Right from the start of the second quarter Williams of Ottawa kicked on every possible occasion, and finally, on a fumble by Moore, Vaughan secured a try, which Williams failed to convert. This was all the scoring there was up to half-time, altho both teams tried very hard, Ottawa having much the better of the play. Score at half-time: Ottawa 5, Hamilton 0.

Hamilton team had the better of the play from the start of the second half, the ball being in Ottawa territory most of the third quarter. By long kicks by Simpson, Hamilton secured three single points, and then he unfortunately hurt his knee when tackling Williams. This left the kicking to be done by Dave Tope for Hamilton, as Biggs had been able to do very little after the first few minutes, as he seemed to be too slow in getting rid of the ball. Tope made a nice long kick, which went to dead ball line, following this with another, which tied the score.

Towards the end of the quarter Ottawa started to come again and bombarded the Hamilton line, and finally Biggs was forced to rouge. There was no further scoring this quarter, which was mainly thru the playing of Tope, who on several occasions ran the ball back and kicked from what looked impossible positions. And it was right at the end of this quarter that his defensive play undoubtedly won the game for his team.

The last quarter found everybody on edge, players and spectators alike, particularly the men of money, who had small bets on the result of the game. The ball remained in midfield for a short while, and on an exchange of punts Williams kicked into touch, twenty yards from his line. Hamilton bucked for yards, and on an offside by Ottawa got to within five yards of the Ottawa line. The crucial moment had arrived; spectators were on their feet, some hollering, others holding their breath. Finally, on the second down, Barron made the hole, and Gray, seeing the opening, darted thru for the necessary touch, Moore converting, and making the score: Hamilton 11, Ottawa 6.

On long kicks Ottawa got three single points, but were unable to win. Once on a fumble by Biggs and Tope it looked as tho they had a touch, but a Hamilton man was on the ball.

In comparing the play of the two teams, Hamilton must consider they had a lucky win, for Ottawa had much the better of the play three parts of the game. Ottawa back division played without a mistake, and no doubt the pick of the field was Jack Williams, Ottawa's centre half, who played a grand game thruout, his kicking and running being of the first order, and he never made the slightest sign of a fumble. In this respect he was closely followed by Powell, Ottawa's full-back, who also played an excellent game, repeatedly running the ball out when scores looked certain. McCann and Hal Kennedy played good football, but did not shine like the beforementioned two.

On the other hand, the Hamilton backs fumbled badly and were extremely lucky. They were slow in starting to run the ball back, Moore being particularly noticeable in this respect, and is far from playing the game he formerly did. Biggs is a poor starter, tho fast when he once gets going. Simpson does not play as brilliantly as he did, but he did excellent work at Kingston until his knee was hurt, and took an awful gruueling from the Ottawa wings. Hamilton's best man behind the line was Tope, and, tho a week ago in Ottawa his fumble cost his team the game, he certainly made up for that mistake, and to him must be given considerable, if not the greater portion, of the credit for Hamilton's win.

It was on the wing line that the Tigers showed their strength, the work of Gray, Wigle and Isbister being of the brilliant kind. Special mention might be made of Isbister, who undoubtedly played the game of his life, and was the star man of both wing lines. Ottawa's wing line was outclassed, tho Ryan played a fine game until near the end, when he had his head cut, which slowed him up. Aylmer and Vaughan played well, but the line as a whole were not as good as Hamilton's.

Special mention should be made of the way in which Referee McKenzie and Umpire McMaster, both of Montreal, handled the game. Their decisions were prompt and fair; in fact, it was the unanimous opinion that no game of football was ever handled in better style. It is certainly a pleasure to witness a football game when handled in such a magnificent way.

Teams and officials are:

Ottawa (9)—Back, Powell; halves, McCann, Williams, H. Kennedy; quarter, Kile; scrimmage, Sheriff, Ferguson, Kennedy; wings, Stronach, Vaughan, Churcn, Aylmer, Phillips, Ryan.

Hamilton (11)—Back, Tope; halves, Moore, Biggs, Simpson; quarter, Ballard; scrimmage, Craig, Burkholder, McCarthy; wings, Marriott, Isbister, Grey, Barron, Wigle, Loftus.

