ROTARY CLUB PLANTS FIRST SEED OF SEASON

In ideal weather the inaugural ceremonies for the season of the Toronto Vacant Lots Cultivation Association, which is under the direction of the Toronto Rotary Club, took place at Dunlop's field, Jones avenue, Riverdale, on Saturday afternoon, when the first seeds (beans) were officially planted with fitting ceremony by W. An auto parade took place prior to the ceremony, starting from the King Edward Hotel, and proceeding thru the principal streets to the grounds. The members of the organization, with their wives and children, were accompanied by A. R. Clarke and Company's boys' bugle band. Moving pictures were taken of the proceedings. A program of races and other events were carried out and prizes awarded.

The chairman outlined the growth of the organization from a few lots cultivated at the commencement to the large number of 1730 under cultivation at the present time.

George Baldwin, superintendent of the Rotary Club, and others took part in the ceremony.

The collections will be continued during the week, until the full amount is contributed. Howard J. Walker, secretary, occupied the chair.

In a recent letter received by his sister, Mrs. Mary Locke of West St. Clair avenue, Michael Murphy, who is serving with the 101st Artillery Brigade at Salonica, says that considerable activity is going on in that section. Beaches

RETURN TO GOD WILL BRING PEACE OF MIND

"Peace, perfect peace" for nation as well as individual, can only be had by centring thoughts on God. Such was the substance of a sermon yesterday morning by Rev. A. P. Addison at Beech Avenue Methodist Church. He said it was true today as when Isaiah wrote, "God will keep in perfect peace the mind which is staid on him." The pictures shown three years ago of "Britain prepared" gave us an idea that the might shown by her powerful fleet and other forces could bring peace to the world, but it failed, and the peace which the world was willing to pay a big price for could be had by a return to God, said the minister. The people in olden times when their country was overrun by enemy troops thought more of a reconciliation with God than what would happen to their country. Mr. Addison declared there was a decided spirit of unrest that was almost universal among workingmen, business men and even the Great War Veterans' Association. But there were also people who seemed to radiate peace even in the midst of poverty and they were the people who most often thought about God. If people would only get the habit of thinking about God many of their difficulties would be smoothed away. "Christ is the magnetic needle by which a man can tell whether he is out of the true course," he said. "Only those who fight on the side of God will achieve final victory."

SOME EARLY BATHERS.

Large Crowds Along Shores of Lake in East End.

The fine weather of yesterday brought out a holiday crowd to the Beaches. Every available craft was on the water, and the people along the beach were as thick as bees in a hive. Hundreds of picnic parties were observed along the banks; the children were paddling, while some of the older people ventured a dip in the rather cool water. There was an enormous crowd at Scarboro Beach Park listening to the concert given by the Royal Grenadiers' Band under Lieut. J. Waldron. Patriotic selections were decidedly popular with the audience.

The picnic grove in the east end of Scarboro Beach Park was crowded also with picnickers.

GROCER'S HORSE KILLED.

Friends in Neighborhood Present R. J. Edwards With Another One.

R. J. Edwards, the Queen street grocer, whose horse was killed last Wednesday after crashing thru his plate glass windows, was given a most agreeable surprise on Saturday when the business men of his neighborhood presented him with another horse to replace his loss, and as they said in their letter to him, "to show in what esteem they held him and hoped their social and business interests would always continue and increase.

BOYS' CLUB PICNIC.

The Boys' Club of Beech Avenue Methodist Church had an outing in the woods on Saturday afternoon. They were taken in automobiles by members of the church to stop 33, on the Kingston road, where they spent a most enjoyable afternoon, after which refreshments were served, which were disposed of in true boyish style.

Danforth

BUILDING IN EAST END.

Streets Beyond the Woodbine Becoming Popular for Residences.

The district east of the Woodbine, about ten minutes' walk from Danforth avenue, is becoming popular as a residential district.

Many houses are being erected by the Glebe Land Co., and the McEachren Co, and other large firms of builders, for sale and for rent.

