London's First Championship Winners

This is the team that put London on the O. H. A. map by winning the intermediate O. H. A. championship in 1900. They set the example that will be followed by the present London intermediates.

The London intermediates of 1900 were a star aggregation. Until this year London has never boasted of so fast a team. The games played by the London team in 1900 were as follows:

Beat Stratford 3 to 2 and 4 to 2; beat Seaforth 12 to 1 and 8 to 5; beat Sarnia 5 to 3 and 10 to 5; beat St. Georges 5 to 4 and 3 to 1. Beat Belleville in the finals at Toronto by 3 to 1. The team played exhibition games with other champions, and cleaned up on all of them. They defeated the Wellingtons, champions of the senior O. H. A. series, 9 to 2, in Toronto, and then challenged the Shamrocks, of Montreal, for the championship of the world. The Shamrocks refused to play. Other victories were Aberdeens 6 to 5 and 5 to 3; Galt, 11 to 6; Waterloo, 9 to 2.

Those in the group are: Top row, reading from left to right—G. A. Macbeth, vice-president; Harry Peel, J. A. Gilmour, G. E. "Buck" Ewing.

Middle Row—F. A. Reid, F. ("China") Hobbs, W. S. Smith, president; Jack Brown, captain.

Bottom Row—Charley Johns (now with St. Thomas), and C. E. Westcott.

IF BERLIN CAN'T BEAT LONDON WHO SAID COLLINGWOOD?

On to Collingwood.

* * *

The Dutch companee is the second best companee, Adolph.

* * *

The crowd heard the ice of London's hopes crack several times. But it's a poor match without some paralyzing uncertainty.

* * *

The long-necked guy may get the laugh in every-day life. But when he gets his ostrich in the second row at a hockey game, he can let his head slip out as though it were attached to a telescope.

* * *

Seems to us that McAvoy and Walden were the Bluchers of this particular Waterloo.

* * *

Herr Glaubitz was among those present. It was rumored he wired his condolences to Kaiser Wettlaufer.

* * *

We can't help slipping over one about "the glory of defeat" stuff for a game lot of boys like those Deutchers.

* * *

Someone snooted Davy Reid early in the game, and he was the blood-stained kid all through the evening.

* * *

Ever notice those chaps who would blow up in a game "just like that" are always the ones who direct the game from the pigeon-lofts.

* * *

Yes, Tilford, it's true that "Babe" Borland and Grannary are to be known as the Gibraltar twins hereafter.

* * *

And Wardrope in goal makes Stonewall Jackson look a rubber-spined contortionist.

* * *

A man yells until his larynx begins to get sore on him. But a woman can shriek like blue murder all night and retain her softly modulated soprano tones.

* * *

Young Davy Reid is so near the ice that he can use his stick as though it were a paw.

* * *

Down in Mexico, Laurie Gillies would be showing the sharp-shooters how to draw a real bead.

* * *

The German peril was there for only a moment. (Mr. Borden, please notice).

* * *

Tony Tillmann has in his possession the stick that shot the puck that won the game that gave London the intermediate championship back in the great old hockey days. They might be good things to lash to London's helmet.

* * *

It's a nice thing to come away from the game feeling that only for your directions and good advice shouted at the team (your voice always being heard above the sounds of several hundred others), the boys would have gone down to ignominous defeat.

* * *

Colling-would but can it?

* * *

Hon. Charles S. Hyman saw the game from the press box. There's a man who dearly loves a clean exhibition of sport.

* * *

Bill Borland got a hard shot in the groin early in the play. He's as game as the Battling Dane, and as hard a fighter.

* * *

The man who has gone through half a dozen gruelling games of hockey is the keenest observer in the house.

* * *

The end of the rink should get out of the way when it sees Grannary coming.

* * *

The Berlin money was at home smoking a long Dutch pipe and eating "sour braten" or "weiner sneetzel."

* * *

The chewing tobacco brigade was busy, and quickly worked some wonderful sepia effects on the virgin crystal.

* * *

A little red-haired girl screamed: "Oh, Davy, your mother won't know you!" as Davy skated past looking as though he'd been fussing with the raspberry jam jar.

* * *

Do you always maintain your judicial calm at that kind of a hockey match? Neither do we.

* * *

Mr. Ken Murray has returned after spending the week-end in 'Frisco. He was on the penalty box last night. It's believed he brought home a box of grape-fruit especially consigned to Collingwood.

