NEW METHODIST CHURCH DEDICATED AT BROOKVILLE

Monday, Jan. 16.

Before congregations that completely filled the building, the new Methodist church at Brookville was dedicated yesterday. The building, which cost $2,300, is splendidly situated and seats 130 people comfortably. It must be gratifying for those who are interested in this church to know that they are starting out free of debt. When the first service was held yesterday morning there remained $175 to be raised to pay off its cost, but when at the evening service the collections and pledges of the day were counted up, it was found that the shortage of $175 had been wiped out by the generous giving of the people. When this good news was announced, the congregation stood up and sang the Doxology. All the services were conducted by the pastor, Rev. J. B. Champion. In the morning Rev. Dr. Flanders preached an eloquent sermon and participated with the Rev. W. W. Brewer and Mr. Champion in the dedication of the church.

The music was very fine, Mrs. R. T. Worden rendering two solos, Hear My Prayer, and Eye Hath Not Seen, from the Holy City.

At the afternoon service the Rev. W. W. Brewer gave an admirable address and a male quartette composed of Messrs. Drake, Hopkins, Thomas and Vincent gave two selections. Mrs. Worden also sang a solo. The quartette was present at the Sabbath school, which was addressed by Dr. Flanders.

Rev. Angus A. Graham officiated at the evening service, and Mrs. L. M. Curran sang The Promise of Life, from Cowan, and I Cling to Thee My Savior, from Croger.

PRESENTED WITH ADDRESS AND PURSE OF GOLD

John P. McAuley, the representative of Jones Bros., of Apohaqui, in this city, was agreeably surprised on Saturday afternoon when many of his friends in the country market summoned him before them and presented him with an address and a purse of gold. The presentation was made at noon. The bell in the market was rung and the merchants assembled in front of one of the platform scales. Ald. Potts mounted the scale and summoned Mr. McAuley before him. He then read an address, part of which follows:

"When it became known to us that you had hearkened to the cry westward and would soon leave us we, your friends and associates naturally felt sorry. But we understand the change will be all for your benefit and in that case we wish you God speed on your journey, and success and prosperity in the future. We feel, however, that we cannot allow you to depart from our midst without showing you some proof of the esteem in which we hold you and we therefore ask your acceptance of the accompanying purse as a slight token of remembrance.

You have our best wishes for a long, happy, and prosperous career in your new home, and may your efforts in the west be attended with the same success that has attended them here in the east. May you and Mrs. McAuley be long spared to enjoy the fruits of your labors.

Signed on behalf of your friends and associates,

D. J. O'NEIL,
D. J. HAMILTON,
F. A. KIERSTEAD.

Mr. McAuley, who will leave on Tuesday for his new home in Vancouver, made a very feeling reply. He thanked the market men for their kindness and wished them all kinds of prosperity. After the presentation three hearty cheers were given for him. In his address Ald. Potts referred in a humorous way to forestalling and market regulations.

SAYS COMPANY IS NOT TO BLAME

Mr. McNicoll Flatly Contradicts Statements Made at Meeting of Common Council

IN REGARD TO THE WEST SIDE TRANSFER

C. P. R., He Says, Quite Agreeable That Property Shall Be Used for Railway Purposes—Only Difference of Opinion is in Regard to Filling in Flats Within Specified Time.

The Telegraph has received a copy of the following letter from Mr. McNicoll, vice-president and general manager of the C. P. R., which has been forwarded to Mayor Frink, and which flatly contradicts statements recently made at a meeting of the common council in regard to the delay in signing an agreement for the transfer by the city to the C. P. R. of the flats at West St. John, which the railway desires to use for yard room and for the general expansion of its business at this port:

Following is the letter:—

Canadian Pacific Railway Company, Office of the Vice President.

Montreal, Jan. 13, 1911.

His Worship Mayor Frink, St. John, NB.:

Dear Sir: I have just read the enclosed items in the St. John Telegraph and St. John Globe of January 10th, wherein the statement is made that the proposed agreement between the city and this company regarding the flats at West St. John was held up because the railway company was not willing to agree to any wording that would bind them to use the property for any particular purpose and we declined to insert a clause in the agreement that the land was to be used for railway purposes.

