STRIKER SHOT DEAD IN PITTSBURG RIOT

An Intense Excitement Reigns at Schoenville, Pa.—Sheriff Stops Eviction Work.

Pittsburg, Pa., Aug. 13.—The sheriff or Allegheny County yesterday flatly refused to continue the work of evicting the strikers and the families from house owned by the Pressed Steel Car Company at McKee's Rocks.

Acting under court orders the sheriff and his deputies early in the afternoon began the work of conveying the goods from the strikers' homes to the streets. He asked the Pressed Steel Car Company to give him men to carry out the furniture and household effects, but the company, it is said, refused.

"Then I will not allow my deputies to carry out another piece of furniture," declared the sheriff.

More rioting, during which a foreigner was shot and killed, caused intense excitement in the Schoenville strike zone today. Major Smith, a negro, said to be employed at the car plant as a strike-breaker, early this morning shot and killed Steven Horvat, one of the striking workmen. Smith declares that he shot in self-defence.

TWO CATS AND A DOG ON WRECK OF MYRTLE

Crew of Nova Scotia Vessel May Have Perished in the Storm.

Sydney, N. S., Aug. 12.—A lifeboat succeeded this morning in reaching the stranded schooner Myrtle, which went ashore yesterday at Lingan. Two cats and a dog were the only living things found aboard.

The Myrtle left here Saturday morning, coal laden, for Grand Banks, Nfld., and became caught in the heavy storms which prevailed along the coast.

No trace of the crew can be found. It is held, however, that the men have been taken off by a passing steamer or landed at some isolated point.

The absence of the schooner's boats, however, would tend to the belief that the crew had abandoned the vessel, and in all likelihood were swamped in an attempt to reach shore.

Searching parties on the cliff at Lingenhead and other sections of the coast this morning failed to locate anything of the men.

BATTLE AT FORT WILLIAM

(Continued From Page One.)

aroused, and they shoot in any direction, regardless of who is in the way.

It was near noon hour when the first bullet was fired. Whether the first shot was fired by the strikers or the Canadian Pacific constables is not positively known, but it is believed it was fired by one of the imported constables, 30 of whom arrived from Winnipeg and were sworn in as specials. It is evident that the constables disregarded orders of their chief. After being sworn in the men were taken through the yards to the Canadian Pacific Railway boarding house. The sight of them had the same effect on the strikers that a red rag has on an enraged bull. Firearms of every description were flashed by the strikers.

Conference Fails.

At the city hall the mayor was doing what he could to arrange a settlement. Canadian Pacific Railway officials had agreed to grant the demands of the men and put them to work under an increased scale. An agrement had just been approved at the city hall when the report was telephoned that rioting was in progress. The officials promptly notified the mayor that they would now fight the strike out to the bitter end. No peace will be considered until they are done with the Greeks.

The strikers massed and drove the police back into the bunk house, where they are now undergoing a siege. They fired through the windows and were preparing to storm the house, when Chief Dodds, backed by Sergt. Taylor and the city police force, prevailed on them to stay away.

The strikers had to do this largely because the police were backing arguments for peace with bullets fired from the crevices of walls and through windows from positions which the strikers were unable to locate. All the windows in the bunk house and of the Canadian Pacific Railway yard buildings were smashed with bullets.

The strikers threatened last night to burn the Canadian Pacific grain elevators. Liquor-selling places have all been closed by order of the mayor.

ALMOST ENTIRE TOWN WIPED OUT BY FIRE

Nearly One Hundred Buildings Destroyed at Milton, Delaware, U.S.A.

Milton, Del., Aug. 13.—Almost the entire town of Milton was destroyed by fire early today. Nearly one hundred houses, a lumber yard and a bank building were destroyed. The loss will exceed $100,000. Several hundred persons were made homeless by the fire. Aid was summoned from surrounding points, but owing to a wreck on the Delaware Railroad, fire apparatus could not be brought to Milton in time to be of much use. Only twelve houses escaped the flames.

The fire started shortly after 2 o'clock in the hardware store of S. J. Wil