* * *

Incidentally it is whispered that he slipped over into Mexico to get the army shoe contract, and discovered that the "spigs" didn't wear 'em.

* * *

London set out to play a dogged, watchful game, but it didn't go. Those youngsters have to be keyed up to concert pitch and then you can't chain 'em.

* * *

Yes, we've gone this far before, but now it's on to Majuba Hill.

* * *

The town's behind you till you're black in the face you Seven Sizzling Skyrockets.

* * *

Oh, yes, baseball's a pretty fair game. But give hockey the same advertising and baseball would take a second place.

A Fireman's Peril

How Zam-Buk Delivered Him

At 215 Fraser avenue, Edmonton, Alta., lives W. P. Mahy, a former member of the local fire brigade, who has wonderful cause to be thankful for the curative powers of Zam-Buk. He says: "A serious skin disease broke out on my face, and spread until I was in a terrible state. The spots and little ulcers were frightfully irritating, and yet when scratched or rubbed they bled and smarted. Shaving caused me agony, and sometimes I would have to go two weeks without a shave. I tried home-made remedies, herb salves, and various other preparations, but the sores got no better. When Zam-Buk was mentioned I had little faith that it would be able to do me any good. My case seemed such an obstinate one. I gave it a fair trial, however, and the first box made such a wonderful change for the better that it gave me encouragement to continue. I did so, and to cut a long story short, Zam-Buk, in the end, quite cured me. My face is now clear of all traces of the terrible disease, which troubled me for so long."

Thousands of sufferers from eczema, blood poison, ulcers, chronic sores, piles, ringworm, cold sores, cuts, burns and skin injuries, have been relieved and cured, as was Mr. Mahy, by Zam-Buk. As a balm for all skin injuries and diseases it is without equal. All druggists and stores at 50c box, or post free from Zam-Buk Company, Toronto, for price. Refuse harmful substitutes.

THREE LONDON BOYS PLAYED FOR SARNIA

Watts, Bryce and Arthurs Help Tunnel Town Seven Beat Seaforth's Junior Team.

Sarnia, March 5.—The Sarnia intermediate O. H. A. team tonight defeated the Seaforth intermediates by a score of 7 to 4. Three new men were on the Sarnia lineup, two being from London and one from Woodstock. The London players were Watts and Arthurs, and the other Bryce. The additions to the local team are speedy players, and will very likely be secured for next season. The teams:

Sarnia—Watts, goal; Dodds, point; Wilson, cover; Finch, centre; Thorner, rover; Arthurs, left wing; Bryce, right wing.

Seaforth—Case, goal; McGeoch, point; Reid, cover; Tom Dick, centre; Jones, rover; O. Dick, left wing; Munn, right wing.

CURTAIN RUNG DOWN ON N. H. A. HOCKEY

Quebec Sets New Record by Winning Eleven Straight Games.

N. H. A. RECORD.

Clubs—	Won.	Lost.	For.	Agst.
Quebec	16	4	112	75
Wanderers	10	10	93	90
Torontos	9	11	86	79
Canadiens	9	11	83	81
Ottawa	9	11	87	91
Tecumsehs	7	13	59	99

Toronto, March 6.—How the once mighty have fallen! At the final N. H. A. game between Tecumsehs and Wanderers at the Arena last night, a crowd of about three hundred fans witnessed the exhibition, which resulted in an easy victory for Sammy Lichtenhein's boys by 16 to 3

Tecumsehs had a good portion of the play, but were poor scorers, while, on the other hand, the visitors were deadly shots, and this, coupled with Nicholson's poor work in goal, soon enabled the Wanderers to pile up a lead. Towards the finish the game became a burlesque, with the players indulging in a lot of good-natured joshing.

TORONTOS BEAT CANADIENS.

Montreal, March 5.—The curtain was rung down tonight on professional hockey at the Arena, when the Torontos defeated the Canadiens by a score of 6 to 2, outplaying them at every angle. The visitors assumed the lead in the early stages, and were never headed by their opponents, who had no excuses to offer.

QUEBEC SETS RECORD.

Quebec, March 5.—Tonight the Quebec hockey team clinched the record for the number of successive hockey games when it registered its eleventh victory. Its latest victim was the Ottawa team, which went down to defeat, the score standing, Quebec 8, Ottawa 6. The match was a fair display of hockey, though Quebec, as usual, when it gets a lead at the start, played careless for a time. Ottawa put up a good fight, and never let up for a minute.

