## AYER'S CATHARTIC PILLS.

Are you sick, feeble, and complaining? Are you out of order, with your system disarranged, and your feelings uncomfortable? These symptoms are often the prelude to serious illness. Some fit of sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pills, and cleanse out the disordered humors—purify the blood, and let the fluids move on unobstructed in health again. They stimulate the functions of the body into vigorous activity, purify the system from the obstructions which make disease. A cold settles somewhere in the body, and obstructs its natural functions. These, if not relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering, and disease. While in this condition, oppressed by the derangements, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep-seated and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them surely, cured by the same means. None who know the virtues of these Pills, will neglect to employ them when suffering from the disorders they cure.

Statements from leading physicians in some of the principal cities, and from other well known public persons.

*From a Forwarding Merchant of St. Louis, Feb. 4, 1858.*

DR. AYER: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her hands and feet that had proved incurable for years. Her mother has been long grievously afflicted with blotches and pimples on her skin and in her hair. After our child was cured, she also tried your Pills, and they have cured her.

ASA MORGRIDGE.

**As a Family Physic.**

*From Dr. E. W. Cartwright, New Orleans.*

Your Pills are the prince of purges. Their excellent qualities surpass any cathartic we possess. They are mild, but very certain and effectual in their action on the bowels, which makes them invaluable to us in the daily treatment of disease.

**Headache, Sick Headache, Foul Stomach.**

*From Dr. Edward Boyd, Baltimore.*

DEAR SIR, AYER: I cannot answer you *what* complaints I have cured with your Pills better than to say *all that we our friend with a purgative medicine.* I place great dependence on an effectual cathartic in my daily contest with disease, and believing as I do that your Pills afford us the best we have, I of course value them highly.

PITTSBURG, Pa., May 1, 1858.

DR. J. C. AYER, Sir: I have been repeatedly cured of the worst *headache* any body can have by a dose or two of your Pills. It seems to arise from a foul stomach, which they cleanse at once.

Yours with great respect, ED. W. PREBLE,
*Clerk of Steamer Clarion.*

**Bilious Disorders—Liver Complaints.**

*From Dr. Theodore Bell, of New York City.*

Not only are your Pills admirably adapted to their purpose as an aperient, but I find their beneficial effects upon the Liver very marked indeed. They have in my practice proved more effectual for the cure of *bilious complaints* than any one remedy I can mention. I sincerely rejoice that we have at length a purgative which is worthy the confidence of the profession and the people.

DEPARTMENT OF THE INTERIOR,
Washington, D. C., 7th Feb., 1858.

SIR: I have used your Pills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of *bilious disease* so obstinate that it did not readily yield to them. Fraternally yours, ALONZO BALL, M. D.,
*Physician of the Marine Hospital.*

**Dysentery, Diarrhea, Relax, Worms.**

*From Dr. J. S. Green, of Chicago.*

Your Pills have had a long trial in my practice, and I hold them in esteem as one of the best aperients I have ever found. Their alterative effect upon the liver makes them an excellent remedy, when given in small doses for *bilious dysentery and diarrhea.* Their sugar-coating makes them very acceptable and convenient for the use of women and children.

**Dyspepsia, Impurity of the Blood.**

*From Rev. J. V. Himes, Pastor of Advent Church, Boston.*

DR. AYER: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood, they are the very best remedy I have ever known, and I can confidently recommend them to my friends. Yours, J. V. HIMES.

WARSAW, Wyoming Co., N. Y., Oct. 24, 1855.

DEAR SIR: I am using your Cathartic Pills in my practice, and find them an excellent purgative to cleanse the system and *purify the fountains of the blood.*

JOHN G. MEACHAM, M. D.

**Constipation, Costiveness, Suppression Rheumatism, Gout, Neuralgia, Dropsy, Paralysis, Fits, etc.**

*From Dr. J. P. Vaughn, Montreal, Canada.*

Too much cannot be said of your Pills for the cure of *costiveness.* If others of our fraternity have found them as efficacious as I have, they should join me in proclaiming it for the benefit of the multitudes who suffer from that complaint, which, although bad enough in itself, is the progenitor of others that are worse. I believe *costiveness* to originate in the liver, but your Pills affect that organ and cure the disease.

*From Mrs. E. Stuart, Physician and Midwife, Boston.*

I find one or two large doses of your Pills, taken at the proper time, are excellent promotives of the *natural secretion* when wholly or partially suppressed, and also very effectual to *cleanse* the stomach and *expel worms.* They are so much the best physic we have that I recommend no other to my patients.

*From the Rev. Dr. Hewlett, of the Methodist Episc. Church.*

PULASKI HOUSE, Savannah, Ga., Jan. 6, 1856.

HONORED SIR: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on excruciating *neuralgic pains,* which ended in *chronic rheumatism.* Notwithstanding I had the best of physicians, the disease grew worse and worse, until by the advice of your excellent agent in Baltimore, Dr. Mackenzie, I tried your Pills. Their effects were slow, but sure. By persevering in the use of them, I am now entirely well.

SENATE CHAMBER, Baton Rouge, La., 8 Dec. 1855.

DR. AYER: I have been entirely cured, by your Pills, of *Rheumatic Gout*—a painful disease that had afflicted me for years. VINCENT BLIDELL.

☞ Most of the Pills in market contain Mercury, which, although a valuable remedy in skilful hands, is dangerous in a public pill, from the dreadful consequences that frequently follow its incautious use. These contain no mercury or mineral substance whatever.

**Price, 25 cents per Box, or 5 Boxes for $1.**

## A PRINTING OFFICE FOR $10!

The Press for the People!

Every Man his own Printer!

**LOWE'S PATENT PORTABLE PRINTING PRESS.**

*A Literary Blessing*

Patented by the Lowe Press Company, Boston.

This unrivalled invention was patented in 1859 by Mr. Lowe, since which time many valuable improvements have been effected upon it, so many or expensive having been spared to make the Press what it is now universally reported to be—without a rival for CHEAPNESS, SIMPLICITY, DURABILITY, AND EFFICIENCY!

A distinguishing feature of this Press—and one possessed by no other—is that type may be placed upon any part of the bed, and receive a perfect impression. It is well adapted to all kinds of Printing, and has no superior as a Letter-Copying Press. It does not easily get out of order, and a boy of ten years can work the largest size with ease, and at a rate of 300 impressions an hour, which is about the average rate.

Persons living in country places where there are no printing offices can well find one of these presses a profitable investment, as there is a large profit on the printing of *Circulars, Business and Visiting Cards, Bill Heads, Handbills, &c, &c.*

To the youth to learn a good trade, and at the same time be laying up money—those who wish to complete their education (for who no intelligent on the printer?)—merchants who wish to advertise their business and at the same time keep their shop busy—gentlemen who find time hang heavy upon their hands—printers who a foot, shop, and reliable job press—in fact, all who want to improve their condition, will find it invaluable.

Printed directions, giving all the particulars as to working the press, with information in regard to printing generally, setting type, &c., will accompany every Press; and a Circular, in pamphlet form, containing other information in regard to the press, will be sent on application to any address without charge.

All those who have our presses with the old-fashioned wooden roller can have them exchanged for those with metal ones, with the other improvements.

Our presses may be exchanged at any time during twelve months, and other articles sold by us, if not satisfactory, may be returned within thirty days.

All kinds of printing material furnished to order at manufacturer's prices. Electrotyping, Stereotyping, and Wood Engraving executed lower than at any other place in the country.
