Says Australia Deserves Same Vote as U. S.

Lloyd George Defends Voting Arrangements of League of Nations.

LONDON, Dec. 28.—Premier Lloyd George, speaking at Llanstymdwy, Wales, today defended the voting arrangements of the league of nations. He said that Australia lost as many men as the United States in the war and had as much right to vote as the United States. This vote, however, he added, would not be used on any question arising between Great Britain and the United States.

"President Wilson recognized the justice and fairness of the claim put forward in behalf of the British Empire," said the premier. He recounted the fight in the United States on the treaty, which he termed "the folly of America entering upon party warfare when trying to settle the difficulties and troubles ensuing from the great war."

BOARD WILL PROBE PACKERS' MERGERS

Will Be Deemed Against Public Interest Unless Full Disclosure Made.

TORONTO, Dec. 27.—The board of commerce in a statement dealing with combines indicates that it may, if it sees fit, hold inquiries into recent mergers of Canadian packing companies with American firms, such as were recently carried out by the Matthews-Blackwell Company and the Wm. Davies Company of this city. The board will early in January make a regulation to the effect that unless full disclosure is made to the board before any such mergers are consummated, so that the interest of the public may be protected, the board will deem such mergers or transfers against the public interest. If necessary the board may hold a public inquiry into the facts.

The same regulation will apply to any price-fixing arrangements. As to past transactions, but occurring since July 7, 1919, the date when the legislation establishing the board was passed, there will be a provision whereby the necessary information must be furnished to the board before March 1, 1920.

GOVERNMENT STEAMER TO RELIEVE ISLANDERS

Canadian Sealer Will Carry Winter's Food Supply to Magdalene Group.

HALIFAX, N.S., Dec. 27.—Magdalene Island merchants now in this city have been endeavoring to secure a steamer to carry the winter's supplies of food and fishermen's gear to the islands before the ice sets in and makes connection with the Magdalenes impossible. The Board of Trade received a telegram this morning from the deputy minister of trade and commerce stating that he had given instructions for the Canadian Government steamer Canadian Sealer, now at Pictou, to load all freight at Pictou and Souris, awaiting shipment to the Magdalene Islands, also that he expected the car ferry would proceed to Pictou harbor immediately to break ice so as to release the Sealer. It is expected that the steamer will leave Pictou for the Magdalenes the first of next week.