WINNIPEG ALL-STARS WIN FROM PRESTON

Captured the First Game of Tour at Hamilton Last Night.

Hamilton, March 5.—The Winnipeg All-Stars played the first game of their exhibition trip here tonight, and easily defeated Preston by a score of 9 to 3. They are the best hockey team seen in this city in many a day, and, although Preston presented their strongest line-up, the westerners showed that they are a fast team. Caldwell was the star of the game, scoring 5 of the 9 goals for the All-Stars. The line-up:

All-Stars—Goal, Stewart; cover, Irvine; point, Irwin; rover, Maxwell; centre, Caldwell; right, Baker; left, Bawlf.

Preston—Goal, Shortt; point, Palmer; cover, Bowman; rover, Walker; centre, Etherington; left, Mulroy; right, Rahn.

Referee—Kinder, Preston

The steamship Oceanic on which the challenge is supposed to have left England, docked here last night.

CITY LEAGUE OFFERS BIG BILL TONIGHT

Hymans and the A. M. C. Will Meet to Decide League Championship.

The City League has a splendid bill to offer the fans at the Simcoe street rink this evening. It is the league's benefit night, and one of the largest crowds of the season will be present.

The feature game of the evening will be the struggle between the Hyman and A. M. C. teams. The Hyman team, by winning, will tie the A. M. C. for the championship of the league, and will necessitate a play-off. The tanners are fully confident of beating the fast medical corps aggregation, and they will play their best game tonight.

On the other hand, the A. M. C. players are fully confident that they will decide the league championship for keeps, and they will play their gest game

The other games will be decidedly interesting also. In the first game the Meds and Seventh Regiment teams will meet, and this will be a hummer. Both teams have been going good lately, and the Seventh are fully confident that they can break into the win column.

The last game of the evening will be played between the Hussars and Orients. When these two teams met before the Hussars just nosed out a win in the last few minutes by the score of 6 to 5, and it was some game. Tonight the Orients believe they can trim the soldiers, and will have their strongest team out. The Hussars will also have a strong line-up, so the game will be a good one.

Sid Rankin will officiate.

PERRINS WILL PLAY ST. THOMAS TUESDAY

Railway City Club Offers to Come to London at Their Own Expense.

Manager Graham, of the Perrin team, received a communication from Manager Johns, of the St. Thomas Intermediates, this morning, stating that that team would come to London at their own expense some night next week to play a benefit game for Alex. Murray, who had his wrist broken in the game at St. Thomas last Friday night. Although Murray does not exactly need a benefit the Perrin people have decided to accept the offer, and the game will be played at the Westminster rink on Tuesday night next.

Sid Rankin, the local O. H. A. official, has offered his services gratis, and he will referee.

The offer of the St. Thomas people was a generous one, and the Railway City aggregation have proved themselves true sportsmen in making it.

RAY BRONSON BEAT LEO KELLY EASILY

Knocked Out St. Louis Man in Second Round.

[Canadian Press.]

St. Louis, Mo., March 6.—Ray Bronson, of Indianapolis, welterweight championship claimant, last night knocked out Leo Kelly, of St. Louis, in the second round of their scheduled eight-round fight. The first round was hard fought, and Kelly knocked down the Indianapolis fighter once. Bronson started the second round with a rush, and his third punch brought down the local fighter for the count of ten. This was Kelly's first fight as a welterweight.

BROKE TRAP SHOOTING MARK.

New York, March 6.—Ralph L. Spotts, of the New York Athletic Club, broke all indoor trap shooting records in winning the amateur indoor championship of the United States here last night, scoring 100 straight in the final round. Including the semi-final and final sessions, Spotts, who was a member of the winning Olympic team, made a run of 121 without a miss.

A Bad Heart Its Cause and Cure

Many, Firmly Convinced They Are Dying of Heart Trouble, Have Often the Strongest Hearts.

Sometimes you wake up at night, heart throbbing like a steam engine. Your breathing is short and irregular; pains shoot through the chest and abdomen, and cause horrible anxiety.

Your trouble isn't with the heart at all. These sensations are the outcome of indigestion, which has caused gas to form on the stomach and press against the heart.

Just read what happened to Isaac Malloux, of Belle River, Ont.:

"Three months ago I was a weak, sickly man. My appetite was poor, food fermented in my stomach, I had sour risings and indigestion. At night I would often weaken with gas in the stomach and heart palpitation.

