WAS READY TO GIVE UP WHEN RESCUE CAME

New Brunswick Man Restored From Bad Stomach Trouble, Declares Tanlac is in Class by Itself.

"When it comes to building a man up and making him feel fine I don't believe there is a medicine in the same class with Tanlac," said Frederick Lord, Navy Island, West St. John, N. B.

"For a year I went down hill as a result of a bad case of stomach trouble and had gotten so weak I could hardly drag myself around. I was discouraged, too, and about ready to give up.

"Tanlac suited my case exactly. It took hold of me at once, gave me a splendid appetite, toned up my stomach and soon had me feeling like a new man. It certainly is a grand medicine and I am strong for it."

Tanlac is sold by all good druggists.

PROBATION FOR RICH YOUTHS

Kalamazoo, Mich., May 10—John Duval Dodge, young Detroit millionaire, and Rex Earl of Kalamazoo were placed on probation for one year when they appeared before Circuit Judge Welmer for sentence, following their conviction on a charge of illegal possession and transportation of liquor.

Judge Welmer announced the usual terms of probation would be rigidly enforced, chief of these being the the respondent shall "contribute from his earnings for the support of those dependent upon him."

Dodge also was directed to pay $500 probationary fine and reimburse the county treasury for the expense incurred in prosecuting the case against him, the amount being $500. Earl was directed to pay a fine of $100 within ninety days, in addition to the year's probation.

Other terms of the probation order require Dodge and Earl to observe the laws of the state and ordinances of any city in which they may be; strictly to abstain from the use of intoxicating liquor and to report at least once a month to the probation officer, without whose consent they may not leave the state.

The case against the two youths grew out of a midnight automobile ride several weeks ago which resulted in serious injury to one of three young women who accepted a ride.

ST. DAVID'S CLUB IS GOING AHEAD

Election of officers to fill the places caused by the resignation of the president and vice-president, Dr. D. C. Malcolm and Leslie Kerr, took place last evening at the regular meeting of the St. David's A. A. A. James W. Brittain was elected president, and Ronald W. Shaw was elected vice-president. A report was presented by the delegate who attended the special meeting of the M. P. B. A. A. U. of C. It was decided to purchase two four-oared row-boats for use at the summer camp. The membership committee's report was satisfactory, there being about seventy-five now enrolled. It was decided to enter a team from the association in an intermediate baseball league for the coming season. The committee in charge of the recent concert to raise funds reported that the net proceeds would amount to about $140. The committee in charge of field sports were instructed to proceed at once to find out what material for a track team is available.

CHILDREN SING CANTATA.

The Main street Baptist church children's choir, under the leadership of Mrs. J. D. Hunter, gave a cantata entitled "The Children's Messiah," in the Central Baptist church last evening. Every part was excellently taken and the entire programme was a delight. The cantata was given under the auspices of the Young People's Association of Central church, and H. S. Wannamaker, the superintendent of Sunday school, was the chairman. In his opening remarks he welcomed the choir, thanked them for their splendid turn-out and expressed his delight at the unity existing between the Sunday schools of the Main street church and the Central church. Miss Hazel Flewwelling was the pianist and assisted greatly in the success of the rendering.

FACES 50 YEAR SENTENCE FOR THEFT OF HALF A PACKAGES OF CIGARETTES

A week ago Frank Lynch, 29 years old, of New York, was arrested for the hold-up of Irving Greene in the hallway of a tenement house at Eighth avenue and 189th street. Greene told the police that Lynch held a pistol to his head when he took from him "all that he possessed," half a package of cigarettes. Lynch was indicted by the grand jury in connection with the hold-up, and pleaded not guilty to robbery in the first degree, assault in the first degree, grand larceny in the first degree and criminally receiving stolen property in the first degree, the maximum punishment for which calls for fifty years' imprisonment. Lynch was remanded to the Tombs for trial.

A MISSION OF MERCY

Money Needed to Save the Little Boys and Girls of Troubled Russia.

