The Torontos have dropped another notch in the championship race by their defeat on Saturday. Much interest was centred in this game, as a good deal depended on Toronto's chances of winning the pennant. Had Toronto won and Cornwall lost these two clubs would have stood even for championship honors, but as the results were the reverse the Torontos go down a peg and Cornwall away up. Toronto will now require to win all her games and look to the Shamrocks to beat Cornwall when they next come together. This would make the two C. L. A. clubs tied in the championship. Let us hope that this is the way the season will end, with a match on neutral grounds to settle the championship.

The Toronto club have been most unfortunate in losing Percy Scholfield from their team, for had he been able to take his place on the home the club would undoubtedly have won last Saturday's match, and The World would advise the committee in selecting their next team to put on men who are not afraid to go in and check. One man in particular should never have been on against Ottawa. Whether he was afraid or out of condition is a question. "Shorty" Keith in our mind would have added more strength to the home team than this unmentioned player. Sewell and Gordon were the only men on the Toronto home that played a good game, but two men cannot be expected to do the work of five. W. Gale did not play the game he is capable of doing, the heat probably told against him. McConaghy did well considering what little experience he has had on first-class teams; Jack Garvin was somewhat over-matched with Bissonette, although he played a grand game at times. The defence from Irving to Martin are a strong combination. Every man played his best to stave off defeat, which came after some 2½ hours' play.

The council certainly gave Toronto the worst of it in selecting W. O'Brien to act as an umpire. If this gentleman understands anything about the position he was selected for he positively did not act square or the Torontos would be credited with a win instead of a loss. Sewell no doubt scored the last game and two of the Ottawa men stated themselves that the ball went between the poles. Referee Pollock, although considered one of the best men, was somewhat to blame for the loss of the match in ruling J. S. Garvin off after Crown was struck. The act for which Jim was ruled off was purely an accident which Crown was kind enough to acknowledge after the match. Carmichael and Kent were out northeast of the flags and Garvin called for the rubber. Carmichael tobied it over. Crown came in with a rush and in the act of hitting the ball in front Garvin struck Crown's stick, which caught "Tommy" in the head giving him a severe cut from which the blood flowed freely.

The referee had warned Garvin previously, as he did pretty near every man on the Toronto side so now he thought he was justified in sending him to the fence. When Garvin left the field the people rose in a mass and hissed and hooted until Garvin' storm was hid in the dressing room. Then the referee was again wrong in ruling off Jack Garvin for using his body on Bissonette. Several Ottawa gentlemen were amazed at this ruling and stated that Toronto could certainly not win against twelve men, a referee and one umpire. Col. Macdonald's decisions were given correctly and showed plainly that he understood his business. Had the referee acted fairly he should have sent Crown to the fence in almost all the games for fouling.

The Ottawa team are certainly a fine lot of players, but the best of them, or at least those that showed to advantage, came from Toronto and vicinity. Crown was the star, he was a regular hornet all over the field, and his stick-handling was perfect. Dave Coulson played a remarkable game, probably putting up the strongest game he has since he started to play. McConaghy in goal was grand, he stopped balls which stamped him one of the finest players in that position between the flags. Carson played a great game, and between him and Coulson did yeoman service for their team.

Previous to the big match the Independents and Oshkosh teams played on time, the latter winning the only goal, when the referee for the big match walked upon the field.

As the Torontos walked upon the field a dim applause came from the stand and The World Man glancing around to see who were Toronto friends recognized a few of Toronto boys. The Senators were received with a loud burst of applause. No time was lost in starting the game. Captain Hubbell entered a protest against Crown similar to the one already entered by the Shamrocks for playing with Brooklyn for a consideration. The referee blew his whistle at 3.20 calling the teams together. The Torontos won the toss and placed the Ottawas facing the sun. The following was the order of the men:

TORONTO.		OTTAWA.
Martin	Goal	McConaghy
C. G. Carmichael	Point	Druhan
J. S. Garvin	Cover point	Clendennan
Drynan	Defence field	Popham
Irving		Coulson
T. Carmichael		Dalgleish

Gale	Home field	Young

Umpires—Macdonald and O'Brien. Referee—W. Pollock, Cornwall.

Garvin drew the rubber for the first game, placed it to McConaghy, who gave it to Gale, and by a neat shot this player placed it between the flags. Time 20 sec.