"I consulted my doctor and used remedies that my friends advised. Nothing helped.

"One day I received a sample of Dr. Hamilton's Pills, and my cure commenced. Today I have a vigorous appetite, strong heart action, and no sign of indigestion. I feel younger and healthier than ever before."

Your druggist or storekeeper sells Dr. Hamilton's Pills, 25c per box or five boxes for $1.00. By mail from The Catarrhozone Co., Buffalo, N. Y., and Kingston, Canada.

Settlers' Special Trains to the Northwest.

Every Tuesday during the months of March and April, the Canadian Pacific Railway will run special settlers' trains from West Toronto to Northwest points. The object of these trains is to enable settlers who are taking live stock and effects to travel along on the same train as their stock, and still have comfortable passenger accommodation. Colonist sleepers will be attached to all trains, berths in which will be free. This should prove to be very convenient for farmers or others taking live stock, as it will enable them to give the stock every attention required on the journey, and still have good accommodation for themselves. Application for cars should be made early so that arrangements can be completed in time to enable stock to get to Toronto and be attached to the special train. Full information is obtainable from Mr. W. Fulton, city passenger agent, corner Dundas and Richmond streets, London. 58c

Get To-morrow's Use From To-day's Tires

Features that apply not only the day you buy the tires—but six months after—are the only features you ought to pay for.

With ordinary non-skids the tread is bound to wear smooth sooner or later—usually sooner—because there is no size to the non-skidding surface.

It is different with Dunlop Traction Tread. When you buy this tire you get the biggest anti-skidding surface in the world. The wear on Dunlop Traction Tread corrugations is but the slightest, and it's no greater in the centre of the tread than on the sides.

Thus with Dunlop Traction Tread you get the benefit of the traction grip all the way down with the wear.

Therefore, you are still getting what you can get from no other tire—what you paid for in the first place. It isn't sufficient that you look ahead when driving your car. Look ahead when buying your anti-skid tires.

Note:—The "buttons" found on ordinary non-skid tires are herewith represented by the figures 1, 2, 3. T42

SHILOH CURES COUGHS & COLDS

Makes Rheumatism Promptly Disappear

Chronic, Crippled-Up Sufferers Find Relief After Few Doses of New Remedy Are Taken.

It is needless to suffer any longer with rheumatism, and be all crippled up, and bent out of shape with its heart-wrenching pains, when you can surely avoid it.

Rheumatism comes from weak, inactive kidneys, that fail to filter from the blood, the poisonous waste matter and uric acid; and it is useless to rub on liniments or take ordinary remedies to relieve the pain. This only prolonga the misery and can't possibly cure you.

The only way to cure rheumatism is to remove the cause. The new discovery, Croxone, does this because it neutralizes and dissolves the poisonous substances and uric acid that lodge in the joints and muscles, to scratch and irritate and cause rheumatism, and cleans out and strengthens the stopped-up, inactive kidneys, so they can filter the poison from the blood, and drive it on and out of the system.

Croxone is the most wonderful medicine ever made for curing chronic rheumatism, kidney troubles, and bladder disorders. You will find it different from all other remedies. There is nothing else on earth like it. It matters not how old you are, or how long you have suffered, it is practically impossible to take it into the human system without results. You will find relief from the first few doses, and you will be surprised how quickly all your misery and suffering will end.

An original package of Croxone costs but a trifle at any first-class drug store. All druggists are authorized to sell it on a positive money-back guarantee. Three doses a day for a few days if often all that is ever needed to cure the worst backache or overcome urinary disorders.

TO GROW HAIR ON A BALD HEAD

[BY A SPECIALIST.]

Thousands of people suffer from baldness and falling hair who, having tried nearly every advertised hair tonic and hair-grower without results, have resigned themselves to baldness and its attendant discomfort. Yet their case is not hopeless; the following simple home prescription has made hair grow after years of baldness, and is also unequalled for restoring gray hair to its original color, stopping hair from falling out, and destroying the dandruff germ. It will not make the hair greasy, and can be put up by any druggist: Bay Rum, 6 ounces; Lavona de Composee, 2 ounces; Menthol Crystals, one-half drachm. If you wish it perfumed, add half to one teaspoonful of To-Kalon Perfume, which unites perfectly with the other ingredients. This preparation is highly recommended by physicians and specialists, and is absolutely harmless. a it contains none of the poisonous wood alcohol so frequently found in hair tonics. Do not apply to the face or where hair is not desired. b
