FROM ALL OVER THE MARITIME PROVINCES

Saturday, July 20.

Lawn tennis is the popular amusement at present, both in the city and in the suburbs. To be sure it does not take much in the way of entertainment to get together the majority of the summer cottagers at the pleasure resorts, but the tennis games are of real interest and are in themselves sufficient reason for the gathering of a large number of spectators. At Rothesay on the Saturdays when tea is served in the cosy little club house, there is usually a delightful reunion of friends separated since the close of the winter season in town, who take this opportunity of discussing current social events as well as to form plans for future enjoyment and incidentally, to match the games. As several of the players are members of both town and country clubs, the interest among their friends, is equally divided. Last Saturday a game of mixed doubles was played on the Rothesay courts, in competition for the Turnbull cup, which resulted in Mrs. Harold C. Schofield, of St. John, and Mr. Campbell Mackay, of Rothesay, becoming the victors. The tea was in charge of Mrs. David Robertson and Mrs. Beverly Armstrong. A number of players and their friends were present and as the afternoon was bright and warm the occasion was most pleasant. Captain and Mrs. Geoghegan were among the visitors from the city.

At the St. John Tennis Courts on Wednesday, the tea hostesses were, Miss Jack, Miss Doris Sayre and Miss Marjorie Barnaby. Barnes, Mr. Maurice Fisher. In contrast to the city where there is little or nothing going on of social entertainment the pleasure resorts had a week of great activity. Especially was this the case at Rothesay, where two important dancing parties were given this week besides several luncheons and dinners, all more or less formal, according to the occasion for which they were given. Miss Dorothy Purdy's dance, which took place at the boat house on Tuesday evening and which was chaperoned by Mrs. Stephen Hall was an enjoyable event. Decorating the walls of the large room where the dancing took place, were quantities of bunting and green spruce boughs which made a particularly effective back ground for the dainty summer frocks of the ladies. Good music was provided and a delicious supper was served during the evening. Among the guests were Mrs. Harold C. Schofield, Mrs. Royden Thomson, Mr. and Mrs. Percy Thomson, Mr. and Mrs. William Vassie, Mr. and Mrs. Walter Harrison, Mr. and Mrs. Alexander Fowler, Mr. and Mrs. F. C. Indoors quantities of peonies of all shades and delicate Canterbury bells ornamented the spacious rooms, outside the house, under the trees and in the walks, were placed seats for the weary dancers. Harrison's orchestra provided the musical programme and at midnight supper was served. Mr. Allison, when receiving her guests was handsomely gowned in pale blue chiffon over satin of same shade and she carried a sheaf of American roses. Miss Barbara was charming in a white flowered chiffon with border and trimmed with marabout feathers.