As this is entirely at variance with the facts, I desire to say that we are now, and always have been, agreeable that the property to be transferred to us shall be used for railway purposes only and works in connection therewith. The only substantial difference between the city and the company, of which I have been advised, is that we do not agree to fill in the flats within any specified date, but only that we shall do so as the necessity for same, in connection with our business, arises, when protection for any filling that we may do, is afforded by the government. In the proposed agreement there is a clause that the government shall build accommodations as the necessities of the port require, and I see no reason why there should not be the same clause in the agreement that we will fill in the land and use it for railway purposes as our necessities require. It is not as if we were receiving all of the land available, as you must be well aware that there is a 400 foot strip outside of the property to be transferred to us reserved for harbor and railway purposes.

I propose to make this letter public so as to remove any misapprehension on the part of the public that we are in any way to blame for the continued delay.

Yours truly,

D. McNICOLL.
Vice-President.

ALBERT CO. COUNCIL

Hopewell Hill, Jan. 12—The Albert council council, which has been in session three days, finished practically the business of the session this afternoon, but were unable to adjourn on account of a pound law matter, concerning the parish of Elgin, which necessitated the holding of an evening session. A notice was read of application to the dominion parliament for incorporation for a railway company under the name of the "Albert and Moncton Railway Company," which is to be given power to construct and operate a line of railway from a point near the Albert Mines, in the parish of Hillsboro, and by way of the town of Hillsboro to Moncton, and with authority to construct a bridge across the Petitcodiac river at Moncton.

A quiet wedding took place on Saturday evening at the residence of Mrs. R. H. Clarke, Horsfield street, when Harry B. PROVISION MADE FOR PATHOLOGIST AT THE HOSPITAL

Finance Committee of the Municipal Council Have Lengthy Discussion on Estimates for Coming Year.

Saturday, Jan 14.

The finance committee of the municipal council met yesterday afternoon and for nearly three hours wrestled with the estimates for the coming year and made several important recommendations to the council which meets on Tuesday next. Delegations from the commissioners of the General Public Hospital and the Municipal Home were heard in connection with an increase in the assessment for these institutions, but it is understood that the appropriations recommended are about the same as last year.

In the hospital estimates provision was made whereby a pathologist will be appointed to devote his whole time to that work. The municipality will pay a portion of the salary and the provincial government will be asked to increase the provincial allowance for a pathologist. This is thought to be a great step in advance as the work of pathology has taken great strides and a special pathologist is now considered a necessity in any well equipped hospital. So far as could be learned no name was considered for this position.

In connection with the Municipal Home, it was decided that the municipality should assume the personal overdrafts of the members of the commission and in future no overdrafts will be permitted. It appears that it has been customary for the commissioners to personally take the responsibility of raising funds, but this practice will be discontinued and the commission will hereafter have to get their money through the county secretary. As a result of this change it is claimed that the county will save about $700 a year in interest charges.

The estimates for contingencies, schools, board of health and special grants are about the same as last year. Several local bills were ordered paid. Councillor Curran presided at the meeting.

HOW REAL ESTATE VALUES HAVE INCREASED

January is usually a quiet month in the building line in St. John, but there seems to be much activity at the present time. Many are only awaiting the advent of warm weather to commence operations. It has just come out that a man who some years ago bought a lot of land near Crouchville for $90, sold it the other day for $1,100. Not a bad profit. The open ground all around Foley's pottery is being cut up into building lots. There has been a sharp advance in prices, in one instance of 50 per cent. There seems to be quite a demand for tenements also. In one instance the frame of a two tenement house has just been erected and already both flats have been rented. Several tenements are now in course of erection and it is likely more will be put up in the spring.

Values are materially increasing as far out as Crouchville. As an instance, a three acre property with a house and barn on it there, which was on the market four years ago for $1,000, is now being held for $4,500.

OBITUARY

Dr. H. T. Sweeney.

Word has been received by Arthur J. Delaney, of the North End, of the death of Dr. Hilary T. Sweeney, in Boston, after an illness of some weeks with heart trouble. Dr. Sweeney was about 44 years of age and is survived by his wife and a little daughter; his father, Daniel Sweeney, and brother, Frank, of Boston. His wife was formerly Miss Kathleen Delaney, of Main street, and her many friends will hear with regret of her sad bereavement. Mrs. Sweeney's uncle, Edward J. Carson, and her brother, Maurice T. Delaney, of this city, have gone to Boston to attend the funeral.

