ST. JOHN, N.B.

Rev. Father Wilds' EXPERIENCE.

The Rev. Z. P. Wilds, well-known city missionary in New York, and brother of the late eminent Judge Wilds, of the Massachusetts Supreme Court, writes as follows:

"*78 E. 54th St., New York, May* 16, 1882.

MESSRS. J. C. AYER & CO., Gentlemen:

Last winter I was troubled with a most uncomfortable itching humor affecting more especially my limbs, which itched so intolerably at night, and burned so intensely, that I could scarcely bear any clothing over them. I was also a sufferer from a severe catarrh and catarrhal cough; my appetite was poor, and my system a good deal run down. Knowing the value of AYER'S SARSAPARILLA, by observation of many other cases, and from personal use in former years, I began taking it for the above-named disorders. My appetite improved almost from the first dose. After a short time the fever and itching were allayed, and all signs of irritation of the skin disappeared. My catarrh and cough were also cured by the same means, and my general health greatly improved, until it is now excellent. I feel a hundred per cent stronger, and I attribute these results to the use of the SARSAPARILLA, which I recommend with all confidence as the best blood medicine ever devised. I took it in small doses three times a day, and used, in all, less than two bottles. I place these facts at your service, hoping their publication may do good.

Yours respectfully, Z. P. WILDS."

The above instance is but one of the many constantly coming to our notice, which prove the perfect adaptability of AYER'S SARSAPARILLA to the cure of all diseases arising from impure or impoverished blood, and a weakened vitality.

Ayer's Sarsaparilla

cleanses, enriches, and strengthens the blood, stimulates the action of the stomach and bowels, and thereby enables the system to resist and overcome the attacks of all *Scrofulous Diseases, Eruptions of the Skin, Rheumatism, Catarrh, General Debility*, and all disorders resulting from poor or corrupted blood and a low state of the system.

UNFERMENTED WINE,

Prepared for Sacramental and Dietetic use by

F. WRIGHT, MANUFACTURING CHEMIST.

KENSINGTON HIGH STREET, LONDON, W.

"This WINE is guaranteed to be the juice of the finest grapes of the Cote d'or, Andalusia, and the Medoc. It is perfectly free from Alcohol, and is guaranteed to be Pure Grape Juice. It has stood the test of 22 years' continous sale in every climate, and is now used in upwards of 1500 Churches of all denominations. The mode of manufacture is a slight modification of a well-known ancient practice, and effectually preserves the grateful flavor and the rich nutritious qualities unimpaired. It is therefore admirably adapted in cases of debility and fever, in which the stomach is too weak to digest other food. Children suffering from febrile ailments drink it with avidity, even when all other food has been refused.

JOHN M. HODGES, ESQ., M.D., F.C.S,

Public Analyst for Antrim County and Belfast Borough.

"I have chemically examined the bottle of Wright's Unfermented Wine (taken by my son from the stock held by Mr. Wright's Belfast Agent), and find that it is free from alcohol, and contains the constitutents of grape juice. When mixed with water it will prove an agreeable beverage."

FROM REV. JOHN BURWASH,

Formerly Professor at Mount Allison Wesleyan College, Sackville N.B.

Sackville, May 23rd, 1882.

"I have just finished the analysis of the Wine sent. It is necessarily a slow process, some of the steps taking two days. This Wine contains NO ALCOHOL, nor any deleterious ingredient. * * * It can be relied on as wholesome, nor having any intoxicating properties. * * * ."

Who is Perry Davis?

About forty years ago when PERRY DAVIS, of Providence, R. I., in the United States, first introduced to the world his now universally known Pain-Killer, he was a poor man without influence, a cripple and an invalid. He studied the effect of certain drugs upon the human system, and experimented in their uses until he had compounded a medicine capable of curing his own maladies. When restored to health he offered the preparation to his fellow sufferers, until now there is not a country on earth which does not buy it. It is eminently a
