REEVE DUNCAN ELECTED PRESIDENT.

Pte. Earl Bates Welcomed to the Home of His Father at Norway Last Night.

Toronto Junction, Jan. 11.—The vital statistics for the year just ended are: Births, 191, of which 101 were girls and 90 boys; deaths, 94, of which 52 were males and 42 females. There were 39 marriages.

The annual meeting of the Women's Benevolent Society, for the receiving of the annual report and the election of officers, will take place next Friday afternoon at 3 o'clock in the Mayor's office.

District Deputy Grand Master Johnston to-night installed the newly-elected officers of Lakeview Lodge, I.O.F.

The Old Boys' Association of the Toronto Junction High School held their first annual reunion to-night. The officers and committees received at 8 p.m. on the first landing, and at 8.30 a concert was given in the auditorium. Those contributing were: Miss Aleda Edgar, a piano solo entitled "The Chariot Race;" Miss Elsie Blake, a vocal selection, "Autumn Days;" Miss E. Luttrell, violin solo, "Cavatina;" Charles E. Clarke, solo, "Big Ben;" a reading by Miss Alma Williamson, and speeches by J. G. Wright, F. C. Colbeck and A. R. Fawcett. Refreshments were served in the Fifth Form room, after which a select program of 26 dances was proceeded with to the strains of Napolitano's orchestra. About 150 couples were present, and much of the success of the affair was due to the Executive Committee, consisting of C. McEown, W. J. Bell, P. R. Wright, W. McFarlane, C. E. Clarke, H. Hounsell and G. R. Jackson.

East Toronto.

The annual convention of the East York Conservative Association was held in Y.M.C.A. Hall, East Toronto, this afternoon, and was well attended by Conservatives throuout the riding. In the absence of the president, Mr. A. Baird, Mr. Frank Galbraith took the chair. Mr. R. Hazelton acted as secretary.

The first business of importance was the election of officers, and, on a show of hands, the following were elected: President, Mr. James Robinson of Markham; vice-president, Mr. H. Duncan, Reeve of York Township; secretary-treasurer, W. H. Lucas.

After the president and newly-elected officers had taken their positions, the president thanked the members for the honor bestowed upon him. He then called upon the members to express their opinion in regard to the selecting of a candidate to represent East York at the next election contest for the Ontario Legislature.

The following gentlemen addressed the meeting, putting forth their views in regard to the same: Mr. Milliken, A. Mason, H. Canning, A. MacMillan, Dr. Walters, W. W. Thompson, Mr. Leavitt, H. Duncan, T. Humberstone, J. Chester, William Pugsley, W. Button and W. H. Clay.

The vote resulted in an adjournment being made for two weeks, which carried. Dr. Tyne, M.L.A., addressed the meeting, as also did W. F. Maclean, M.P. The meeting was an harmonious one, the best of good-feeling prevailing, and, altogether, was a success and of a very enthusiastic nature.

At a meeting of the Ratepayers' Association of Little York last evening, a report of the committee appointed to investigate and find out the cheapest and best mode of street lighting was not accepted, as an extension of time was given the committee. The ratepayers are apparently in favor of the new gas-lamp.

The home of Mr. Ira Bates, Norway, presented a beautiful appearance last evening, with the bunting decorations, the illuminations and the arch and inscription, "Welcome Home, Earl." The whole vicinity are also joyous over the return of their soldier boy from South Africa.

The citizens of East Toronto and Little York were in a state of joy last evening over the return of Mr. John Herron, the much-respected young man who left some 12 months ago to fight in South Africa, and they welcomed home Mr. Herron as a citizen here never was welcomed before. A public reception will be given to Mr. Herron at an early date.

Miss Ethel Humberstone of Newtonbrook is visiting at the home of Mr. R. J. Bull.

West York Reformers.

The annual meeting of the West York Liberal Association will be held at Eagle Hall, Weston, on Monday, Jan. 21. Speeches will be given by Hon. F. R. Latchford, Hon. J. R. Stratton, W. J. Hill, M.L.A., and Mr. Archibald Campbell. In the evening the annual banquet will be held.

Unionville.

In the death of Benjamin Dixon, which occurred at his home on Thursday evening, this village loses one of its most worthy citizens. Deceased was taken ill a little over a week ago, but no serious results were anticipated until within a few hours of his demise. Mr. Dixon had lived the greater part of his life in and adjacent to the village. A taxidermist by profession, skilled in his trade, of kindly nature, his loss will be deeply felt wherever known. Mr. Dixon was predeceased by his wife about two years ago, and a little boy, 5 years of age, is left to mourn the loss of his parents. The funeral will take place to-day (Saturday) at 1.30 to the Christian Burial Ground, 7th concession.

The members of the Lutheran Ladies' Aid Society completed their autograph quilt at their last meeting, held at the home of Mrs. Isaac Elliot. The proceeds of the quilt netted $145. The quilt was presented to Mrs. Bruch on the eve of her departure.

Markham.

Miss Edith Mairs, B.A., of Toronto, has returned to the city to resume her teaching duties there.

