A hamper, daintily trimmed in pink and white and laden with gifts, was brought in by Misses Evelyn Smith and Margaret Harper and placed by the side of the honoree. Each gift was unwrapped and displayed to the company. A clever and original verse accompanied each token which was read affording much amusement for the pleasant occasion. After this appropriate readings were given by Misses Kathryn Fawcett and Doris Ayer. There were about forty guests present. Ices and cake were served before the happy gathering dispersed.

Wrinkles Disappear As if by Magic

(From Denver Republican.)

"In the removal of wrinkles I have discarded cosmetics entirely," writes Mme. Corsan, the celebrated Parisian beauty expert. "The results they produce are deceptive and never permanent. Massaging is only partially successful and it's too slow a method.

"I've never seen anything work such wonders as a simple, harmless solution any woman can prepare and use at home without the least trouble. A half pint of witch hazel and an ounce of good powdered saxolite are all you'll need. Mix the two and apply this refreshing solution to your face daily. The effect is marvelous—instantaneous. The skin becomes firmer, 'tighter'—every wrinkle and sag is affected. You feel so refreshed after using the wash; you look refreshed, too; soon you will look ten years younger."