The second game was much longer and went to Ottawa. Bissonette was more successful in the draw, playing the rubber to Crown, who lost it to Paul Carmichael, and down the sphere went to Ottawa flags. After 20 minutes' desperate play Clendennan got it behind, and down it went to Drynan, who threw it over the fence, Bissonette and Gale facing, the Ottawa man taking it and sent in a hot one. Garvin knocked it out, Thomas getting it and passing it to Crown, who rushed in and shot the ball between the flags. Time 23 minutes.

The third game, like the first, was of short duration. Gale got the ball from the face off and passed it to Woodland, who made a strong bid for a game. Down the rubber traveled to Toronto's defence, and Martin was given some work, which he did well, throwing down, where Galetook charge of it, dodging Dalgeish and passing the sphere to Woodland, he scoring in 1½ minutes.

With Toronto one game ahead the Senators came out feeling that much depended on this game and it was a hot one; little work was done in midfield, both defences having lots of hustling to do. Bissonette was again successful in drawing the rubber, and immediately Toronto's defence had to hustle. In this game Crown was accidentally hurt and Garvin went off. After a face the ball came to Thomas, who placed it between the flags—time 35 minutes. The crowd now rushed on the field, those on the grand stand cheered and Ottawa felt good. Ottawa was now ready to back its team at 4 to 5, but as there were few Toronto men on hand there was no accommodation.

When the men were called out for the fifth game both clubs looked pretty well used up. Jim Garvin came on for this game and received the hisses and groans from the crowd. In this game the referee ruled off Young and Toronto played 12 men to 11. Sewell made a beautiful shot, placing the ball past McConaghy, but Mr. O'Brien stated he did not see the game, as he was watching the players and not the ball—a nice remark from a man filling such a responsible position. Jack Garvin was also ruled off and both teams played 11 men. Gordon and Sewell worked hard, but were unable to get another goal. Finally, after one hour's play, Dalgleish got the ball to one side and scored amid tremendous applause. The Torontos were beaten—not by the Ottawa players, but by Referee Pollock and Umpire O'Brien.

MONTREAL, Aug 2.—The lacrosse match played here on the M.A.A. grounds between the Montreal and Cornwalls resulted in a victory for the visitors by 4 to 1. That Montreal could scarcely win was expected but that they should have been so disastrously defeated was never thought of. The team was a strong combination, they were in good form and played well, but the Cornwalls in the flush of their victory proved themselves too many for their opponents. No such a crowd has ever witnessed a lacrosse match here. The grand stand must have contained 7000 people. The teams:

Umpires — P. McKeown, H. McLaughlin. Referee—Toby Butler.

The first game disclosed 20 minutes' actual play, and it seemed that the teams were evenly matched. In the second game, which lasted 32 minutes, this impression was confirmed, the more especially since the score stood one all. But the following three games were taken by Cornwall with a rush. The play throughout was hard and fast, for the most part combined and with very little individual display. The teams kept well within the rules, feeling that they were well watched and that neither side would endure any infringement. Towards the end some bad feeling was engendered and there were one or two incipient fights. Hughes and Spriggins attempted to settle a little difference when the match was over and the crowd rushed over the field in disorder. The Cornwalls are jubilant over the result, as they have the whole season shown themselves invincible.

The Athletics are Clever Lacrossists.

A scheduled C.L.A. lacrosse match was played at the Exhibition grounds Saturday between the Olympics of Milton and the Athletics of Toronto. The Athletics won by 3 games to 2. D. Hartley of the Athletics was unavoidably delayed and the city club used 11 men against 12 at the start. Martin scored the first game for the Athletics in 33 minutes. In 27 minutes more the same team scored again, this time Munshaw doing the trick. Smith and Brush took the next two games for Milton in 7 and 12 minutes. It took just 20 minutes for the Athletics to take the final point, Martin making the shot. Mr. Boyd of this city was the referee.

Orangeville is jubilating over her Dufferin's great victory over the Caughnawaga Indians there Saturday. The score was five games to one.

ONTARIO WINS BY 115 RUNS.

