VALUABLE PROPERTY FOR SALE.

AND POSSESSION GIVEN IMMEDIATELY.

THE THREE LOTS ON MOWATTS HILL so called, lying between the Main Road to Saint John and the Commons road, *having a front on both*, and containing about FIFTY ACRES. On the Premises are a comfortable HOUSE lately put in thorough repair with a frost proof Cellar, a large and commodious Barn and Stable, under one Roof.

This small and compact FARM, within one and an half miles of Saint Andrews, cuts TWENTY FIVE TONS OF HAY yearly, and is well fenced with Stone Wall and Cedar.

The Subscriber can assert without fear of contradiction that there is not within TEN LEAGUES of it, the same Quality of Land under such Improvement and Cultivation—from 800 to 1000 Bushels of POTATOES have been raised from it annually for the last five years; eight Acres are now FALL PLOUGHED, (immediately on the Road) in such a manner as to obtain the first prize at the last ploughing Match, and in a State to receive Crop of any Description so soon as the season admit of it, and there is a superior pasture of 18 1-2 *Acres* attachd to it, under good fence, and with shelter of trees in clumps left for the protection of Cattle in hot weather, also plenty of water.

To those in the neighbourhood of Saint Andrews who may wish to purchase, a further description is unnecessary but to any persons from a distance the Subscriber begs leave to refer to David Mowatt Esq or Mr. Joseph Walton for a confirmation of the above description of the Land. As the leases are renewable, or the Justices of Charlotte under obligation to pay for Improvements, the Subscriber conceives his title to the premises fully equivalent to a grant, as the very small yearly rent would not amount to so much as the Interest of the money paid for a fee simple. Further particulars as to Terms of payment &c. made known on application to
