From Yesterday's Second Edition.

(*Special Telegram to Tribune.*)

George Brown Appointed to the Senate and Expected to Enter the Cabinet as President of the Council.

OTTAWA, Dec. 18.

Geo. Brown, of the Toronto *Globe*, was yesterday appointed a Senator. This is an indirect violation of the solemn compact entered into at the time of Confederation, between George Brown and Sir John Macdonald, that Ontario Senators should be chosen from old Legislative Councillors till the list was made up There are yet two members of the old Council, one of whom should have been chosen. When this solemn agreement was broken a Senator should have been chosen from Eastern Ontario, which is almost unrepresented in the Senate. However, George is getting old and, as he failed to get the Governorship of Ontario, he must be contented with a Senatorship.

Changes are anticipated in the Cabinet soon. George Brown is to be President of the Council.

The School Question and the Executive.

Propositions submitted by the Right Rev. Bishop Sweeney as a basis of an arrangement in relation to the operation of the Common Schools Act in an interview had by him with the Honorable Messrs. King, Stevenson and Willis, members of the Executive Council.

1st. That the Christian Brothers and Sisters of Charity be licensed to teach in the Public Schools, on successfully passing an examination, conducted in a special manner, in which test papers furnished by the Board of Education, to be filled in by the Candidates, should be certified by the Bishop as having been written by the parties so examined.

2nd. That the school taught by the Christian Brothers and Sisters of Charity should be open to the Roman Catholic children resident in any part of the District.

3rd. That in such schools no books shall be used which might be objected to by the Bishop; whilst for instruction in subjects on which any books of the Board of Education should be objectionable, the books of the Christian Brothers should be used.

The decision of the Council on these propositions is couched in the terms following:

1st. That it would not be objectionable to license as Teachers, Christian Brothers and Sisters of Charity, permitting them to wear such garb as is ordinarily worn by them; yet the Council feel that in order to obtain such license they should undergo the same test as all other Teachers, as prescribed by the 29th, 30th, 31st and 32d Regulations of the Board of Education. To grant the request of the special examination sought by His Lordship would be dealing exceptionally in favor of a single denomination, while the spirit and intent of the Act was to give to all the people of the Province equal rights irrespective of their denominational status.

2nd. The attendance of children at any particular school in the District, is a matter that may properly be left to the discretion of the Trustees.

3rd. Where any Christian Brother or Sister of Charity, duly licensed, shall be the Teacher in any school, it would be an essential that such school should be conducted under "The Common Schools Act," and no books be used therein other than those prescribed by the Board of Education. To sanction or authorize the Books of the Christian Brothers would be entirely inconsistent with the provisions of the School Act.

Brevities.

The St. Stephen Church lecture room is beautifully decorated with flags, evergreens and seasonable mottoes. All kinds of children's clothing, etc., etc., are for sale. The display is very fine.

Portland Police Court.

A number were called to show cause why they had kept and harboured dogs without paying a license for the same. All present made excuses, with one accord, while those who did not put in an appearance were fined. Some of those who answered to their names denied ever owning a dog, others had killed or banished theirs, others had no excuse but forgetfulness, and one man produced a license of last year and thought it was good for all time. They were allowed to take out licenses and pay $1 costs, and were let off without any fine.

VINEGAR BITTERS

VEGETABLE — FREE FROM ALCOHOL — PURELY — DR. WALKER'S CALIFORNIA — EUREKA

VINEGAR BITTERS

Dr. J. Walker's California Vinegar Bitters are a purely Vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of VINEGAR BITTERS?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of VINEGAR BITTERS in healing the sick of every disease man is heir to. They are a gentle Purgative as well as a Tonic, relieving Congestion or Inflammation of the Liver and Visceral Organs, in Bilious Diseases.

The properties of DR. WALKER'S VINEGAR BITTERS are Aperient, Diaphoretic, Carminative, Nutritious, Laxative, Diuretic, Sedative, Counter-Irritant, Sudorific, Alterative, and Anti-Bilious.