Miss Gladys Ross.

Saturday, Jan 14.

The sympathy of the entire community will go out to L. R. Ross, terminal agent of the I. C. R., and to Mrs. Ross and members of their family in the bereavement caused by the death of their daughter, Gladys, which occurred about noon yesterday. Miss Ross, who was twenty years old on Saturday last, had been ill about two months. She contracted a cold which developed into hasty tuberculosis, and no hopes had been entertained for her recovery for several days. Owing to the rapidity with which the disease took hold of her system, Mr. Ross was unable to move her away to a sanitarium but he converted a portion of their home into as near an approach to it as was possible and everything was done that could be done to try to overcome the effects of the disease, but no purpose.

Miss Ross was a young lady of excellent character and was very highly esteemed by all who knew her. Besides her parents she leaves one brother, Arthur, in the C. P. R., employ and one sister, Audrey, at home.

Mrs. Thomas Simpson.

Saturday, Jan 14.

The death occurred in this city yesterday, after a lingering illness, of Mrs. Simpson, widow of Thomas Simpson, in the 79th year of her age. She had been in poor health for some time. She is survived by two sons, Leonard, employed with Josiah Fowler Co., and John, of the C. P. R. Three sisters also survive.

Miss Jane Brait.

Rexton, N. B., Jan. 13—(Special)—Miss Jane Brait passed away at her home here this morning at the age of eighty-two years. She is survived by a brother, Wm. J. Brait, of the firm of J. & W. Brait.

Franklin McLaughlin.

Saturday, Jan 14.

The death occurred at Pleasant Point yesterday of Franklin McLaughlin, aged eighty-eight years. He was born in Maine but came to St. John thirty-five or forty years ago. He has always lived with his son, Charles F. McLaughlin, at Pleasant Point. He is survived by two sons, Charles F. and George, of Pleasant Point, and two daughters, Mrs. H. Finn, of Maine, and Mrs. T. Miller, of New York.

Donald Donwell.

Donald Donwell, aged 32, passed away under very sad circumstances in the General Public Hospital early Saturday morning. While working in Vancouver about three months ago he met with an accident that resulted in serious injurice to his spine. Efforts were made to have him sent home. While passing through this city en route to the states he was held up by the immigration authorities, who owing to his condition, had him removed to the General Public Hospital. During his confinement at his own request, attempts were made to have him sent to his home and it is understood that a few days ago arrangements had been completed. He took a serious turn Friday, however, and passed away early Saturday morning. While it has not been finally settled it is understood that his remains will be buried in this city.

Mrs. Sarah Owens.

Gagetown, N. B., Jan. 11—Mrs. Sarah Owens, widow of Michael Owens, died at her home here on Sunday, Jan. 8. Deceased was in the 84th year of her age, and is survived by five sons and three daughters. Interment was made on Wednesday in the Roman Catholic cemetery near Gagetown.

James A. Cullen.

A telegram received Saturday announced the death of James Alfred Cullen, in Chicago. He passed away in a private hospital after a brief illness from pneumonia. He was thirty-nine years of age and is survived by his wife and two children. He left St. John about four years ago, and had since then been following his calling as a painter. He leaves two sisters, Mrs. Wm. McKee, of City Line, west side, and Mrs. George Fleet, of 31 Broad street; and two brothers, Fred, of St. John, and John, of Newburyport.

He was very well known here, and many will hear with regret of his death. He will be buried in Chicago.

John A. Bannister.

Monday, Jan. 16.

A great many people in this city and province will regret to read this morning of the death of John A. Bannister, son of Mr. and Mrs. John C. Bannister, of Riverglade. He was a school teacher, who stood high in his profession. Last June he graduated from the Normal school in manual training, and had accepted a position to take charge of that department in Stanstead College, Stanstead (Que.) He was to have gone there last September but about four months and a half ago he was taken ill. He came to this city and entered the General Public Hospital where he underwent an operation from the effects of which he never fully recovered. He died yesterday in the residence of his sister, Mrs. Frank E. Lodge, 17 Peter street. Besides his wife, he is survived by his father and mother, two brothers and five sisters. Joseph, of Petitcodiac, and Elvin, of Riverglade, are his brothers; his sisters are Mrs. Lodge and Miss Myrtle, of this city, and Mrs. Horatio Horseman, Mrs. W. Steeves and Miss Winnie, of Riverglade.

