To C. McCallum, Esq., and Others:

Ladies and Gentlemen,—In response to your requisition, signed as it is by so many influential electors of the city, I have much pleasure in acceding to your request, and announce myself as a candidate for the Mayoralty of the city for 1891.

Having occupied the positions both of Water Commissioner (during the construction of the works) and Alderman, should you again honor me by electing me as Mayor, the experience acquired while serving you I shall at all times use in the advancement of your interests.

The fact of the rate of taxation for 1890 being higher than ever previously levied in the city, has caused a large number of ratepayers to freely express their dissatisfaction, and to regard a change in the Chief Executive Officer of the city not only as desirable, but as an absolute necessity. I therefore fully appreciate the confidence expressed towards me by so many of my fellow-citizens in requesting my candidature.

Believing, as I do, in the right of the electors to directly pronounce at the polls upon the more important municipal questions, I pledge myself to use my best endeavors to carry out and give affect to their expressed commands upon the questions they will specially decide on Jan. 5. I shall have other opportunities of laying before you my opinion in regard to the many important matters which will come before the Council of 1891, and as I aim, if elected your Mayor, to represent all classes and communities of the citizens; only such municipal legislation as shall be for the general good shall have my support. Wishing you all the compliments of the season.

I am, Ladies and Gentlemen,

Your obedient servant,

J. R. MINHINNICK.

THE MAYORALTY.

To the electors of the city of London. Ladies and Gentlemen:

Having been requested by a large number of the electors to be a candidate for the mayoralty of the city for 1891, and believing it to be the wish of the majority of the electors, I take this opportunity to say that I will be a candidate, and respectfully request your vote and influence. If elected my best efforts will be, as they have been in the past, to advance the interests of the city.

I may say that the first business to engage the attention of the new Council should be the consolidating of the city debt, in order to lessen the rate of interest now being paid, which is a fraction less than 6 per cent. The amount of the city debt in round numbers is $2,300,000. It is surprising that the Council has not dealt with this important question before, as the city has been paying this rate for many years, and no effort has been made on the part of the Council to lessen it. I have no doubt that money could have been obtained at a much lower rate, say from 3½ to 4 per cent., which would have made a yearly saving to the city of from $40,000 to $50,000. I moved in this matter, and the Council will apply to the Legislature for an act at its next sitting.

In this connection I wish to say that as the city government is at present constituted the mayor is ex-officio a member of the Board of Water Commissioners, Board of Police Commissioners, Hospital Trust and also a director of the London and Port Stanley Railway Company. He is supposed to represent the City Council's interests in these different bodies connected with the city government, and whose duty it is to report to the Council from time to time the business transacted in them and to advise with the Council in relation to the business to be done by these departments. Had this course been pursued in the past the taxes this year would have been 18 mills or less instead of 22.