W. J. Fleury of Toronto Hits Up 103 in the Second Inning.

The big Inter-Association cricket match was resumed Saturday in Bloor-street. Fleury and Dickey, the two not outs, defended the wickets. The latter kept up his wicket well and permitted his associate to raise his score from 81 to 103—the batting record in Canada for the year—while he put together a creditable 13. Fleury's remarkable inning consisted of 12 hits to the boundary, six threes, 11 twos and 15 ones. This was far the best inning seen here this year. He did not give an easy chance, but thrice clever catches would have sent him to the pavilion. On Friday, with his score at 25, the fielder at long-on misjudged a fly; and later in the day Fleury returned a fast one that hit the bowler's hand. On Saturday he gave mid-wicket, one which that fielder failed to go back for. However, the century score was a grand one and Mr. Fleury is to be congratulated for his excellent display of hard hitting. His drives to the off were clever indeed, while his hitting all round the wicket was brilliant. Experts say that he should never endeavor to play carefully but should punish the bowler from the start, which he is perfectly capable of doing.

After luncheon the Montreal and Ottawa gentlemen began the task of making 207 runs, which proved indeed insurmountable. When the last wicket fell they just lacked 115 of these. This was owing to the particularly destructive trundling of W. W. Jones. The Quebeckers could not collar his slow delivery and only made 18 runs for six wickets. Barton, Little, Boucner and Bell were their double figure scorers.

The result of this match shows that in selecting the International team the Ontario Association was perfectly justified in refusing to take additional men from the East, which then caused a great outcry. Canada's best cricketers are located around Toronto and Hamilton; but they, like other Kanucks, need careful training before they can expect to cope successfully with our cousins across the border.

St. James' Never Lose.

The St. James' Cathedral Cricket Club played against the Parkdale Seniors on the lawn in front of the exhibition buildings last Saturday afternoon, resulting in a splendid victory for St. James'. St. James won the toss, but owing to the lateness of two or three of the players in coming had to take the bat. The first ball disposed of Brown. Elnor then went in and played a magnificent game for his 32, his wicket being the ninth one to fall and his play throughout being characterized by patience, skill and judgment. Britton and Berry also batted well for their respective scores of 12 and 8. The innings of St. James' closed for a total of 81, a very creditable performance considering many of the St. James' first eleven were away on holidays and their places had to be filled by members of the second eleven. The Parkdale men then wish to bat, but could do nothing with the bowling of Berry and Britton, the only ones who made a stand being Eyre and Scott, the former making 8 and the latter 5 not out. Parkdale's innings closed for 37 runs. The good fielding of the St. James' Club came in for special notice, Kennedy making a splendid left-handed catch at cover point. Score:

Rosedale Beats East Toronto.

A very pleasant match was played Saturday afternoon on the grounds of the East Toronto Club between a team of that club and an eleven of the Rosedales. The East Torontos, going first to bat, were all dismissed for the small total of 24, the bowling of W. Thompson being remarkably good, he performing the "hat trick." The feature of Rosedale's inning was the fine batting of A. Hall for 17. The bowling of E. Smith for East Toronto proved very puzzling to the opposing batsmen. The following is the score, showing the Rosedales to be the victors by 20 runs on the first inning:

East Toronto's Clever Victory.

A match was played between East Toronto and Brampton Saturday last at Brampton which resulted in a win for the city club by 3 wickets and 35 runs. Brampton winning the toss took the field and the East Torontos went to bat. The wicket was fast and the scoring rather slow, so to avoid a draw the East Toronto captain suspended the innings at 4.50, 7 wickets being down for 68 runs. Collins played steadily for his 16, while Flynn 19 and Chandler 14 carried out their bats, having made a fine stand and shown good cricket. Brampton went in at 5.0 o'clock, having an hour left, and played for a draw, their prospects of pulling off the match looking well at first, but the bowling and fielding of the East Toronto men proved too much for them, the last wicket falling at 5 minutes before time for 32 runs. Atkinson deserves credit for his 13, which was the only double figure. For East Toronto Ross Cameron and Hoare both bowled well, taking 5 wickets for 5 runs and 3 for 3 respectively, while Loosemore was most effective for Brampton with 4 for 13. Score:

THE AMATEUR LEAGUE.

Four Interesting Contests at the Baseball Grounds Saturday.

Two hundred persons saw the Toronto Amateur League contests at the baseball grounds Saturday afternoon and enjoyed four keenly-contested games. The league committee are mostly of the opinion that an increased admission fee would benefit the finances of that club and discuss an advancement at their meeting to-night. Patrons are well pleased with the games and would no doubt willingly pay a quarter to see such struggles. The scores:
