How to Fatten a Thin Pay Envelope

SOME pay envelopes are thin, sad looking affairs. You can see right through the ribs on both sides. A **sick envelope** should be taken to a **business doctor, just** as a **sick man** should be taken to a **medical doctor.**

If your pay envelope is **thin** and **emaciated, read this.**

You have probably tried to **fatten** that **pay envelope** on the **wrong diet** and in the **wrong surroundings. A pay envelope** like every other **growing thing** will always **thrive** and **grow fat** when it is **fed** on the **proper diet** and **kept** in the **proper surroundings.**

Now the proper **course of treatment** for an **undeveloped pay envelope** is not only to **feed** it on **ambition** and **energy,** but to **mix** these with **intelligence** and put it in the **proper atmosphere.**

Most pay envelopes get into a **rut.** Most **employers get** into the habit of **paying so much.** Most **employes** get into the habit of **receiving so much.** And, therefore, **most pay envelopes** are **starved** and **hungry,** regardless of what the **owners** do to make them **healthy.**

The Help Wanted Ads in **this** paper are **designed exclusively** for the **fattening** of **sickly pay envelopes.** These Ads help you to get out of the **rut.** They suggest **new openings** in **business,** new **opportunities,** they open up **new jobs** in **new surroundings,** where every ounce of your **ambition** and **energy** can be **utilized.**

Every employe knows within six months whether his **energy** is **paying him,** and whether he is in line for **advancement.** If at the end of that time he is not making **progress,** it is to the **interest** of both **himself** and his **employer** for him to get out.

This **doesn't** mean that he is a **failure,** or that **he has a bad employer.** It simply means that they haven't worked well in **double harness.**

Now give **your pay envelope** the proper diet. Mix your **energy** with **intelligence.** Read these Help Wanted Ads **and answer** them, and before you know it **your pay envelope** will be **bulging** out like a **small boy's stomach** on **Thanksgiving Day.**

And when you answer these Ads mention this paper please.
