Re-inforcements

When companies and battalions were depleted during the war reserves were quickly rushed in.

So the season's selling has broken up our selections of ready overcoats at $25, $30 and $35. Instead of buying others we have reduced a number of higher priced ones.

The assortments at these prices are refilled with overcoats that sold at $5 to $10 more.

Mostly Young Men's styles, as the larger proportion of our trade is with young men, but there are plenty of Meltons and other cloths in regular models.

Tailoring of a high order; good fabrics; latest styles; perfect fit; and a saving of five to ten dollars.