The Canadian Committee of the Save the Children Fund has received so far a little more than $800,000 in response to its appeal. This is indeed quite a splendid contribution to this worthy object, but it would be inhuman to relax our efforts while there are still many thousands of children to be saved. When one considers the immensity of the area which has been stricken by famine, and the dense population of that area, all that Canada could possibly do would not be sufficient to relieve all the actual distress. But it would help. And our national conscience would be clear.

The obligation of the people of Canada to their fellows is not by any means met when they have subscribed three hundred thousand dollars. Those who have not yet subscribed should remember that a few good Canadian loddars will go a long way in Russia. They will supply the bare necessities of life to a few children, which is all that the Russian people can expect until order is brought out of chaos and that great country gets back to its normal condition.

The people of Canada are concerned chiefly with the salvation of the little boys and girls, who are not accountable for the terrible condition of their country. The responsibility for the moral obliquity of the Soviet should not be held against the innocents. Send you dollars on a real mission of mercy. Send your subscription to Sir George Burn, treasurer, Canadian Committee of the Save the Children Fund, or forward it through local organization or bank.

MACHINE GUN AWES LIQUOR RAID CROWDS

Merely Happens to Pass as Jersey Agents Seek Dry Law Violators.

New York, May 9.—Although merely a coincidence, the presence of a machine gun in a district raided by federal prohibition agents in Jersey City, awed the large crowd, including students of the Lincoln High School, assembled to watch the government detectives at work. The raid was in the same district where spectators a few weeks ago burned a motor truck and its load of seized liquors. After that incident Chief Enforcement Agent Conit of New Jersey had asserted that he would "clean up Jersey City if he had to use machine guns."

When the dry agents started their raid on the cafe of John Clements, Communipaw and Arlington avenue, near the Lincoln High School, a squad of soldiers with a machine gun on a truck passed the cafe in Communipak avenue and the hundreds of residents of the section and the school children believed the enforcement agents had decided to use machine guns in their activities in that neighborhood.

Large groups quickly gathered and excitedly discussed the probable use of the machine gun and of the damage it would do if turned on the throngs. Another circumstance regarded as significant was the presence near the cafe of twelve policemen. The police had been assigned as guard on request of the dry agents by Lieutenant Underwood of the Cummunipaw avenue police station. It developed later that the machine gun probably was bound for Sandy Hook.

The agents said they found in Clement's cafe several cans of alcohol and a can of ether. The other cafe raided was that of Henry Wilf, Monticello and Harrison avenues, where the federal men reported they found ten cases of whisky, ten jugs of whisky and a quantity of beer.

ENTERTAINMENT BY TRINITY SCOUTS

Trinity troop of Boy Scouts and Wolf Cubs gave an excellent entertainment programme last night in the school hall and a capacity audience showed its keen delight in unstinted applause. The entertainment was given to raise funds for the summer camp and a substantial amount was realized. Charles Upham was in charge of the programme and its presentation reflected great credit on the performers as well as those who had trained them. During the evening candy was sold under the convenership of Mrs. C. F. Regan. Miss Coram assisted in the staging of the various numbers and G. C. Jordan directed the scout playlet. W. H. Harrison was director for the Wolf Cubs and Dr. J. L. Dey also assisted.

The programme opened with patriotic exercises by the Wolf Cubs, followed by a jungle dance, also by the cubs. Harold Orchard gave a piano solo and Norman Magnusson gave a recitation. The next number was an amusing novelty. It was a screen song, in which the chorus was grouped behind a screen and their faces showed as parts of notes of music painted on the screen. Miss McPhail gave a recitation and J. Bishop sang "Peggy O'Neil."

The next number consisted of a series of tableaux depicting the seven stages of man and it was made doubly effective with appropriate vocal and instrumental interpretation. Miss Coram took the part of prologue.