Referee—Phil McKenzie. Umpire—Wm. McMaster, Montreal.

Lancashire Beat West Toronto.

Lancashire and West Toronto played their league game in a snowstorm before a moderate attendance at the Pines on Saturday. Both teams were well represented, and, considering the weather conditions, a very fast and interesting game resulted. There was no score at half-time. The second half was very even. Towards the close Masding, who was playing a good game, broke away along the left, and, eluding the defence, scored the only goal of the game, with a fine shot, giving Dawe no chance. After this West Toronto tried hard to equalize, but their efforts were of no avail.

Final score: Lancashire 1, West Toronto 0.

Association Football.

A game of Association football was played on the Don Flats Saturday afternoon between teams representing Toronto Engraving Co. and Grip, Limited. The score was 2 to 1 in Grip's favor. The lineup of Grip, Limited: Hall, Smith, Hitchcson, Tyndall, Thompson, James, Brown, Buchannan, Lewis, Bertram, Warwick. Dicky Bird was an interested spectator. Varsity soccer team defeated Queens at Varsity athletic field Saturday by a score of 1 to 0 and the two teams are now tied for the championship.

Ottawa College by 12 to 3.

OTTAWA, Nov. 14.—Ottawa College beat McGill in the final game of the Intercollegiate series by 12 to 3, both being out of the running. The line-up was as follows:

McGill (3)—Back, Hastings; halves, Reid, Powis, Raphael; quarter, Winslow; scrimmage, Smith, Eakins, Cornell; wings, Gilmour, Hughes, Mathewson, Turnbull, Cassels, Renaud.

Ottawa College (12)—Back, Bawlf; halves, McCarthy, Richards, Corkery; quarter, Dean; scrimmage, Dubois, Chartrand, Costello; wings, Haggerty, Harrington, Smith, Conway, O'Neil, Quilty.

Referee—Harvey Pulford, Ottawa. Umpire—Harry Gordon, Montreal.

The result makes Ottawa College tie with McGill for the last place in the race. College played by far the best game it has this season, and good kicking, sharp tackling and fast following-up won the game.

McGill line was stronger, and the scrimmage was able to make ground when given an opportunity, but College was at its trickiest and seldom gave a chance.

Half-time ended 7—3 for the local students, and no score was made in the second half until the last half-minute, when a fumbled by the McGill back division gave College a chance to secure another touch-down. Final score:

Ottawa College 12, McGill 3.

Parkdales Beat Petrolea.

PETROLEA, Nov. 14.—Parkdale defeated Petrolea Juniors in a semi-final sudden-death game in the Interprovincial series to-day by a score of 8 points to 0. Hayes and Robbins of Hamilton officiated to the satisfaction of all. The Parkdale team excelled the Petrolea team in their trick formation and passing the ball; in all other respects the teams were the most evenly matched ever seen playing here. The visitors scored two rouges in the first half and a rouge in the second half. There was a crowd of about 300 out to see the game, which was played in a blinding snowstorm.

CLOSE OF HORSE SHOW VANDERBILT'S TEAM LOSE

Highly Commended for Hugh Wilson's Excise—Final List of Winners.

NEW YORK, Nov. 14.—Closing a most brilliant week with a splendid program, the twenty-fourth annual exhibition of the National Horse Show Association came to an end to-night at Madison Square Garden.

The most interesting event of the week was contested to-day. This was the class for road teams, in which Alfred Gwyane Vanderbilt and Morris E. Howlett drove their famous coaches, Venture and Magnet, from Arrowhead Inn, at 177th-street, to Madison Square Garden, a distance of eight miles. Throngs lined the streets thru which the handsomely equipped coaches were to pass and the wealthy drivers were cheered enthusiastically.

There were 12 passengers on Mr. Howlett's coach and eight on Mr. Vanderbilt's. Mr. Howlett's team made the run in 42 minutes and Mr. Vanderbilt's in 50 minutes.

