PRICES OF BOARD FOR THE SEASON OF 1851:—FIVE SHILLINGS PER DAY, or FIVE POUNDS PER MONTH.

Caledonia Springs, 2nd June, 1851.

[Extract of a letter from P. J. Lacroix, Esq., of Montreal.]

I beg to state that in July, 1850, I went to the Springs, for the purpose of trying their effect upon me for the most violent Rheumatism, under which I had been suffering for several years previous. After remaining at the Springs for a few days, I was so much benefited by the Waters, my limbs were entirely relieved from all pain, and my health perfectly restored. Several of my friends, who have since visited the Springs, have assured me that they have experienced immediate relief from their use. I consider the Waters of the Caledonia Springs to be most efficacious in cases of Rheumatism.

To the proprietor of the Caledonia Springs.

MONTREAL, 4th June, 1851.

Dear Sir,—In compliance with your request, I have much pleasure in giving you my opinion of the extraordinary effects of the Caledonia Springs, which I have long and widely spoken of, from the fairness of the trial, and my observation of some twenty-five years' experience, and since and others, have long and a fair trial, patients of the different forms of disease to which the human frame is subject, and I have seldom, if ever, seen, a single patient, but those who have suffered from that dreadful malady, can fully appreciate their wonderful salutary effects. I have seen patients from the Cape of Good Hope, and from during ten years, which baffled all medical skill, both in England and on this Continent, resort to the Caledonia Springs nothing on crutches, and return home in perfect health, without a crutch, or any pain, or suffering, and their general health improved and broken down by confinement and want of exercise, return to their homes in perfect health and vigour. I have seen patients who had lost their appetites, and with bad health, strength, appetite, and activity, perfectly restored. Nothing is said twice are the highest Springs in particular, have been almost, if not efficient in other diseases such as Liver, generally called Dyspepsia, Constipation, Costiveness, Piles, Nervous Affections of the Spine and Kidneys; and I am sure that a great number of those cases that leave the Springs greatly benefited, but most of those cases that have been cured by a mere temporary use of the spa. That these Waters have certainly in many diseases as a specific, cannot be generally disbelieved, and I have no hesitation in saying, that the Caledonia Springs are the most valuable Springs, and has already been laid before the Public, that to any more would be superfluous.

W. MOREY,
Professor of Royal College of Surgeons, London.

To John K. Wilkinson, Esq.,
Proprietor of the Caledonia Springs.

MONTREAL, 13th December, 1850.

Dear Sir,—I have to state that I remember the use of the Caledonia Waters a very valuable cordial, and in the treatment of Dyspepsia and Liver Complaint, I think it probable no to grant you a favorable Certificate with more than usual propriety, many of my patients having derived great benefit from the use of the Caledonia Springs, and the use of the Waters, of all diseases that have given Medical relief, in cases of Rheumatism, in the Spine, Hip, and Knee joints, I have seen the most remarkable cures, Chronic Rheumatism yields the first. Many of the cures in these diseases have been truly astonishing. I can with a good conscience say, that I have seen patients who had lost the use of their limbs, and completely lost the use of her hands and feet, and a few days after, I have seen the patient walk, Chronic Rheumatism yields the first. Many of the cures in these diseases have been truly astonishing. I can with a good conscience say, that I have seen patients who had lost the use of her hands and feet, and a few days after, I have seen the patient walk, Chronic Rheumatism yields the first. After a fortnight's use of the Waters,