Character posing was the title of the next item and in it Little Lord Fauntleroy, Boy Blue, Colonial Days, Maud, Spanish Cavalier, The 7th Soldier, the Old Church Choir, Old Fashioned Girl, Jap, Indian girl, Maud Muller and Gypsy girl, each was represented in turn. The costumes in these tableaux were particularly attractive and the instrumental interpretation heightened the effect greatly. A tableau, "We'll never let the old flag fall" closed the first half of the programme.

Miss Isabelle Stevenson was the accompanist and Bert Coupe also assisted at the piano.

The second half of the programme consisted of a Scout Playlette entitled "Boy Wanted." It was presented in two acts and in the second act a demonstration was given of a troop meeting and the readiness of Scouts to put their first aid knowledge into practice was shown. Those who took part in the playette were R. Whelpley, W. DeMille, G. Bishop, N. Magnusson, R. Kelly, R. Kranb, V. Regan, J. Niberg, C. Regan and W. Davidson.

ST. DAVID'S Y. W. M. S. ELECTS OFFICERS

The Young Women's Missionary Society of St. David's church, at its annual meeting on Monday, presented to Mrs. J. A. MacKeigan, the retiring president, a handsome diamond brooch and a bouquet of roses. The presentation was made by Mrs. Robert Reid, the honorary president, who expressed the members' deep appreciation of Mrs. MacKeigan's able leadership, their sincere personal regard and their great regret at her coming departure. Mrs. MacKeigan, who was completely surprised, thanked the members in a charming manner.

The meeting was presided over by Miss Jennie Grossett, and the reports were particularly gratifying. Two life memberships were conferred during the year in aid of the Martha Wilson Bible Institute. One was given to Mrs. MacKeigan's infant daughter as a memorial to Miss Eva Smith, one of the society's members who passed away during the year. The other life membership was presented to Miss Carrie Bailey and the money was raised by special efforts. The funds were allocated at the meeting and $100 was given to foreign missions and $50 to home missions.

The election of officers resulted as follows:—Honorary president, Mrs. Robert Reid; president, Mrs. E. A. Mason; vice-president, Miss Muriel Baird; secretary, Miss I. Jamieson; assistant secretary, Miss Kathleen Shaw; treasurer, Miss Marjorie Simonds; assistant treasurer, Miss Elizabeth Campbell. The various committees, refreshment, sewing, programme and membership were appointed.

Refreshments were served at the close of the meeting and a pleasant social hour was much enjoyed.

FOUND GUILTY OF SUPPLYING LIQUOR

The case in which Thomas Gallant was charged with supplying liquor to Chester Ford illegally, was continued yesterday afternoon in the local police court. One more witness was heard for the prosecution and two for the defence.

The acting magistrate, G. A. Henderson, found that the accused was guilty and imposed a fine of $100 or three months in jail.

COAL HANDLERS ELECT.

The Coal Handlers' and Trimmers' Union held its semi-annual meeting last evening in its hall on Smythe street with William Matterson, president of the union, in the chair. The meeting was attended by more than 200 members and the officers for the ensuing year were elecected. The president, William Matterson, was re-elected to office. The other officers are as follows: First vice-president, E. Clark; second vice-president, S. MacDonald; secretary-treasurer and business agent, William Ely; first committeeman, M. P. Donovan; second committeeman, Charles Seaith; third committeeman, Peter McGinnis; fourth committeeman, Joseph Grant; fifth committeeman, J. Haynes; delegates to the Trades and Labor Council, E. Clark, M. P. Donovan, J. Haynes, William Ely, and William Matterson; delegates to the Waterfront Council, William Ely, William Matterson, M. P. Donovan, Peter McGinnis and E. Clark.

AT WORK ON PLANS FOR EXHIBITION

The exhibition directors held their monthly meeting last night in the association's office in Prince William sereet with the president, E. J. Terry, in the chair. The reports of the various committees showed that everything was progressing well.

It was announced that the advertising display work had ben commenced and that special transportation rates had been promised by the railway companies. It was hoped that extra accommodation might be secured, both by additional trains and by additional stops by express trains.

The poultry committee in particular reported having developed a very comprehensive scheme that would make this department a still greater feature than it had been.

Mrs. Harold Lawrence reported for the women's committee and outlined a comprehensive plan, indicating several new features and the revival of some old features which have lapsed in recent years but are sure of popular favor.

The buildings and grounds committee report showed what work would be required on the grounds and buildings and R. R. Patchell was appointed as supervising director.

Among the concessions to be made to exhibitors this year it was decided that with every space in the industrial building there should be given one free ticket. In connection with the prize list, which is now in the printer's hands, it was said that this year there would be special prizes in the shape of cups donated by business men and open for competition by New Brunswick exhibitors only. Samples of these cups were shown last night and they were much admired. It was hoped that before the exhibition opened it would be possible to arrange to have the cups displayed in a window of one of the local stores.

CONSTIPATION BAD HEADACHES FAINT, DIZZY SPELLS
Constipation is one of the commonest ills of mankind, and one too often allowed to go unlooked after, until some serious complication sets in.
A free motion of the bowels daily should be the rule of everyone then there will be no constipation, sick or bilious spells, dizziness, heartburn, coated tongue, foul breath, sour stomach, floating specks before the eyes, jaundice, water brash, etc.
Keep the bowels properly regulated by the use of
MILBURN'S LAXA-LIVER PILLS
and you will enjoy the best of health.
Mrs. Frank Willsey, R. R. 3, Belmont, Ont., writes: — "I have been troubled with constipation for nearly two years. I had bad headaches, faint and dizzy spells, and would bloat terribly. I was nearly discouraged for I had tried so many things that gave me no relief. My mother got me a vial of Milburn's Laxa-Liver Pills and told me to give them a fair trial. After I had taken one vial I felt much better and continued their use. Now I have no faint and dizzy spells and am gaining nicely. I would not be without Milburn's Laxa-Liver Pills for the world."
Price, 25c. a vial at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

Dr. Percy Bonnell's orchestra visited the county hospital last night and gave a splendid concert programme that was most heartily enjoyed. The members of the orchestra sang choruses also. They were very welcome at the hospital and were thanked most cordially.

WORK FOR SEAMEN MOST ENCOURAGING DURING LAST YEAR

The twenty-eighth annual meeting of the Seamen's Institute of St. John was held yesterday afternoon in the Institute's building with H. C. Schofield, the president, in the chair. The reports received were exceptionally encouraging. During the year the property adjacent to the Institute had been purchased as it might be needed for future expansion. Three bequests had been made the organization in the year and the finances were encouraging.

H. J. Evans submitted the treasurer's statement showing current receipts of $7,686.95 and a cash balance of $279.39.

Mrs. Watts, the secretary of the ladies' guild, reported that 1,100 comfort bags had been made and filled for the Christmas treat at the Institute, scarves and socks made for the sailors, and sheets and quilts made for the Institute. The hospital had been visited each week and always there had been five or more sailors who had welcomed the visitors.

A hearty vote of thanks was extended the ladies on the motion of Captain A. J. Mulcahy, seconded by J. N. Rogers.

The new by-laws were read and adopted.

Officers Elected.

The election of officers resulted as follows: President, H. C. Schofield; vice-president, Capt. A. J. Mulcahy; secretary, J. N. Rogers; treasurer, H. J. Evans. The committee of management was elected as follows: George Henderson, Thomas Graham, R. T. Hayes, L. P. D. Tilley, R. Morton Smith, J. S. Flaglor, Com. J. T. Walsh, R. N. R., D. W. Ledingham, R. E. Armstrong, C. B. Allan, Mrs. Archibald, Mrs. T. Graham.

The president was to appoint the other committees and the committee of management was to appoint the manager for the Institute.