Rev. James Halliday of Scotland, who has been visiting here for the past two weeks, occupied the pulpit of St. Andrew's Church on Sabbath evening, and rendered most acceptable service.

Mr. Frank Fox, teller of the Standard Bank, has been transferred to Kingston.

The banquet to G. R. Vanzant at the Tremont House on the evening of the 16th promises to be a most enjoyable event.

Frank B. Gould, son of J. B. Gould of the 9th con., has made application for service on General Baden-Powell's police force in South Africa.

A 10 days' series of missionary meetings will open in Grace Church to-night, and will be illustrated by limelight views.

A Handsome Calendar.

The Toronto Brewing & Malting Company have issued a very handsome calendar for 1901. The figures on the calendar represent five different branches of the Imperial service in full uniform, and it is certainly one of the handsomest pieces of work that have come under our notice for some time.

North Toronto.

The appeal in the matter of the Deer Park Consumptive Sanitarium is expected to come before the Divisional Court early next week.

The St. Clement's Musical and Literary Society has been reorganized and a program of attractive events will be arranged for the season.

The recount in the York Township elections will take place this morning before Judge McDougall. The candidates have all been invited to attend, and it is expected that the result will be known this afternoon.

Last night's storm had little effect on the Metropolitan cars, the time-table being carried out with very little change.

At a meeting of the Liberal-Conservative Club last night it was decided to hold the annual concert at the Town Hall on Friday, Feb. 8.

Richmond Hill.

The Meteors of North Toronto played against the local hockey team here on Thursday night and will need considerable more practice before they can hope to do much with the home aggregation. The score was 4—0 in favor of Richmond Hill.

A case of considerable interest was tried by Judge Morgan here on Thursday afternoon. E. J. Cable was the plaintiff and M. Vanderburgh the defendant. Cable's claim was for $54 for sinking an artesian well, and Vanderburgh disputed the claim because the well gave out after a few day's flow. The plaintiff thu E. H. Lennox alleged that no guarantee had been given and secured a verdict of $45 with costs.

Mr. and Mrs. J. A. E. Switzer will celebrate their silver wedding on Monday next, and a large gathering of invited guests will take part in the pleasant event.

The funeral of the late Mrs. P. Vandenburgh was held yesterday afternoon to the Presbyterian Cemetery, the ceremony being performed by Rev. J. A. Grant.

The 20th annual convention of the Vaughan Township Sabbath School Association has been arranged to be held here on Wednesday and Thursday, 30th and 31st January, at the Presbyterian Church.

A flowing well has been struck on the farm of Mr. Jonathan Brillinger, on the 2nd concession of Markham.

Mr. D. McDougall has purchased the insurance business of Mrs. B. Redditt, and will take up residence here with his family.

SWALLOWED HIS TEETH.

Funny Part of it Was That He Did Not Know it Till He Was Examined.

Corry, Pa., Jan. 10.—Supposed to be dying from laryngitis, doctors removed false teeth from the throat of Andrew Burlingame, aged about 63 years, and they now expect him to live.

About a week ago Burlingame became ill, and rapidly became worse, and no hopes were held out for his recovery. During the first day of his sickness the old man remarked that his false teeth, the upper set, were gone, and he must have left them in the barn. Search was made, but no trace of the teeth could be found.

To-day Burlingame said that he felt a lump in his throat and felt certain that his teeth were there. To humor him physicians were summoned, and an examination made, and there lay the teeth lodged firmly in his throat. When the teeth were removed he at once felt better. It is the first case ever heard of where any one survived a week with false teeth in the throat.

Caithness Association At Home.

Enjoyable, indeed, was the twenty-fourth annual at home of the Toronto Caithness Association in St. George's Hall, Elm-street, last night. The stormy weather proved no drawback to its success, and there was a large and fashionable gathering. The concert was essentially Scottish in character. Mr. Daniel Rose, president of the association, was in the chair, and the program was contributed to by Messrs. T. Richardson, W. R. Gibson, Dougald Henderson, R. B. Love, the Sherlock Quartet, Mrs. Flora McIvor Craig, Miss Alice Fieldhouse, Miss Annie McKay and the Misses Addie and Victoria Patterson. A dainty supper followed, after which dancing was indulged in until an early hour this morning. The committee was composed of the following gentlemen: W. B. Campbell, James Sutherland, Dr. D. A. Rose, John A. Wood, Robert H. Rose.

Some Clauses Unacceptable.

Shanghai, Jan. 11.—A despatch from Siaufu where the Chinese court is located) to a native newspaper says:

"Some of the clauses of the conditions for peace are impossible of acceptance, consequently the Emperor and Empress and the much-troubled court have telegraphed to Liu Kun Yi, the Viceroy of Nanking, and Chang Hi Tung, the Viceroy of Maukow, to proceed immediately to Pekin and confer with the foreign Ministers and Chinese commissioners in an attempt to acquire a modification of the obstructive conditions. They have been instructed, if they are unable to proceed to Pekin, to propose a suitable meeting place for the Ministers elsewhere.

Objections Abandoned.

