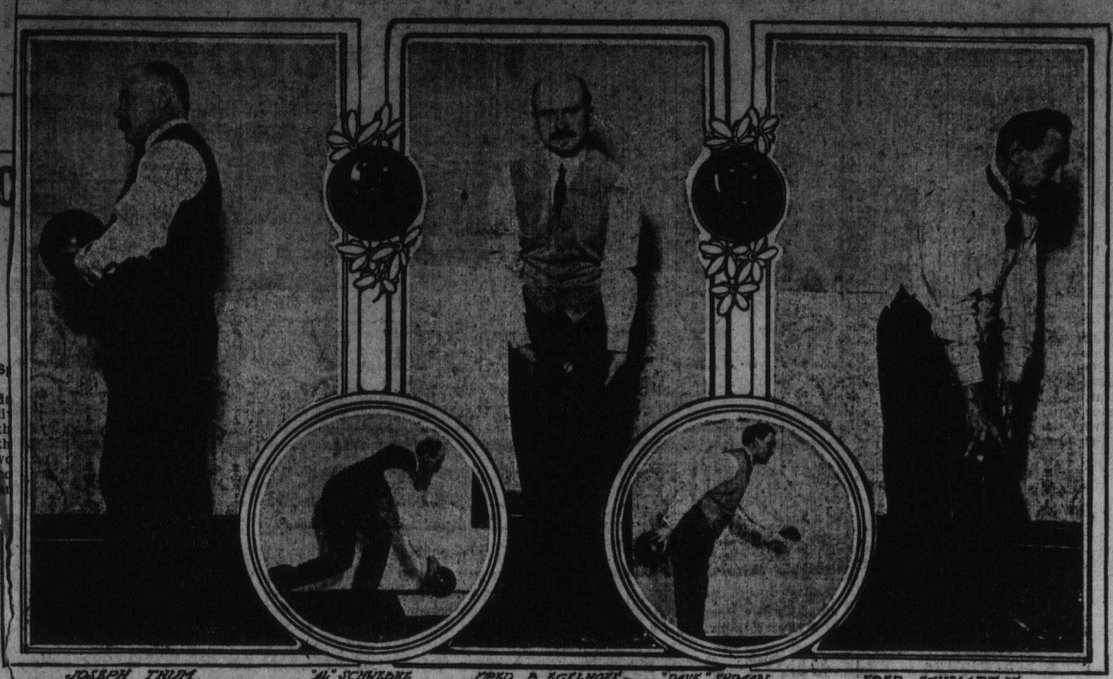
THE GREAT NATIONAL BOWLING CONTEST IN NEW YORK



JOSEPH THUM, PRESIDENT UNITED BOWLING CLUBS OF N.Y. — "AL" SCHNEIDE — FRED D. EGELHOFF, GREATER NY. CHAMPION PLAYER. — "DAVE" SHUMAN, GREATER NY. CHAMPION IN 1908. — FRED SCHWARTZ JR. PRESENT NATIONAL CHAMPION.

JOHN KOSTER, FORMER NATIONAL CHAMPION

"JIMMY" SMITH THREE TIME CHAMPION OF GREATER NEW YORK — JOHN J. VOORHEIS "THE LITTLE WIZARD"

New York, May 27.—The nation's best bowlers competing in the big tournament being held in Madison Square Garden by the National Bowling Association which began Monday, May 24, and ends June 5.

Experts on the alleys are here from Chicago, St. Louis, Milwaukee, Cleveland, Pittsburg, Buffalo, Montreal, Quebec, Ottawa, Boston, Baltimore, Philadelphia, Cincinnati and goodness knows how many other cities, to visit a week and try to win some of the big purses which have been offered by the tournament promoters.

There's a guarantee of $1,000 for the winning five men team, and that big sum, which isn't the kind of plum that falls to a bowling club every day, has aroused interest in all sections of the United States. If five men can roll high enough to make $200 each they will feel that they have not employed their time in vain, and in addition to the cash there is the honor which goes with beating all the other crack bowlers of the United States.

Of those competing for the national championship in New York, Smith is the three time champion of Greater New York, and in Johnnie Voorheis, "The Little Wizard," he will meet a sturdy opponent.