THREE TEAMS IN THE CITY LEAGUE

The City Baseball League was organized last evening in the Commercial Club rooms in Prince William street with three teams entered. These teams consist of the Commercials, East End Improvement League and the St. George's. The St. Rose's, who were considering entering the league, notified the meeting last night that they had decided not to place a team in the league.

The officers of the league were elected last night as follows: President, Frank White; vice-president, T. Campbell; secretary-treasurer, P. J. Legge. The constitution and by-laws similar to last season were adopted, with the change that one game every week is to be played on the west side. Each team in the league will be compelled by the constitution to hand in their five intermediates, after that date. Considerable discussion arose over the advisability of extending the time limit of games, during the first part of the season, from 8.45 to 9 o'clock in the evening. This matter was finally left open for decision later.

The St. George's entered the league on the same condition as the Pirates did last season, namely that, after a certain number of the games had been played, if they were not found to be strong enough, they could withdraw. It was decided last night that an opportunity would be given to a fourth team to enter later if such a team was able to show the executive of the league that they carried sufficient strength to ensure close competition.

Mr. White said that the league was out to fight for amateurism and that this season would see heavy competition from its opponents. The league would have to attract the fans to the games by the brand of ball they put up and the difference in the admission charges made between the league and its opponents.

The drawing up of the schedule was left to a committee to be composed of the managers of the three teams, namely, A. E. Secley of the Commercials; T. Campbell of the East End Improvement League, and L. Maxwell of St. George's. This schedule will be submitted to a meeting to be held early next week for final approval.

SHE DIDN'T WANT TO LIVE

"I felt so ill and wretched that I didn't care whether I lived or not."

This was Mrs W.'s experience. If you are not feeling well you should read every word of her letter. She says, "Unless you have actually experienced what it means to be ill, really ill, you don't know what suffering is. I felt so ill and miserable that I didn't care whether I lived or not. I am naturally of an active temperament and as a result I must have overworked myself, because I began to feel tired and weak after the least exertion. At times my face took on a deathly pallor. I was sore all over. I was troubled with dull pains which at times produced nausea. My body felt as if somebody had been pounding it—every bit of it pained. When I laid down at nights I could not get into a comfortable position and the consequence was I got very little sleep. The pains, which followed sleeping in one position for any length of time, gave me frightful dreams from which I awoke weak and perspiring. I consulted doctors and they told me that I was completely run down and needed something to build me up. Their prescriptions only helped me for a while. One day I found a circular about Carnol and the statements in it sounded so honest and true and free from any exaggeration that I decided to try it. In six weeks after taking the first bottle I was as well as ever. If any one had told me that Carnol would do what it did for me I wouldn't have believed them."

Carnol is sold by your druggist, and if you can conscientiously say, after you have tried it, that it hasn't done you any good, return the empty bottle to him and he will refund your money. 7-122

BEFORE BABY COMES

Watchful Care Necessary

Lydia E. Pinkham's Vegetable Compound is a splendid medicine and should be taken by the expectant mother. It will assist her in keeping well and strong. This is very necessary, not only for her own comfort but for the future as well.

Read the experience of Mrs. Barton of New Brunswick, and please bear in mind that every letter published recommending Lydia E. Pinkham's Vegetable Compound is genuine and unsolicited. It is the expression of gratitude from women who have been helped.

Cumberland Bay, N. B.—"I was troubled with weak feelings, headache, all the time, a cough, fainting spells and pains in my back and side. I could not do a single bit of work and had to be helped out to the hammock where I lay in the fresh air from morning until night and I had to be carried up and down stairs. After other medicines had failed a friend advised me to take Lydia E. Pinkham's Vegetable Compound as she said it was excellent for anyone in the family way. Before the first bottle was taken I could walk alone and as I kept on with it I got stronger, until I was able to do all my work. My baby is now six weeks old and is a big fat healthy fellow. I am sure Lydia E. Pinkham's Vegetable Compound has done wonders for me and I recommend it."—MRS. MURRAY J. BARTON, R. R. No. 1, Cumberland Bay, N. B.
