WESTERN ONTARIO

Norwich now gets two mails a day via B. and T. R. R.

Wyoming Council are in favor of lighting that burg with electricity.

Mr. A. E. Snelgrove, Simcoe, has received word that his claim for a pension will be allowed. He served in the American civil war.

J. T. Arnew, the Tilbury North boy who was reported to have been frozen to death in the Klondike, is hale and hearty in Dawson City.

The Florence Oil Prospecting Company are drilling a well about two and a half miles west of Thamesville, on Phil. Benjamin's farm.

The many friends of Mr. John Yocom, who removed from Ridgetown about a year ago, will regret to learn of his death, which took place at Dunnville Sunday.

The cotton operatives of Brantford held a meeting on Thursday night, at which it was resolved that the city should take immediate action to retain the mills in the city.

Burglars entered the dwelling house of Fred Beck, of Doon, early Tuesday night, and carried away jewelry and a collection of curios valued at a considerable sum. Among the articles taken were six watches and a few chains.

Last Sunday the pulpit of the First Methodist Church at St. Thomas was filled by Rev. S. Salton, of Centralia, who preached two interesting and helpful sermons to large congregations. The pastor of the church was preaching in one of the Toronto churches.

Edwin Crawford, who has been employed in the Sarnia Observer composing room for nearly three years, severed his connection with it Saturday night, and will leave on Wednesday for Owen Sound, where he will take a situation on the C. P. R. steamer Athabasca.

Mr. H. B. Leeming, for more than a quarter of a century collector of customs at Brantford, was stricken down on Saturday with a severe attack of paralysis, and his condition gave his friends a good deal of anxiety. He was, however, able to go back and forward to his work until a day or two ago.

Dr. P. H. Bryce, provincial health officer, visited Leamington last week for the purpose of reporting on the proper sewerage system of that town. He says that the situation of Leamington is such that proper drainage can be easily obtained, and that apart from its want of sewers, it is a model town.

Mrs. James Forbes, widow of the late Capt. Forbes, proprietor of the old ferry boat Argo, died Monday morning at the residence of her son-in-law, P. C. Ponting. She was 63 years of age, and had lived in Windsor for 40 years. She leaves two sons, James and John, and two daughters, Mrs. Peden, of Detroit, and Mrs. Ponting, of Windsor.

At the annual meeting of the board of trade, in Stratford, there was a very small attendance, and an adjournment was urged, but President Preston wanted to be relieved of his office, and therefore wished the election of officers. This was finally done, the old ones being re-elected. Mr. Preston is president and Mr. D. Ferguson secretary. It was feared that the organization would go to the wall altogether, as there seems to be a lack of harmony between the city council and the board. A suggestion was made to appoint the aldermen honorary members of the board with a view to promoting the desired harmony.

Master Frank Dunbar, son of Mr. Dunbar, of Ingersoll, met with a very painful accident Friday. He and another boy were playing with a ball by the side of the road. His companion threw the ball to Frank, and he was backing up to catch it, when a horse coming along the street knocked him down. Dunbar has an ugly wound in his head, which was caused, it is thought, by the horse stepping on it.

Israel Beausejour, a lad of about 19 years of age, and a son of the late John Beausejour, was arrested Sunday for breaking into the general store of R. & Y. Ainslie, at Comber. The lad has been accused of stealing on several occasions, but nothing was done, as the parties refused to prosecute. Sunday he gained entrance to the store by prying open the rear door. He was caught in the store by Mr. W. Ainslie, who happened to drop in, and he was handed over to Constable Laporte.

John Twohey, who, some time ago, was convicted by Police Magistrate Houston, at Chatham, of having received $50 from the city treasurer when he should only have received $5, encountered Mr. Houston in the municipal building Monday afternoon. He pulled a revolver, and thrusting it toward the magistrate, threatened to kill him. Mr. Houston clinched with Twohey, and in an instant had his man on the floor. Help was soon at hand; Twohey was arrested and locked up on the charge of attempted shooting.

Do You Love Life?

Then Guard the Citadel of Your Health Against Its Lurking Enemy!

Watch the weakest spot, for there disease will make its attacks and seek an entrance. In plainer words, my friends, keep your health up to the normal standard and disease will have no power over you. If you have a cough and take cold easily, remember that cough racks your lungs every time, and irritates the thin, delicate membrane which lubricates your windpipe and bronchial tubes or air-passages, causing them to secrete too abundantly and morbidly, thus keeping up the cough—nature's way of getting rid of offending matter. Shiloh's Cure contains, put up for ready use, the same healing, soothing and invigorating extracts as those prescribed by our leading physicians. By taking Shiloh's you save yourself the expense entailed by calling in a doctor. Try this grand old medicine and see if this is not the truth. If two-thirds of a bottle, taken regularly, fail to relieve, you can get your money back from the druggist. United States and Canada, 25c., 50c. and $1 a bottle; and in England, 1s. 2d., 2s. 3d. and 4s. 6d.

S. C. Wells & Co., Le Roy, N. Y. GENTLEMEN:—I had the worst cough and cold I ever had when I sent for Shiloh's Cough and Consumption Cure. One bottle relieved me, and I am never without it in my house. ADOLPH CITZ, Blumfield, Mich.

It is economy to profit by the experience of others. Thousands have been cured by Hood's Sarsaparilla, why not you?

Coughs and colds need not be endured; they can be cured, and that quickly.

Many mixtures are temporary in effect, but Scott's Emulsion of Cod-liver Oil with Hypophosphites is a permanent remedy.

The oil feeds the blood and warms the body; the hypophosphites tone up the nerves; the glycerine soothes the inflamed throat and lungs.

The combination cures. This may prevent serious lung troubles.

NEARLY ALL MEN

experience a sexual weakness sooner or later in life. That kind of weakness comes both from abuses and from overwork. It is an affliction that may well be dreaded. It destroys ambition, and life becomes a burden. These weak men can be cured—no question about that. The flight of years can not be stopped, but healthful, natural feelings and powers can be restored. If those powers have been lost, our treatment and appliances will restore them beyond a doubt.

OUR FREE OFFER

In order to show our implicit faith in our treatment, we will send our medicines and appliances for a free trial of ten days to all men whose sexual vigor is gone and whose organs are small. Not a dollar is to be paid for the trial. If it is satisfactory, then we are to be paid. If unsatisfactory, send the outfit back to us.

We will send our free book, "Complete Manhood" on request. Cut out this notice or mention this paper.