"UNKNOWN" BOWLER SPRINGS TO FRONT.

Bowling form and high marks for the tournament were upset in Madison Square Garden during the competition for the National Bowling Association championships on Wednesday. H. J. Miller, an "unknown" in the ranks of the expert pin topplers, gained a place at the top of the list of high score makers by totalling 644 in three games.

Miller is a member of the West Harlems and has always figured as a "plugger" in the great army of rollers. On Wednesday Miller bounded to the front as a brilliant bowler. He scored 201 in his first game, and was ignored by the students who trail the experts. After recording 210 for his second string, Miller rounded out his turn on the alleys with a single of 233.

The Bronx Central No 2 team of five men rolled a single game of 1,035, the highest score of the tourney. The scores by individuals were:—Baker, 198; Sanford, 220; Michael, 181; Keller, 236, and Grahl, 200.

Jimmy Smith Figures

An endurance contest between two-men teams was arranged last night for Tuesday. Beginning at noon, the teams will roll for twelve hours, total pins to count. Champions of East and West will be on the six teams entered for the novel contest. "Jimmy" Smith, champion of Greater New York, and "Alex" Dunbar will form one team. Others will take the alleys as follows:—Glenn Riddell and Fred Pump, Jr.; John Koster and partner; Larry Sutton, of Rochester, and "Dave" Woodbury, of Chicago, and Louis Franz and C. V. Gilbert, of Cleveland.

"Billy" Heins and "Jimmy" Smith, of Brooklyn, won three out of four games in the two men team match against Glen Riddell and Fred Pump Jr., last night. Smith's bowling as anchor man made the victory a decisive one.

The scores:—

"Billy" Heins	174	178	191	176
"Jimmy" Smith	203	181	225	214
	377	359	416	390
Glenn Riddle	158	187	170	177
Fred Pump, Jr.	165	202	193	148
	323	389	363	325

Policemen in Match

A match between five men teams of Buffalo and New York Policemen will be rolled Saturday night. The New York team will be made up of Charles P. Wilhelm, George Smith, James Campbell, Joseph P. Craft, "Dan" Haggerty and Julius Leck, substitute.

The line-up of Thompson's Colts, of Chicago, former world's champions, who will roll against the Brunswicks Saturday night, was announced last night. "Dave" Woodbury will be the anchor man and "Billy" Thompson the captain, will lead off Keppler, Boice and Flanner will be other members of the team. Glen Riddell, Chester Dumas, "Jimmy" Watt, Lee Johns and "Billy" Weingarth will bowl in that order for the Brunswicks, the present title holders.

Managers and members of the New York, Brooklyn, St. Louis and Chicago National League baseball teams will be guests of the Corinthian bowling Club in the Garden tonight. Eight five men teams from the Corinthians will bowl in the tournament.

Eight games were contested in the special match, best five out of nine strings, between "Larry" Sutton, of Rochester, and "Alex" Dunbar, the former winning, with an average of 190 4-8, against 173 2-8 for the New York expert. It was not necessary for Sutton to display the accuracy he did in winning the Western championship at Pittsburg last March, but in his last two strings the pins fell for totals of 221 and 222. Sutton made a spare on the "King," No. 9 and No. 7 pins during the match.

The scores:—

"Larry" Sutton—198, 165, 211, 147, 180, 180, 221, 222. Total, 1,524. Average, 190 4-8.

"Alex" Dunbar—177, 191, 182, 146, 155, 180, 192, 163. Total, 1,386. Average, 173 2-8.

Nine games were rolled before George Jarrett defeated C. B. Horan. After losing the second, third, fourth and fifth games, Jarrett led in the next four strings.

The scores:—

G. Jarrett—181, 164, 153, 155, 164, 231, 199, 215, 199. Total, 1,661. Average, 184 5-9.

C. Horan—149, 183, 195, 163, 169, 207, 194, 159, 133. Total, 1,552. Average 172 4-9.

Leaders in Tournament.

The five leading teams and individuals in each division of the tournament are:—

Two men teams:—Blatz and Stout, of Plainfield, N. J., 1,172; Bergstrom and Thomas Long, Long Island City, 1,141; Lewis and Andrews, Long Island City, 1,110; Pearson and Meyer, Newark, 1,104; Moore and Levy, Jamaica, L. I., 1,100.