Berlin, Jan. 11.—A special despatch from Pekin to the Lokal Anzeiger late this evening says: "The Chinese court has abandoned its objections to the joint demands of the powers, and it is believed that Prince Ching and Li Hung Chang will sign in a few days. It is expected that a telegraphic authorization will reach them from Siaufu to use the Imperial seal, which is under guard in Pekin.

TRADE BETWEEN SEASONS

Iron, Steel, Lumber, Leather and Drugs Give Out the Best Reports.

MANY FAVORABLE INDICATIONS.

Bank Clearings Have Been of Enormous Volume—Grain Shipments.

New York, Jan. 11.—Bradstreet's to-morrow will say:

Business is still of a between-seasons character in most lines, but a livening up of interest in several trades has been noted this week. Relatively, best reports come from the iron and steel, lumber and drug trades, but there has been some enlargement of wholesale distribution trade on spring account in the south and central west. Spring trade in dry goods is just opening up, and it is noted that a heavy shipping movement on orders is now proceeding at the west. Some gain in wool sales is noted at eastern markets, but weather conditions have not been favorable at the east to business as a whole, except as stimulating the retail trade in shoes and rubber goods. A special feature is the generally good tenor of reports as to collections from all western and southern points from which it is inferred that trade returns to retailers must have been quite good. Bank clearings, swelled partly by continued heavy stocks speculation at New York, but also by the passage of large sums of money thru the banks of the rest of the country, have been of enormous volume, far exceeding all previous weeks. Easy money has been a feature, noted not only at the large eastern centres, but also at smaller interior markets, pointing to very large annual settlements on merchandise account. Railroad earnings also continue very encouraging, and the reports as to earnings in the last month of 1900 indicate that the railroads of the country have recovered some of the percentages of gain shown early in the year. Summed up briefly the situation is one of widespread interest in the general business outlook.

The World's Wheat Supplies.

The world's wheat supplies decreased but slightly in December, the falling off being less than 2,000,000 bushels, or 1 per cent. European stocks, which decreased relatively heaviest, fell off only 1,000,000 bushels, and American supplies are practically unchanged from a month ago. The total world's stock aggregated 171,857,000 bushels on Jan. 1, against 173,588,000 bushels on Dec. 1, 1900, and 175,077,000 bushels on Jan. 1 a year ago. Compared with two years ago, supplies are, however, 50,000,000 bushels larger. American supplies aggregate 96,597,000 bushels, or about 3,000,000 bushels less than last year, but 49,000,000 bushels more than in 1899. European supplies on Jan. 1, 1901, were 71,400,000 bushels, a decrease of 1,000,000 bushels from last month, but a gain of 3,200,000 bushels over last year.

Grain Shipments.

Wheat, including flour, shipments for the week aggregate 5,961,095 bushels, against 3,914,301 bushels last week, 4,248,921 bushels in the corresponding week of 1900, 5,847,071 bushels in 1899, 5,299,517 bushels in 1898, and 3,948,154 bushels in 1897.

Corn exports for the week aggregate 4,897,345 bushels, against 4,470,521 bushels last week, 3,314,576 bushels in this week a year ago, 3,297,072 bushels in 1899, 4,641,750 bushels in 1898, and 3,757,261 bushels in 1897.

Business failures for the week number 322, against 268 last week, 295 in 1900, 304 in 1899, 323 in 1898 and 478 in 1897.

Stock-Taking Sale

Since the holidays we've carefully inspected the stocks in several departments preparatory to our inventory. We'll continue this investigation throughout the store, and will begin on Monday a Stock-taking Sale with buying chances such as occur at no other time of the year and in no other store. Our stock is all fresh and new, but we've a very rigid time limit here on goods, even the goods of standard makers bought every month. There's no reason for turning them out other than that we call it good store-keeping not to carry goods over from one season to another. Now, if your time to buy fits in with our time to sell, you'll be many dollars in pocket, for we turn these staple goods into money with no thought of profit to ourselves except the ultimate profit of your good-will. Every item of to-day's store news merits your special attention, and hundreds of others not specially mentioned will equally well repay your visit.

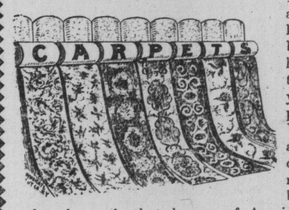
$1.50 Axminster Carpets for 98c.

For all-round service and real artistic merit in design there's nothing in moderate-priced floor coverings equal to a Standard English Axminster Carpet. Year in and year out everybody that knows carpets feels safe in buying this at a dollar and a half a yard and will continue to do so. We have 4,200 yards, the latest and choicest product of world-famed looms. We have a little sentiment about publishing the name of our own favorite carpet at a reduced price, but every piece bears the well-known brand and trade mark that buyers of Axminsters always look for. There are over a dozen distinct characteristic designs (in several colorings) which cannot be reproduced in low-priced goods. A specimen by one of the best English artists, equal to any $2.50 design shown elsewhere, is in our Yonge Street window. Judge from this of the merit of this great stock of Standard Axminsters ready for your inspection on the second floor.



Provided we can measure for and make these carpets at once, we will store any you do not wish delivered immediately. We put them at a price hitherto unheard of. You choose Monday at Stock-taking Sale for ..... .98
