

LOSS OF APPETITE

Most Successfully Treated by Taking Hood's Sarsaparilla. Loss of appetite is accompanied by loss of vitality, which is serious. It is common in the spring because at this time the blood is impure and impoverished and fails to give the digestive organs what is absolutely necessary for the proper performance of their functions.

HEADACHES DUE TO EYESTRAIN

Women are frequently subject to headaches caused by eyestrain. Most of them suffer from astigmatism, a malformation of the eye ball which nothing short of properly ground glasses will overcome.