MONCTON TEAM SAID TO BE VERY AGGRESSIVE

Today is a "big noise" in the Victoria grounds baseball calendar, as Moncton will play against the Marathons in afternoon and evening games.

It is claimed in Moncton that the team which is coming is stronger than last year's and is in fact one of the best ever sent out of the railway town. In the following line-up of the Marathons it will be noticed that Bradbury the former third baseman, is figuring at first, while Sealy is taking his place at third.

Marathons:—
Rootes—Catcher.
Nesbitt—Pitcher.
Bradbury—First base.
Copeland—Shortstop.
Ramsey—Second base.
Sealy—Third base.
D. Malcolm—Left field.
J. Malcolm—Centre field.
Clawson—Right field.

Trecarten will pitch the evening game for the Marathons. J. McAllister will umpire. The first game will be called at 3 p. m. and the evening game at 7 p. m.

Mr. Charles Tilley, of the Marathons, said yesterday that Moncton was not withdrawing from the Provincial League, but would place a strong team in it.

Speaking of the M. P. A. A. A. suspension of the St. Peters and the St. Johns, Manager Edward Mahony of the former team said yesterday, that he didn't care whether his team were suspended or not, and that so far as the Inter-Society League were concerned, the M. P. A. A. A. could go right on suspending.

Two Games on Shamrock Grounds.

Two games are due to be knocked off the Inter-Society League schedule today. The St. Peters are matched with the St. Josephs and the St. Johns and the A. O. H. are opponents.

FIRST GOLF MATCH THIS AFTERNOON

The links of the St. John Golf Club are in prime condition for the summer's sport. The caretaker of the grounds has been busily at work with a new lawn mower since early in the spring, and the result of his efforts is apparent in the splendid appearance and excellent condition of the links. Club members are enthusiastic over the prospects for the coming season, although as yet no outside matches have been arranged. The first match this year will be held this afternoon at 2.30 on the links. It will be an inter-club contest match play against bogie.

Two or three small prizes have been provided.

The programme of races and entry blanks will be issued tomorrow or early next week, and the premiums for the five days' racing will amount to $4,000.

The St. John City Rifle Club will hold their regular spoon match this afternoon on the local rifle range, the match starting at 1.30 sharp.

Major S. B. Smith will act as Range Officer, and will receive match tickets up to 2.30 o'clock. After that time no tickets will be received for the match. If the weather is at all favorable a large attendance is expected.

The monthly roll-off of the Victoria Athletic Club took place last evening on the Victoria Bowling Alley's. Mr. A. Law won, with a total of 307, and an average of 102 2-3 for three strings. A McDonald was second with 292 and 97 1-3. F. Doherty third with 266 and 88 2-3.

Jack O'Brien and Stanley Ketchel are supposed to make 160 pounds when they box at Philadelphia.

ST. JOHN HIGH SCHOOL TRACK TEAM GETTING INTO SHAPE

The team which will represent St. John High School in the Interscholastic track event as far as it has been chosen at the school trials will be composed of the following:

440 yards dash—Finley and Cunningham.

100 yards and 220 ards dashes—F. Smith and R. Smith.

High jump—Finley and Megarlety.

Mile run—Walsh and Melrose.

12 pound hammer throw—F. Smith and R. Smith.

Others Not Chosen.

The men for the other events have not yet been chosen but are likely to be this week.

Yesterday's Trials.

Yesterday afternoon Coach A. W. Covey tried the boys out in the quarter-mile. As was expected Fred Finley covered the distance in the best time, doing it in 57 seconds flat. Cunningham was a very good second.

Other Events.

The local High School boys are doing very well in the other events. Frank Smith is getting the 12-pound hammer out 75 feet. In the pole vault Cunningham is going well up to nine feet. Finley and Frank Smith are jumping well up to 19 feet. R. Smith and Finley are the shot putters and are getting the sphere out over 33 feet.

St. John's Chances Good.