J. A. Macdonald, school trustee, Todmorden, is about to erect a pair of dwellings, and many enquiries are being received by local real estate agents for houses in the section.

SWITCH ALMOST COMPLETED.

Civic Officials Expect Danforth Cars to Run as Usual.

It is expected by the civic officials that the new switch in course of construction for the past three weeks for the Danforth avenue civic car line, at the Broadview end, will be completed this week, and the cars will start, as formerly, from the terminus, opposite the Playtorium Theatre.

The alteration was made in connection with the changed conditions to be brought about with the opening of the Bloor street viaduct, when the Toronto Street Railway cars coming over the viaduct from the city will cross Broadview and continue along Danforth avenue to within a few feet of the civic cars.

DANFORTH METHODIST SERVICES.

During Minister's Illness the Pulpit is Occupied by Visitors.

Rev. Ryerson Young, Orangeville, was the preacher at the morning service in Danforth Avenue Methodist Church, Danforth avenue, yesterday, and Rev. J. R. Aikenhead, Richmond Hill, officiated in the evening.

Rev. R. J. D. Simpson, pastor, who was injured in a motor car accident a few days ago, is still confined to his residence, but is progressing satisfactorily.

TO ASSIST THE FRENCH.

A special collection was taken up at Danforth Baptist Church Sunday school yesterday on behalf of the French refugees, which will be forwarded to the Friends of France Association. Rev. M. A. Maclean, pastor, pointed out the urgency of sending help to these people who are being sent into Switzerland in thousands from Germany at the present time. "Thirty-five thousand French refugees were dumped into Switzerland within the last six weeks," said Rev. Mr. Maclean, "and the condition of the poor people was terrible, with scarcely any clothing to cover their bodies, and the bones protruding thru the skin from starvation. Thousands of them are suffering from awful diseases, brought about thru the unsanitary conditions they existed under while in Germany."

ORDER YOUR COAL EARLY.

Coal Dealer Gives This Advice to People in East End.

A word of advice was given to the people of the east end regarding securing their next winter's coal supply by Edward Oliver, manager the Dominion Coal and Wood Co., Ltd., Danforth avenue, in course of conversation with a World reporter on Saturday. He said: "I would strongly urge the people to get their winter supply as early as possible. The coal is coming slowly, and I think the railroads are holding up supplies in order to charge the new increased freight rate, which will necessarily advance the price of coal. We have not as yet supplied 25 per cent. of our own customers, and lots of orders are even now coming in. Our firm has an American permit to allow us to receive 2500 tons of coal, which the collieries must deliver within the next three months. There ought to be a sufficient quantity for everyone if ordered in time. Sensible people take precautions, but there are many who are indifferent, and it is this class who suffer," said Mr. Oliver.

READY FOR RAILS.

Second Strip of Concrete Roadway Laid on Danforth Avenue.

The work of laying the second strip of concrete roadway on the south side of the Danforth avenue approach from the viaduct to Broadview, commenced on Saturday, and good progress was made. The strip on the north side of the roadway is finished, and everything is now in readiness for the laying of the rails, which are daily expected.

Work on the Rosedale side in laying water mains still continues. The men from the waterworks department worked all day Saturday. The progress on this side is slow, not more than about fifty men being employed.

CORPUS CHRISTI DAY.

The feast of Corpus Christi was observed in all the Catholic churches thruout the city yesterday. Sermons appropriate to the feast were preached at all the masses and the evening service at the Holy Name Church, Moscow avenue, Rev. M. Cline, pastor, announced that by order of His Grace Archbishop McNeil a tag day in all Roman Catholic churches would be held next Sunday on behalf of the Carmelite Sisters, under whose care are placed the foreign waifs and strays of the city.

RIVERDALE PARK CROWDED.

The bright sunshine and brilliant summer weather of the last few days brought out the people of the Riverdale-Danforth districts on holiday bent. Riverdale Park was crowded with visitors, and motor and vehicular traffic was enormous, and street cars carried capacity crowds.