It took the judges but a few minutes to pick the winner, when both coaches were lined up for final inspection. Mr. Howlett was given the $700 Arrowhead Inn Challenge Cup and the blue ribbon.

C. W. Watson was the most successful exhibitor. With a total of an even dozen firsts to his credit, the famous Fairmont Farm's stable of C. W. Watson led in the keen struggle for the coveted blue, red, orange and white ribbons. Neck and neck only a short distance behind the Baltimore coal man's splendid string of high-bred animals in the race for honors were the stables of J. W. Harriman, Alfred G. Vanderbilt and Harvey S. Ladew. Mr. Harriman's Avondale Farm of Roslyn, Mass., and Mr. Ladew's Elsinore Farm of Westbury, L. I., carefully divided red nine blues each, while Mr. Vanderbilt's Oakland Farm of Newport was able to show eight. Paul A. Sorg, tobacco man, of this city, came next in order with five winning ribbons.

The features of the judging were represented in four events, which included saddle horses over 14.2 and not exceeding 15.2, ponies under saddle; horses in harness and thoroboreds suitable to become hunters. In the latter class Excise, a 3-year-old chestnut gelding, owned by Hugh L. Wilson of Toronto, was highly commended. The summary:

Cubs 22, Parkdale II. 2.

In a driving snowstorm, which made good Rugby out of the question, the Parkdale Canoe Club second team went down before the Hamilton Tiger Cubs in a junior interprovincial game by a score of 22—2. By quarters, the scoring was: First, 2—0; second, 8—0; third, 3—2; fourth, 9—0.

The result was never in doubt, as the visitors clearly outclassed the canoeists and were apparently much more at home on the soggy field, their backs handling the leaden pigskin to considerably better advantage than did the Parkdale halves, who fumbled a great deal. The locals fought gamely and the wing line made a good showing against their heavier opponents. Only a handful of spectators braved the elements.

Carry, the Cubs' centre half, was the most conspicuous player, his long punting being responsible for a number of points.

Minor Leagues Have Grievance Club Owners Meet in Buffalo

Eastern and American Will Get Square Deal by Forming New Association—May Do So To-morrow.

Eastern League magnates will hold a joint meeting with the American Association club owners at the Lafayette Hotel, Buffalo, next Wednesday.

This meeting is called for the purpose of endorsing or rejecting theaction of P. T. Powers and Joseph O'Brien, who led the bolting factions of the two organizations at the meeting of the National Association at Chicago last week. The general opinion in baseball circles is that the course taken by Powers and O'Brien will be ratified. The utmost importance is attached to the doings of this session.

For five years the Eastern and American magnates have been trying to secure higher classification, but each year they have failed because they have been overwhelmingly outvoted by the small leagues. According to the views of a well-known Eastern Leaguer who was in New York the other day, the only way for the Eastern and American Leagues' club owners to gain their point is to break away, and there is no doubt but that Powers and O'Brien will be backed up in their stand.

The major clubs of the National Association haven't had a square deal for years. The "bush leaguers" are a jealous lot of fellows, and it has been their custom to outvote any propositions presented by Eastern League or American Association club owners, without considering the merits of the questions. The only way to get a square deal is to organize a separate association, which he thinks would be countenanced by the National Commission.

The present situation is that a Texas League manager, who probably has $500 invested in a club, can make his vote count just as much as an Eastern League manager who has $25,000 to $50,000 invested in his club.

The Toronto Gets Outfielder.

The Toronto Baseball Club have been awarded Goode, who was drafted from Troy. He is an outfielder, a left-handed hitter, and reported very fast. He is one of the players that Fred Mitchell unearthed on his scouting expedition. President McCaffery will attend the meeting of the Eastern League and American Association in Buffalo on Wednesday.

Pat Powers is Mum.

NEW YORK, Nov. 12.—Patrick T. Powers, president of the Eastern League, who with P. J. O'Brien, president of the American Association, withdrew from the meeting of the National Association of Minor League Clubs, in Chicago, returned from the west to-day.

"Until a future meeting is held by the Eastern League and the American Association and that meeting is to be held early next month, there is nothing for me to say."