St. John High School's chances for winning the meet are thought to be pretty good. MacDonald, of Fredericton, is acknowledged to be dangerous in the sprints but the local athletes are strong in the other events.

Rothesay Hard at Work.

Rothesay is hard at work and may spring some surprises on June 9. The Blue and White is understood to have some good athletes.

BASEBALL GOSSIP.

Paul Cobb, the younger brother of the noted "Cy" has been released for the third time this season. Memphis let him go after a ten days' tryout. The youngster says his eyes are affected and he may retire from the game.

June 29 will be getaway day for the Pittsburg team at their old park. Chicago will be there on that date, and there will be a celebration after the game. After that time the Pirates will be playing at the new grounds.

John Heydler, acting president of the National League, has called a meeting of the board of directors, to be held in Cincinnati on June 4, to consider the Cincinnati club's protest of the game with Pittsburg on April 23.

Tommy Leach uses a big, heavy bat for a little fellow. That probably accounts for the distance he drives the ball.

Al Storke has told Manager Fred Clarke that he would report to Pittsburg on June 21.

President Dovey has filed a claim for Ralph Works, the Detroit pitcher purchased from the Syracuse club of the New York state league.

Becker certainly "has it" on most outfielders in accurate throwing to the plate. His throws do not come as do those of most left-handed men.

Waivers have been asked by Detroit on Edward Lafitte, the pitcher. If they are granted he is to join Hugh Duffy's Providence club.

Harlem Tommy Murphy appears to be getting a punch. His knockout of Kid Sullivan of Baltimore, and of Willie Moody, as well as the trouncing he gave Young Nichie, shows that the title of the punchless wonder will hold no longer. Tommy will try his power on Matty Baldwin next Tuesday night at the Armory A. A.

GOOD LIGHT-WEIGHTS BUT PUNK HEAVIES

Sam Langford's easy victory over Ian Hague shows that, try as John Bull has to develop a fitting heavyweight chmapion, all efforts have been fruitless. Ian Hague has followed the route of Gunner Moir, Tiger Smith and other British heavyweights, but the Yankee punch was too much for them all. On the other hand, contrast the showing of the lighter weight fighters. Jem Driscoll, Owen Moran and Freddie Welsh, all of whom have made great records in America's championship class. The day may come when Britain will unearth a suitable big man—but for the present, nothing doing.

FAST LOCAL MEN ENTERED IN 10 MILE

As announced before, Cameron of Amherst and McKenzie of Springhill, two crack Nova Scotia long distance runners, are entered in the ten mile race which the Every Day Club will run off here on June 12. The Nova Scotians will meet St. John's best for all the local distance runners are entered. The list includes King, Stirling, Stubbs, Clark and Horseman.

There will also be large entry lists for the other events.

BOXING NOTES.

Kid Broad, the veteran featherweight, is a beneficiary under the will of a Cleveland relative, who leaves the pugilist enough to live comfortably for some years.

"No more Montreal for mine," says Tommy Rawson, who is home after boxing Billy Allen before a house the gross receipts of which were $70, half of which went to the boxers. Some of the spectators chipped in so that Rawson might at least have his fare home. —Boston Herald.

Stanley Ketchel, middleweight champion of the world, and Billy Papke will be brought together for a fourth time July 5, at Los Angeles.

Jimmy Coffroth is responsible for the story that, while Battling Nelson has not lost one whit of his boring tactics, he has learned to duck and block with rare skill.

Al. Kubiak thinks that he can stop Jack O'Brien inside of six rounds.

Frank Erne, who has a boxing school in Paris, intends bringing over Marceau, the crack French lightweight.

Hugo Kelly has signed to box Eddie McGoorty, at Calumet, Mich., during the state Elks' convention June 8.

Johnny Eckhardt, the well known sporting authority, is to open a club in Philadelphia with a seating capacity of 8000.

Billy Brady thinks that Kaufman will be the man to upset Johnson. Brady talks as though Jeffries will not fight the colored heavyweight.

Corbett's poolrooms in San Francisco have announced Battling Nelson a 2 to 1 favorite over Dick Hyland.

Stanley Ketchel signed articles Wednesday to box 10 rounds with Tony Caponi of Chicago, at the American A. C. in Schnectady, June 8.