East Toronto

THE TRUE TEST.

Rev. T. H. Rogers Preaches in Emanuel Presbyterian Church.

The true test of a Christian is his love of Christ, declared Rev. T. H. Rogers of Emanuel Presbyterian Church, East Toronto, last night. It was a difficult matter to tell who was a Christian; the people today did not know if their own minister was a Christian, nor did the minister know if the members of his congregation were Christians. The chief test of a religion was its power to produce saints, and saints were produced by love and devotion to Jesus Christ. "If we had any gratitude for Christ's love for us, we should show it in personal service to Christ," he added.

Unarmed Soldiers Took Part In Procession at Montreal

Montreal, June 2.—Upwards of 1500 soldiers marched today in the Corpus Christi procession in this city. In accordance with King's regulations and orders, they bore no arms. The Sacred Heart was borne by Bishop Gauthier, and Archbishop Bruchesi also took part in the procession, with most of the Catholic priesthood of Montreal. Four judges of the superior court; the Hon. C. J. Doherty, minister of justice, and the members of the bar, in their gowns, walked in the procession, together with Mayor Martin, the members of the city administrative commission and the aldermen of the city. The celebration passed without a hitch in perfect weather.

West Toronto

LEAVES THREE ORPHANS.

After an illness of some months, Charles Lavender, a C.P.R. employe, died at midnight Saturday at 301 Royce avenue, leaving three motherless children, Mrs. Lavender having died three years previously. The children are totally unprovided for, but Mrs. G. Criselli, with whom they are staying, hopes to get in touch with a brother of Mr. Lavender's, who, when last heard from, was in Australia.

Rev. J. J. Ferguson of Perth Avenue Methodist Church will conduct the funeral services Tuesday morning.

SPEAKS ON MEDICAL MISSIONS.

Dr. John Stenhouse gave an address on medical work in connection with home missions to the Sunday school at Victoria Presbyterian Church yesterday afternoon. Dr. Stenhouse brought four nurses with him, who interested the children with details of their work. Some curios from China were also shown.

ARRESTS ARE FEWER.

During the past month six arrests were made for drunkeness in West Toronto, as against twelve for the same month last year and thirty during May, 1916. Other offences total fifteen arrests for the month, while during May of last year there were 26, and the same number, 26, for May, 1916.

ON HIS WAY HOME.

INFANTRYMEN LEAVE FOR EASTERN POINT

Seventeen Hundred Get Send-Off by Large Crowd of Citizens.

Over seventeen hundred active service infantrymen entrained at Exhibition Camp last night, bound for new camps at points further east. Four trains were required to transport them. All four trains pulled out Sunday evening, at half-hour intervals, starting at 6.30 o'clock. Two thousand citizens were on hand to give the departing troops a send-off. Col. H. C. Bickford, Toronto district commandant; Mayor Church, and Major G. Mitchell, G.S.O., were among those present to cheer the soldiers on their way. Music was provided by the camp bugle band.

The outgoing contingent consisted of 850 members of the 1st Battalion, 1st Central Ontario Regiment, Toronto; 300 from the 2nd Battalion, 1st C.O.R., Toronto, and 600 from the 1st Battalion, 2nd C.O.R., Hamilton. Clouse; draft of 250, Major A. C. D. Pigott, and Lieut. W. L. J. Brown. Officers in charge of draft from 2nd Battalion, 1st C.O.R., Capt. G. S. Kirkpatrick, Lieut. E. H. Day, Lieut. C. P. Stocking, Lieut. E. Borg and Lieut. F. Book. The entraining of the troops was directed by Cpl. G. A. Dodge.

DON'T WORRY

PESTS THREATENING BACK YARD GARDENS

The amateur gardener at this stage of his garden's growth is apt to survey his young plants with pride and think that kindly nature will bring them to full fruition without much further attention. Not so—a host of enemies lurk in wait to ruin the garden. Weeds, insect pests and plant diseases will spoil the effect of all the past good work unless preventive measures are taken.
