Live Stock Markets.

EAST BUFFALO.

EAST BUFFALO, N. Y., Oct. 5.—Cattle—Only about 4 or 5 cars were on the market; what was sold was in a peddling way to butchers at about the average of Monday's market; feeling about steady.

Sheep and Lambs—Fair trade to-day at about yesterday's prices; receipts, 12 loads of fresh Canada lambs and 6 loads held over from yesterday and 6 to 8 cars of native stock. The Jersey market was reported slow, and New York market a shade stronger. A fair number of the Canadas changed hands, the best selling at $5 90, and $5 75 for fair lots; $5 60 to $5 65 for ordinary and light weight lambs. In native lambs, good 75-pound ones sold at $5 50 to $5 60, and light weights, 67 pounds, at $5 25. Sheep were in fair demand for good ones; a load of choice wethers sold at $5 90, and good 94-pound sheep at $4 87½; cull lambs and cull sheep and fair butchers' grades were only fairly steady with the low prices of the week.

Hogs—Receipts, 15 cars; market active and prices stronger, the New York men generally paying $6 for their purchases, with $5 90 to $5 for light Yorkers and pigs, and $5 75 to $5 85 for pigs of fair to good quality; packers would not pay above $6 for anything to-day, and outside buyers paid $6 05 to $6 15 for medium to heavy weights; roughs sold at $4 50 to $5, and stags at $4 to $4 50; the offerings were of only fair to good quality; no fancy stock in the yards; the market closed steady, with all early arrivals sold.

TORONTO.

TORONTO, Oct. 4.—Cattle—There was no activity to the market until close upon noon, when a few lots began to change hands. Very little was done in fat export cattle. Only in an exceptional case was 4c per lb, reached, the highest figure paid apparently being $3 90 per cwt. It is difficult to give quotations owing to the demoralized state of the trade. Choice shippers from 1,200 lbs to 1,250 lbs apiece, brought from $3 75 to $3 90 per cwt. Stockers are dull; not many touched 3½c per lb, the highest figure ranging near 3¼c per lb. Quotations are put by dealers at from 2½c for common up to 3½c for choice short-keep cattle. Stock bulls, no demand; 2½c per lb, with a little higher for choice bulls. The market for butchers' cattle was pretty fair, at 3¼c per lb, for extra choice. Medium to good butchers' 2½c to 3¼c per lb; choice, 3½c to 3¾c. One lot of 20 choice cattle, averaging 1,250 lbs apiece, brought 3¾c per lb, for shipment. A bunch of 12 choice stockers sold for 3¼c per lb, but most of the transactions were made at figures below this.

Sheep and Lambs—Good yearlings are wanted and brought $3 75 to $4 per head, according to quality. Nothing done in sheep for export. Butchers' sheep firm, at $3 50 to $4 25. Lambs do not find much demand, and are quoted at from $2 25 to $3 50.

Milch Cows and Springers—Not many milch cows offered. Those taken ranged at from $30 to $40 per head. There is a good demand for backward springers, at from $40 to $50 per head.

Calves—Not much demand. Prices unchanged. Extra choice veals would fetch from $8 to $10. General run for good calves $4 50 to $6 50.

Hogs—Nearly 1,200 hogs offered. The highest price paid for good straight fat hogs, weighed off cars, was $5 per cwt. One or two lots were taken at $4 95. Stores find no demand, and quotations have dropped to $4 to $4 25 per cwt. Light fat sell slowly at $4 per cwt. Too many poor hogs are on the market.

Dairy Markets.

PETERBORO.

PETERBORO, Oct. 4.—At the cheese market this afternoon 38 factories boarded 2,866 boxes of cheese. The whole Peterboro section, 1,136 boxes, sold at 10½c, and 201 boxes at 10⅝c. The Lindsay sections were not sold and the factories were given permission to sell off the board. The board adjourned for three weeks, when the October cheese will be offered.

WOODSTOCK.

LONDON AND ENVIRONS.

—When melancholy days come round and leaves get brown and red,
When corn is shocked and when you add a blanket to your bed,
When apples, pared and quartered, are set in the sun to dry,
This is the time to smack your lips and think of pumpkin pie.
This pumpkin pie's a tempting dish to almost any fellow,
So sweet and tender, luscious (yum!) and then withal, so yellow.
You stir up eggs and milk and spice and sugar: O, my eye,
And then you add the pumpkin, and that makes the pumpkin pie.

RAILROAD DISASTERS

Caused by a Misplaced Switch and a Broken Rail.

BINGHAMTON, N. Y., Oct. 6.—A wreck is reported on the Erie road here in which one man was killed and several injured.

Important British Capture.

SIMLA, Oct. 6.—The British expedition under the command of Col. Sir Wm. Lockart, which was sent out to punish the Black Mountain tribes for their depredations on British territory has captured the town of Baio. Not a shot was fired, as the inhabitants fled when they learned of the near approach of the British.

CANADIAN.

Mrs. Catharine Donovan died in the Hotel Dieu, Kingston, on Tuesday, at the age of 104 years.

The body of Maggie Simpson was found in the river at Owen Sound Wednesday. She had been missing several days.

The body of Stanley Pinhorn, nephew of Sir Stavely Hill, the young rancher who suicided at Macleod on Monday, has been shipped to England for interment.

The coroner's inquest on the body of Miss Olive Odell, found dead in her parent's residence Sunday morning at Winnipeg, with a bullet hole through her breast, did not result in clearing up the mystery, and it may never be known whether the young woman was murdered or suicided.

Lord Tennyson spoke to his wife about an hour before he died, and his words to her were the last he uttered. His features in death bear a look of absolute peace. The Tennysons have no family burial ground, and it is expected that Lord Tennyson's remains will be interred in Westminster Abbey. His funeral will be a public one.

Nothing impure or injurious contaminates the popular antidote to pain, throat and lung remedy and general corrective, Dr. Thomas' Eclectric Oil. It may be used without the slightest apprehension of any other than salutary consequences. Coughs, rheumatism, earache, bruises, cuts and sores succumb to its action.