John C. Beatteay

Monday, Jan. 16.

John C. Beatteay, one of the most respected residents of Carleton, and special agent of the S. P. C. A. at Sand Point, died at an early hour yesterday morning, aged seventy years. He had been in poor health for some years, and his condition had been causing anxiety to his family for the last eight weeks. The immediate cause of death was heart trouble. He was a native of Carleton, but had lived some years in Cambridge (Mass.), returning from there seven years ago. He is survived by his wife, who was Miss Margaret Mayes, daughter of the late Samuel Mayes; one son, S. Murray Beatteay, manager of the branch of the Bank of New Brunswick, Fairville, and one daughter, Miss Elizabeth J. Beatteay. There are four sisters who reside in Cambridge: Mrs. Ketchum, Mrs. John Olive, Mrs. Charles Olive and Miss Josephine Beatteay. Mr. Beatteay's grandmother, Mrs. Bond, built a Seamen's Bethel, where the C. P. R. elevator now stands at Sand Point, where she used to preach to the sailors. This was really the first mission for seamen started in St. John.

Mrs. John Price.

Tuesday, Jan. 17.

A. W. Sulis received a telegram yesterday morning informing him of the death, after a brief illness, of his aunt, Mrs. John Price. Mrs. Price removed from St. John soon after the fire of 1877, and has resided in Everett (Mass.) since. Her body will be brought to St. John on Wednesday, accompanied by her son Willard. The funeral will take place from the Union station upon arrival of the noon train. Interment will be made in Fernhill.

John Briggs.

KINGS CO. LIBERAL CONVENTION FEB. 15

opponents. His only regret was that he had been unable to do as much for his constituency as he wished. Some postal changes in respect to routes, etc., had he considered been blocked without reason, by local officials whose reports had so influenced the post office department that changes and improvements he had asked for in the interests of his constituents had been held up. Such treatment was apparently the common lot of New Brunswick members and it would explain to his friends why their requests had not been granted.

Dr. McAlister was heartily applauded when he resumed his seat and all of those present addressing the meeting later urged that he should not make an irrevocable decision as his services as a representative had been satisfactory in every way. The endorsements were hearty and sincere and showed how secure Dr. McAlister was in the favor of his constituents.

Advocates Party Lines.

Following up the suggestions outlined by Dr. McAlister in his address the following resolution, moved by E. S. Carter, of Rothesay parish, and seconded by Coun. Frank Freeze, of Cardwell, was unanimously carried.

Whereas, experience has shown us, electors of Kings county, that in provincial election campaigns the issues between us and our opponents were not as clearly defined as they are between federal Liberals and Conservatives; and

Whereas, in the last provincial campaign this was strongly urged by Mr. Hazen and his associates as a reason why Liberals should give him their support; and

Whereas, relying upon his pledges of fair play to all parties many Liberals were induced to give his so-called coalition party a trial; and

Whereas, upon Mr. Hazen's return to power his administration was conducted strictly upon Conservative lines and Liberal office holders throughout the province were dismissed without reason and Conservatives appointed in their stead; and

Whereas, Mr. Hazen, the leader of his so-called coalition government, in the federal campaign months later took a most active part in opposition to the Liberal administration, an example which was followed by every one of his supporters in the house, he and they giving not only their personal work and support but also all possible assistance, as well, from the patronage and resources of the provincial government departments, to carry New Brunswick for the Conservative party;

Resolved, that the time has arrived when Liberals shall stand united as Liberals and support only those who are Liberals in provincial and federal politics; and further

Resolved, that we welcome the suggestion of our federal Liberal member, Dr. McAlister, and of our leaders, Hon. Wm. Pugsley and Hon. Clifford Robinson, and strongly urge upon the Liberals of Kings county, when assembled in convention, that they approve of the plan to conduct our provincial elections upon clearly defined issues as between Liberals and Conservatives.

It was further resolved that the parish meetings for the election of Liberal delegates should be held on or between Jan. 23 and 30, and that the convention at Hampton to select three candidates in opposition to the present local government should be held on Wednesday, Feb. 15 at 2 o'clock in the afternoon.

After arranging for some matters of minor importance the meeting adjourned.
