VESSEL BURNT.—The schr. Sarah, Capt. Vanvissel, was destroyed by fire while lying at the wharf in Digby, on Sunday morning, together with nearly all her cargo, consisting of dry goods, earthenware lime and salt. The Sarah was from this port, having left here on Friday last. We have not heard whether there was any insurance.

The British schr. which came ashore at the back of Cape Sable, on the afternoon of the 13th inst. (in addition to the Eagle, of Yarmouth, N. S.,) was about 100 tons burthen, full of water; had lost both masts, and as there was no person on board, it is presumed all hands were lost—There was no name on the stern, nor had anything been found to show who she was, except a small bag of cotton wadding, which was hooked up from the hold with some articles of clothing having no mark. The bag was marked "W. Hunt, Granville, N. S., 3 bags" This mark will probably enable those immediately interested, to identify the vessel.

The Brigt. Anobile, which late ly arrived at Halifax in distress, from Liverpool, G. B., with a cargo of Rail road iron, for St. Andrews, was this day (Thursday) sold at Cunard's wharf by Mr Lawson, as she now stands, with sails, &c., complete and after some slow competition was knocked down to Mr. T. A. S. Deveuil for the sum of £750. —{Halifax paper.
